non xii cap. dirimentia matrimonium

Circa ista que impediunt matrimonium contrahendum et contractum non dirimunt dicendum, Sunt autem xii capitula que et contrahendum impediunt et dirimunt contractum si precedunt matrimonium et non sequuntur. Primum istorum est error personae, non qualitatis, et dico error persone quia si aliquis credit contrahere cum una muliere et contrahit cum altera, error est et non tenet. Nomine autem persone supponitur tantummodo ipsa persona. Et non error qualitatis, ut nobilem et divitem vel sapientem, cum ipsa non sit. Iste est error qualitatis et non impedit. Secundum capitulum est condicio, id est condicio servilis ignorata, et dico quia si quis liber contrahit cum ancilla quam credit liberam, vel si liber vel servus contrahit cum illa quam credit esse ancillam, et non condicio servilis ignorata fuit, tollit matrimonium, nisi postquam cognovit consenserit. Tertium capitulum est votum solempne, scilicet castitatis, quia votum privatum licet impediat contrahendum, contractum tamen non dirimit. Quartum capitulum est cognatio, cognatio que est triplex: prima est carnalis, et hec usque ad quartum gradum extenditur. Alia est spiritualis que contrahitur per sacramentum baptismi vel confirmationis, ut alius alium de fonte levat ita sacrata vel ex aliter alterius confessione. Tertia est legalis per adoptionem, que secundum leges perpetua est et abrogatur. Quintum capitulum est crimen, quod non sit ut fiat vel fiere [illegible] talibus capitulis. Primus si alter vel uterque machinatus fuit in morte coniugis, cum esset adulterium. Secundum si contrahit fidem adultere ut ducat eam post mortem mariti vel uxoris, quod intelligitur et si uterque procurant in vita. Tertium si vivente uxore de facto contrahit cum alia; ita tamen si fuit ultima, sed alias non impedit. Sextum capitulum est disparitas cultus, quod fidelis contrahere non potest cum infideli. Septimum est vis vel violentia vel metus. Violentia fortis tollit matrimonium, sed levis metus non impedit. Et metus qui cadit in constantem virum, ut timor mortis, cruciatus corporis, servitutis et stupri, et ut refert utrum talis ista sit ut uxor vel filia vel servus. Octavum capitulum est ordo sacer, tamen de ordinibus minoribus constituti contrahere possunt. Nonum capitulum est ligamen, id est duo sponsalia et ... inpedit contrahendum sed non dirimunt contractum, ligamen est per matrimonium et dirimit contractum. Decimum capitulum est publice honestatis iustitia, tamen si desponsat puellam infra annos, licet etate rata sint sponsalia, nulla cognatione non poterat eam sine uxore ducere, quia iure ea cognoscat

ut ipse aliquam eius consanguineam contrahere. Undecimum capitulum est impotentia coeundi, cuius frigiditas vel maleficium et certi qui ... triplex, scilicet naturalis ut frigiditas vel defectus etatis, cum masculus infra xiiii annos, femina infra xii, vel alias quod unde naturale est defectum a membris genitalibus et putat quod impediat coitum. Alia species accidentalis ut castratio. Tertia est maleficium, quod sit per sortes vel facturam. In primis non ... quod dixi in principio matrimonii aut precedit, consequens quod quando non precedit ipsum non tollit. Sola fornicatio vel ... que est ... et in non tollit matrimonium nisi per solum actum et facto divortio causa fornicationis vivente altero vivente, tangitur ... ubi nupsit ... erat inter illos cum ... vocabat nuptias ... ut predilectionis. tantum estibus. Sed hic quedam sunt ta primo. cum
quare voluit deus fieri ut priores essent in primo
cum posteriores erant in opere et debitum quod b.
[illegible] tamen rationem assignat dicens quia in eligendo
receperunt quam qui tardius inceperunt operari
quia vocati ad premium intrare. Secundo dubit
utrum de ista retributione denarii. Non cum videtur
iustum ut equale recipiant premium modicum
et plurimum laborantes. Unde videtur quod satis ra-
tionabiliter murmurabant qui prima hora vocati fuerant
[illegible] quia ita retributio iusta est et innocens iu-
sta quamvis quidem ad precedentes quia datur ab que
communis premium secundum peram afficieris ut quo ad re-
ceptos quia pro modico labore equale fortibus
suscipiet premium secundum mereri non quia iniuste agi-
tur primus sed miseretur dispensator in ultimis
Item 2o ideo est equale premium ut dicatur secundum [illegible]
non ex operibus iustitie que fecimus nos salvavit
non ex operibus iustitie [illegible] magnitudo operis
primus non cum mensuratur premium magnitudo operis
sed confessione caritatis et quia qui minus operatur fuit
in [illegible] caritate quam multum laborat ideo
equale caritatis quam multum laborat ideo
equale premium recipit. Item 3o dicitur premii [illegible]
equale in duratione quamvis fuerit multum labor
ee equale in duratione quamvis modicum laboribus tamen vi-
vandet tamen in eternum secundum modicum laboribus tamen vi-
stabitur in perpetue quod iusti in perpetuum vivent
2 apud dominum est merces eorum non cum plus diu
bit in civitate celesti petrus quam latro
equale in eternitate et sic ille denarius est equalis
non tamen est equalis in magnitudine
i duratione non tamen est equalis in magnitudine
valoris iudicio nam in ... mansiones
multe sunt a multi gradus beatitudinis. Item 4o
dici potest quod beati equales sunt in magnitu-
dine gaudii ut dicit Augustinus [illegible] 26 quoniam
cum quilibet beatus tamen diligit alium sicut se ipsum
sequitur quod tamen gaudebit de bono alterius sicut
de suo et ideo gaudium singulorum erit omnium
de ista et ideo gaudium singulorum et cum [illegible]
post ie denarius est equalis. Tertio dubitatur quomodo
beati dicuntur murmurare de equalitate premii cum
in celo nulla murmuratio
ut dicit [illegible] quorum nulla murmuratio
accepit ut murmurare sit quam accepit [illegible]
videtur [illegible] ista similitudo murmurationis non
sit trasferenda est ad eos qui beati sunt ut ille
status murmurare [illegible] inde sed ut ostendatur quod
tanto sunt honore positi ut magnitudo
honoris posset invidia generare. Secundo adhoc
videtur [illegible] quia multis patres sancti erant in
carcere morientes tamen non suscipiebat premium
sed expectaverunt usque ad Christum Ideo non quod nunc
in laborant in vinea cum statim cum moriuntur
introducuntur ad regnum. Illorum quia de eo quod
quedam murmuratio est. Tertio potest dici quod ita
murmuratio intellecta est [illegible] non cum mi-
nuunt de aliorum gloria quod murmurare sunt
quod sit tamen credit de ex [illegible] murmur [illegible]
quo itaque ie potest tollatur quamcumque rationem [illegible]
de primo precedens murmur. Tertio in tollitur

murmur ille primo murmuravit contra deum de altiore
in prelatus videns unum eorum qui forte magis
se ingerebat dixit Amice etc. quod amicabiliter
incepit increpare Non facio tibi iniuriam. Ideo
absque ulla murmuratione non debes dicere quod iste
dedit [illegible] mercedem minus laborantibus. Sed cum factum
quia volui et quod volui licitum est et ideo non te
noceo tibi dare plus quam aliquis Tolle quod tuum
est et vade. Secundum conventionem quia recepisti mercedem
tuam. Item secundo tollit murmurationem deus quod equale
dedit mercedem laborantibus. Sed cum ita fecerat
quia voluit sic facere. Unde subdit Volo autem et
huic novissimo dare sicut tibi Sic cum sola
dei voluntas causa est impedimentum ... Ita sola
causa est equalitatis dispensationis primorum
An non licet mihi facere quod volo certe primo
in lege quia voluntas eius sancta est iusta et pia
absque malicia. Item 3o tollit murmurationem quia in-
quit videre causam videlicet An oculus tuus nequam
est quia ego bonus sum. Inveniendo quamvis
ex nequicia qui de bono proximi dolet credit
aut quare oculus nequam sit Quia
ego bonus sum et quia ego bonus causando ego
[illegible] ideo tu hoc oculus nequam dolens
de bono quod ille dedit. Dispensatio tertia

Tertio tu dicitur Sic erunt novissimi primi et

tangitur pessimus longa adaptatio primo
cum dux prima prima prima est quia illi qui

erunt posteriores. Sic erunt novissimi i

bore novissimi in remuneratione. Et quod

Item pro secundo [illegible] eorum qui audiunt verbum dei. Et aliud cecidit super petram. Petra est durum cor quod licet aqua verbi dei superfluat in duritie tamen est ad omne bonum [illegible] cor durum loquitur [illegible] pro dispositione cordis. Cor durum est quod nec compunctione scinditur, nec pietate mollitur, nec monitis movetur, minis non cedit, flagellis induratur, ingratum ad beneficia, ad consilia infidum, ad iudicia sevum, inverecundum ad turpia, [illegible] ad pericula, inhumanum ad humana, temerarium ad divina, preteritorum obliviscens, presencium negligens, futura non providens, [illegible] alia [illegible] ut [illegible] horribilis mala complecta [illegible] timet ut [illegible]. paupertatem et ideo dicitur mendicans qui manum dirigens vel manum mendicans. Sed non curat pauper dives dici sua indigenciam, et longis sermonibus circuitus pauperibus impetrare subsidium. Et tu videbis nulla res tamen cumulatur qua pauperibus proficit.
2° ¶ 2° ponitur circa interrogationem et cum audiret turbam pretereuntem. Multa tunc Christus predicabat et pertransibat; quia pertransiens non erat turbam peterent. Item talium multitudinis, quod transibant in illis et ideo querebat illi quid oportebat eos in turbe. Interrogabat quid hoc esset. Admirans motum turbe eius, suspicans esse forte aliquem magnum pertransire turbe a quo peteret elemosinam. Dixerunt autem ei quod Iesus Nazarenus, Ihesum salvatorem in auro vel argento secundum apparatus. Nazarenus id est floridum. Transiret, transibat id est velut qui [illegible] non turbatus erat aliquem.
3° ¶ 3° tangitur circa despectum tamen primo spectatur. Ceci despiciunt clamavit dicens. Post clamatus cecus alta voce, non tamen nobilis, quia despectus et pauper, non audiret. Et ideo et iterum intus superflue clamabat. Et in de tribulationis sue clamavit ad te et tu exaudisti eos. Et vere preponit nobis ceco peccatoribus clamare quod longe a peccatoribus salus. Peccatoribus clamat dominus. Ideo inquit: Iesu fili David, miserere mei. Ihesu qui est salvator, ideo et commemorat Ihesum qui est salvator. Et dicens fili David non est absque salvator. Et dicens fili David, miserere mei. Primo est ecce et contendimus. Miserere mei. Sed et miseratio eius super omnia opera eius. Et qui preibant increpabant eum ut taceret. In vere probabant forte secundum Origenem quod ille qui sedebant volebat ut contemptibili morte diceret filius David secundum filius Dei. Et per turbam quod filium David secundum filius Dei magnum reputabat ut per magnos homines indignum [illegible] pauperes. Superbi enim indigna audiunt pauperem salutationes. Ideo qui pretereunt increpabant ut taceret quod Christus audiret quod non negabat eum sed ex filium David fortassis et dicta per quod non volebat ut taceret. Et fortasse [illegible] in mirabilibus suis. Sed multo magis in [illegible]. Ipse vero multo magis clamabat. Ut dicit Crisostomus tanto magis et nam quanto negata tanto magis attendere. Ipse vero petit lumen. Igitur turbam pretereuntem. Fili David miserere mei dicit Gregorius in expositione regule [illegible] adversus clamas deo non exaudit. Peccata non dimittas. Quarto sunt nimia pluribus pauperibus respondebat. Quarto ponitur circa illuminationem. Stetit autem Ihesus. Gregorius dicit: Ipse non pertransit sed stat ut stante ceco non sufficiat iussit illum adduci ad se quia pre nimio non poterat nec sequebat. Et cum appropinquasset ceco qui prius cum fide tetigerat, interrogavit eum dicens: Quid tibi vis ut faciam? Non interrogat quia ignoraret quid ille peteret sed non interrogat et ipse despicit. Interrogat autem eum. Item vir

2 Item 2° ut dicit Crisostomus ut ceca dilatum ostenderet. Ostendantur autem omnes qui cum eo sunt
3 qui putant. Item 3° secundum eundem ut sua petitio pertinens credatur. Quid illi daret ad que peteret.
4 Item 4° per Bedam ideo interrogat ut rogetur et orationem doceret. Item 5° secundum glossam ut ceci

Et Ihesus dixit: Respice, quia ipse efficacissime operatur. Ita secundum [illegible] indefacienter respalitur et primo dixit ut sit et ita dicta immittit. Fides tua te salvum fecit. Insuper cum celerem ad opus. Vel per eum, cum dicit fides, non ad opus. Vel ex [illegible] in quantum dicit fides tua. [illegible] cuius in fide magna quia lux est fides perfecta ut dicit Crisostomus. Venerunt sursum et sic ab uno fonte aqui plus vel minus hauriunt maioribus vasis et minoribus; et per fenestras que aperiuntur magnus vel minus splendor infunditur. Ita per capacitatem fidei hauritur gratia dei. Et confestim vidit. Nam per Crisostomum vir dei est vir ac lux. Item non est nox eius meliora incidit gratia est in temporali, in stanter [illegible] Ambrosius commendat quod stetit. Considera nimis largitatem quod nimis vel minus faciunt. Considera medicamine nobilitate quod fides tua te salvum fecit. Considera sanitatis celeritatem quod confestim vidit. ¶ Considera pronam laudis desiderium.
b ¶ Et sequebatur illum magnificans deum. Non sufficiat lumen recepisse nisi et lucem sequatur. Nam ambulat in tenebris Iohannes 8. Ego sum lux mundi; qui sequitur me non ambulat in tenebris. Ergo magnificans deum per bonum tuos procedit [illegible] magnificas salutem nostram; ergo [illegible] laus.

Statuit eum super pinnaculum templi et

dicentis Hic est filius meus dilectus secundo fuit
Christum in deserto et obseruauit xl diebus quid
ageret. Nec videbat aliquem actum nisi videns
eum famem accepisse, et forte nunquam ante non
sperat aliquem temptandi prohibitus a deo. Nota quod
iste temptator fuit lucifer angelus superior
qui primum hominem superauit et vincit angelus
et visibile est. Et dicit glossa quod apparuit iste tem-
ptator in forma hominis ut faciliter se haberet
cum Christo. Dixit ei: Quasi compaciens famem tibi
plurimum ieiunasti et indiges aliquo cibo nisi
de isto panes qui non sunt. Sed tu Si filius dei
es dic ut lapides isti panes fiant. Intel-
ligat dyabolus voce prius dicentis Hic est filius
meus dilectus, sed incredulus erat illi voci et
volebat scire per aliqua opera per conuersionem lapi-
dum in panes vel in panes. Nam per quam emi-
nencia diuinitatis probatio appareret, sicut
tunc signum diuinitatis fuerat ille vox patris
conuersio lapidum in panes. Nota quod usque ad

adduxit temptacionem cum assumpsit eum dyabolus.

illud transfiguratus ut dicit Matth. xvii quia facies eius
110 resplenduit sicut sol. Secundo dicto splendoris
[illegible] circa occurrunt dubia. Primum dubium est an illa
claritas fuit maior vel minor. Quidam dixerunt quod
non quia ait resplenduit sicut sol. Sed hoc videtur
repugnare auctoritati dicenti quod facies eius resplen-
duit sicut sol. Alii non dixerunt quod christus adhuc
mortalitatem deposuit et pro illo tempore fuit in gloria
claritatis. Sed hoc non, quia constat quod post resurrectionem in corpore
immortali cicatrices permanserunt et palpari
se permisit et postea manducavit et bibit, quae
omnia videntur pertinere ad carnalem mortalitatem.
Ideo in carne mortali mortalitatem ad quam in
[illegible] in mortalitate potuit induere statum.
Alii autem dixerunt quod corpus christi prius erat in non
[illegible] et splendens, sed tunc primo mortale et passibile
ut posset pati et claritas quae erat naturaliter
[illegible] in transfiguratione. Sed videtur esse verius
quod claritas transfigurationis fuit claritas cor-

Item ista per Damascenum ideo patet apparuit ut
ipse petrus uoce patris audiret sibi testificantem
confirmaret. Ideo dixerat tu es filius dei uiui. Ja-
cobus non quia tunc erat unus discipulorum mo-
riturus. Johannes autem quia uirgo [illegible] gracia [illegible] non sola
7 erat tibi responsurus. In primo erat unus. Item potest
forte racione dici. Petrus, uidelicet Christi passionem abhor-
rebat. vnde Christo dicente se debere crucifigi re-
darguit Petrus absit domine non erit tibi hoc. Et
ideo confirmauit eorum Christi morte uoluit illi gloriam
suam ostendere. vnde Johannes primus magis morte
audi gloriam triumphantis [illegible] crucis a
sepulta angelorum ministra. Quos ubi reliquis
ideo apparuit ut inuenirent eorum peticione
que dependunt pendere morte Christi unus
adiutorium eius et alterius apostoli [illegible] informatos
regnum celorum [illegible] mirantes. Et ideo ostendit illis
eciam regni gloriam depinxit in transfiguracione
est ante cetera [illegible] Distinccio secunda

Secundo cum dicitur Et resplenduit facies eius
sponsi innuabat gloria transfiguracionis Christi
eciam quamdam animabat fuit et gloriosa. Item ca-
pimus in corporis claritate. vnde dicitur Et resplen-
duit facies eius sicut sol. Et inter [illegible] corpora
ut est in corporalibus lucidius ita claritas
corporis Christi dicitur esse sol. cum tamen ipse sit sole lu-
cidior ut dicitur [illegible] commendabiliter comparatur
claritas corporis Christi soli. Item tercia. Primo quidem
sicut sol est fons lucis corporalis ita ipse est lux
spiritualis. Item secundo quia claritate corporis Christi glorificati
fulgebunt iusti sicut sol in conspectu dei quia
admonent cetera sydera suscipiunt a sole sple-
ndorem. Item tercio quia lux solis est uni-
3. ficata ita claritas Christi gloriosa electorum corpora
glorificabit et unificabit. Considerata quanta
fuit discipulorum Christi consolacio cum uiderunt
eum tanta claritate fulgere ita ut dicit Sanctus
Effrem duos soles [illegible] discipulos uide-
bant in monte unum in firmamento totum
firmamentum et mundum illuminantem et alterum Do-
minum uidebant in facie Christi. Item attende quod
claritas solis obfuscabat oculos et nimis
impedit ita ut non possimus solis rotam
uidere. Set claritas corporis Christi et si maior
erat et lucidior claritate solis non tamen obfu-
scabat sed miro modo delectabat aspicientes. Tercio
potest [illegible] uestium. Vestimenta eius fac-
ta sunt alba sicut nix. Set quia forte dicet
aliquis quod possent fieri panni candi-
di sicut nix [illegible] artificio ideo dicit possimus
aut marcus quod ita uestimenta fuit candida
ut nix qualia fullo non potest super terram can-

dida facere. Set quia natura superat arte(m) mediu(m)
pietate colorum et infinite quantitate colorum
diuinae ad quos natura uel artificialis
potest attingere. vnde dicit Lucas quod erat
natura deficiebat candidare uestimentorum Christi
Dicit quod factus est uestitus albus et refu-
lgens nimis. Et ideo deficit ars et natura.
[illegible] dicitur quod illa claritas gloria be-
atorum est super omnem artem in construc-
ra natura uirtute. vnde quia ita uestimenta
refulgencia emanabat a claritate
corporis Christi gloriosi non tamen in facie solum
set toto lucidum erat. vnde dicit Effrem
set uestimenta Christi corpus est. Quia ex
toto corpore suo emanabat gloria eius
et de tota carne refulsit lumen eius
et de ipso toto fulserunt radia. Set ista
transfiguracio annunciat et gloria corporis
principaliter. vnde sequitur Et ecce apparuit
apparuerunt illis super apostolis moyses
et elyas duo uidelicet principes patres ueteris
testamenti. Et uidetur primus super moyses
ia antiquitus mortuus erat et anima
eius manebat in limbo. Helias uero ad-
huc uiuit in paradiso deliciarum. Luce
dicitur Et ecce duo uiri loquebantur cum
illo. Erant autem moyses et elyas uisi
in maiestate et dicebant excessum quem
completurus erat in iherusalem. Cum
eo loquentes dicit Augustinus super libro
[illegible] moyses transferetur
loquebatur cum domino in monte [illegible]
ut cum plenitudine [illegible]
unus ipse saluus fieret. Lucas
dicit quod loquebantur excessum eius quem
completurus erat in iherusalem. Set Cyrillus
loquebantur de iniusta passione sua
morte in cruce. Item loquebantur de illa
ma tamen indicantes Christo quod [illegible]
Set ut dicit Effrem cum adorabat et
gracias referebat de adductu in carne
et quia passurus passus quod ipsi postea
erant uidebant quod in Christo uno erat
splendor comparabantur [illegible]
Christo quia sic gloriosa facie debebat
[illegible] tradi in manus iudeorum
in iusto flagellari crudeliter et
ignobiliter crucifigi. vnde [illegible]
uidit magnum [illegible] est. Item [illegible]
apostolis in ipsa ascensione montis
non solum de transfiguracione Christi set

Cum fortis armatus custodit atrium suum

Si autem fortior illo. Fortiorem se vocat, qui non concordi operatione sicut calumpniabantur sed fortiori potentia hominem liberavit, immundum quoque a vinculis demonum liberavit. Arma dyaboli que abstulit, calliditates sunt nequicie nequicie spiritualis. Spolia sunt ipsi homines ab eo decepti, que victor Christus distribuit, quod est insigne triumphantis, qui captivam duxit captivitatem, et dedit dona hominibus, quosdam quidem apostolos, alios evangelistas, alios pastores et doctores.

Qui non est mecum. Non ut heretici qui non conveniunt in operibus sathane, quod Christus ipse in nullo convenit cum ipso sicut cum illo omnino contrarius sum, quia ego benignus, ille malus; ego animas salvare, ille superbus contendit in mundo perdere; ego predicationem unitatis congrego, ille spargit et separat ab unitate ecclesie.

Possunt hec ad unum quemque baptizatum referri, qui post acceptam graciam boni operis negligit, sed peccatis criminalibus per ea vacua vitalia reddit. Dyabolus ab homine exiit cum in baptismo populus illius homo abrenunciat et peccatum precedent illecebris, que depellens ambulat per loca aquosa, corda sicut fidelium que a mollitie lubrice cogitacionum et humore libidinis immunda calliditas temptator explorat, si quos ibi sue nequicie gressus figere possit. Cum subdit: querens requiem et non inveniens, quia qui pravarum cogitationibus et actibus pascitur, in mentibus fidelium omnia sua temptamenta cessare videt. Sed et revertar in domum meam, id est ad illum quem vidit ab baptismo dictis ficcatum et prius firmam possessionem meam impro. Inde et cum venerit invenit scopis mundatam, quia cum homines cogitationibus recepit, in venit conceptum peccatorum amicis mundatam in baptismo sed nullo bono opere cumulatam, ornatam tamen assumit pluralitatem omnium virtutum. Qui non colligit. Ostendit de hereticis et scismaticis quibus nichil pervenit nisi qui excludunt a regno dei.

Immundus spiritus a Iudeis exiit quando acceperunt legem, quam illi adimplere non poterant, quod ad ipsum vocatum nescieruit.

Cum in medio spiritus et aqua sanctificaveris nos undique, attribuentes opera tua dyabolo, ideo dyabolus habitat in nobis, sicut in suo regno gravius quam prius.

Exiit a Iudeis dyabolus qui lege scriptum dei vinculis illis sunt et transeunt ab gentibus que erant aquosa, quia fontes sunt sancti et delicti proximi lucide et sterilis sanguinibus, quod non invenit requiem quia corda gentilium suscepta fide Christi repellunt. Unde domum reversus ad Iudeos quos ante dimisit et invenit scopis mundatam illam plebem, id est superfluis observationibus phariseorum et cerimoniis legis, que tamen nichil valent post adventum Christi, et ut fortius eis magis possideat, iterum sumit septem spiritus demonum et videns defensionem plenitudinis blasphemantes Christi opus omnipotentis. Quod etiam fuit in Egypto ante perceptam legem, quod maior infidelitas est in veniente non suscipere quam venturum non credere.

facultatem loquendi qui nescit non loqui-
tur nisi audiat alios loqui statim lo-
tus fuit, quemadmodum esset miraculum si puer
natus statim loqueretur. Deinde ponit
triplicem dispositionem astancium. Quidam ad-
mirati sunt quasi credentes, alii vero
dubii miraculum temptantes, sed quidam
malivoli opus calumpniantes unde dicit
Et admirate sunt turbe. Est autem
miraculum in opere effectus occulta causa
et ideo turbe de miraculum in aliquo magis
homine hesitabant unde in alio loco dicitur
Stupebant omnes turbe et dicebant numquid
hic est filius David. Glossa. communiter
nisi et iusticia filium David predicant.
Dein Deinde ponit quomodo alii calumpniati sunt
miraculum. Quidam autem ex eis dix-
erunt. Matthei et Marci dicunt istos fuisse
scribas et phariseos. In Belzebub prin-
cipe demoniorum eicit demonia. Ver-
be laudaverunt miraculum ipsum sed non
potentes negare miraculum conati sunt
depravare dicentes quod virtute demonis
facta fuisset. Nota quod Ninus
conditor civitatis Ninive pro consolacione
de morte Beli patris sui statuam fecit
in honore patris. Et quia confugientes
qui forte fecerant veniam merebantur
Venerunt ad ipsam statuam ceperunt tenere. Sed
succedente tempore dyabolo instigante di-
vini honoris ipsi statue fuit attribu-
tum. Inicium precipue cultus ydolatrie ut dicitur Genesis
xiiij. Hunc Caldei appellabant Bel
Palestini Baal, Moabite Belphegor
diversis nominibus secundum diversitatem linguarum. Sed
incole Accaron vocabant illum Belzebub
id est deum vel virum muscarum quia magna
multitudo muscarum erat in templo
eius propter sordes cruoris ymolatorum. Habe-
ant simulacra dicebant incole habitare principem
demoniorum. Forte propter hoc vel
quia in eo erat ydolatrie principium quia
cultus eius erat generalis apud omnes
gentes licet enim quelibet natio speciales deos
haberet de se tamen istum eciam generaliter
deum omnes venerabantur. Sed contra quia
illum ydola reputabantur efficacius ipso
Attende contra fuit ista contumelia quia
nichil reputavit Christum nisi maleficum

et incantatorem quod in virtute demonis faceret
miracula. Sed videlicet et mirabile. Unde mo-
ti fuerunt multi dicere Christo. Glossa. Et cetera. Dicunt quod
ideo invidi non credebant Christum hec fe-
cisse virtute demonis. Illum eum signum
appellat dicit. Sic tamen agitati stimulis
invidie non consenserunt cum dicerent virum
aut Christum. Deinde tamen aliquos possent viciare
miraculum vel eorum invidia non sunt
primo dicatur sed solum ut dicat. Item ideo invidia
nisi malicia et peior invidia. Docet
ubicumque complet peccatum suum. Sic invidia ac
nichil quiescat. Sicut scarabeus nutritur
stercoribus ita invidia aliorum infortu-
niis et ideo perversus solo odio moti
et invidia ac sordidibus inconvenientes
quod obicerent dicendo. Dixerunt quod in Belze-
bub eiciebat demonia. Sed vero quod
in ista contumelia peccaverunt peccato gravi-
ssimo scilicet in spiritum sanctum quod dicitur in Marco quod
restiterunt veritati quam tamen cognoscebant
Et ideo salvator aggravat peccatum eorum
ut patet scilicet Matthei in isto loco dicens con-
tra quem dixerit verbum contra filium hominis remittetur
ei sed qui dixerit verbum contra spiritum sanctum id est contra
id quod spiritu sancto apte convenit dicitur
non remittetur ei neque in seculo neque in
futuro. Deinde ponit quomodo aliqui non tam
denigrabat sed querebant experimentum
amplius. Et alii temptantes eum signum de
celo querebant. Nota quod temptabant dicendo quod dicti sunt
dicentes vel signum de celo querebant quod
demones in quorum virtute operatur mi-
rabilia Sed si aliquod signum in celo mirabile
faceret. Sicut Moyses columpnam ignis et nubis
Iosue non fecit solem stare immobilem
Helias autem fecit ignem de celo descendere
ad conbustionem inimicorum suorum Eze-
chias autem fecit solem retrocedere. Sed de
inquirunt similia istis fecisset tunc crederent
quod divina virtute miracula faceret. Sed quia
ipsi non desiderabant signum ut possent
credere sed magis ut detraherent in
veritate miraculum. Ideo non dedit
eis signum de celo. Distinctio secunda
Secundo cum dicit Ipse autem ut vidit
declaratur inestimabilis Christi sapiencia
qua omnem confutat calumpniam. Et ita
fiat primo eum tangit cordium
... et dicitur argumentum. Primo

pt patris sicut hij qui petebant signum
de celo vel cetera. Ipse autem ut vidit cogi
taciones eorum dixit eis. Omnia enim opera
eorum ut dicit Ciprianus erat valde invidos
quod in belzebub eiceret demonia. Ideo propter
aliquorum scripturas metu multitudinis non aude
bant eum divulgare sed namque suos
vitebant. Deus autem ut dicit Jeronimus non verbo
sed cogitata videns unde sic ostendit
credendi potenciam eius qui cordium
videt occulta. Quamvis enim non sit demo. non
qua creata hec ergo omnia unde et
ipsa sunt sicut dixit eius. Nec ulla creatura
invisibilis in conspectu eius. Ipse vero verbis
manifeste ostendit quod non eiecit dem
ones in virtute demonis sed in virtute di
vinitatis. Omne enim simile ponitur que
apparent in civitatibus hominum et que omnis
quantitas hominum nisi per divisam divinatio
est. Sicut fit civitas et policiam ut in regno.
Sicut sunt yconomia quasi regimen domus
et sicut statur in iis dyaconus et regimen
civitatis duo divisio quam eius ut parte
aliter alterum occidat. Tunc ille regnum ille
stare non potest. Sed quia et sicut maxime
regnum dyaboli non maxima parte est
hominibus ergo sequitur quod non in virtute dem
onis eicio demonia et quod et dicitur
Omne regnum in se ipsum divisum desolabitur et domus supra domum cadet.
Omne regnum in se ipsum divisum desolabitur et domus in hoc civitate sicut ...
nomen sunt propter divisa ex alia
domum supra domum cadit ita ut una
cadat in ruinam. Ideo sicut dicit Salustius
Sicut concordia parve res crescunt ita dis
cordia maxime dilabuntur et abscinditur
Si ergo sathanas in se ipsum divisus est
quomodo stabit si alter eicit alterum quomodo stabit
regnum eius. Et sic stare non potest quod est
totum sequitur. Quod dicitis in Belzebub et sic
eicere me demonia. Et cetera. In sunt ergo suum demonia
virtutis quia Apostoli mei quibus ego dedi
virtutem eiciendi demones sed nos ac
virtutem divina operatur in virtute magis eum
Sed quod vos ipsi vobis reprehendere eos quod eiciunt nullius
ergo in virtute Dei et ego eicio demonia. Si
ego quod dicit Ieronimus in rogatione et comitante. Si autem
ego in belzebub eicio demonia filii vestri
in quo eiciunt. Ideo Apostoli in veritate nostri iudices
vestri quod si eicit in belzebub quasi
non calumpniam opus eorum sed non dicere
in virtute Dei apostoli eiciunt de
mones per eandem virtutem quam habent

dicitis. Ideo ipsi iudices vestri erunt quia
sic pulla virtute eiciunt demones ita
producunt vos demoniacos indicabit
in condempnacionem. Conveniunt enim et apostoli
sedebunt super sedes indicantes duo
decim tribus Israel. Et cum duplicis habuit dici
tur super angelicos spiritus multo magis
per homines secundum corpus disponit magis
apostolis cum angelos iudicabunt. Vel
ut dicit Beda. Et Jeronimus filios eorum appellat
exorcistas illius temporis qui ... ut
dicit Josephus per sua sapientiam adi

rent demones in virtute Dei et sic esse
debuissent ac dixit Christus et eo qui exor
ciste indices erunt vestri quia exorcis
tis exorcistis suis eiciunt demones ut iudicandi

et illis regnum Dei destruat et regnum dyabolo
sed regnum Dei et in vos quia modo non
cum alienacionis pervenit ad regnum dyaboli
vos soli estis regnum Dei et si vos
opera eiectorum demonum sed non et ipsi

paraverat plenam mensam in deserto, nunc ex nihilo
multitudinem tantam refecit. Item 3o ubi di-
cunt evangelistae erat autem fenum multum in loco.
Dicitur autem fenum secundum Theophilum quia adhuc
viride erat. Erat enim pascha quando ipso mense
fiebat, scilicet xiiii luna ipsius, quo tempore est vere
iocunditas aeris temperies, et iam terra ger-
minat et arbores florent. Unde per hoc fenum
id est herba viridis recubuerunt ut delectabiliter
reficerentur. Item tangit discubitum eorum
Discubuerunt ergo viri numero [illegible] ut primi-
mittantur scilicet legale instructione quasi in
arbitrium et plures fuisse homines quam quinque
millia. Ita ut secundum Ieronimum tunc millenarius
cum panis fuerit. Et est sciendum quod tamen
multos sine ordine discubuit, ita ut
dicitur discubuerunt super viride fenum per
contubernia, id est corporum distinctiones per societates
centenos et quinquagenos. Item 4o tangitur mirabile
opus. Accepit ergo Iesus panes quos cum
etc. ut quomodo ista operaretur in-
vocatum. Sed quaeritur quare Christus non creavit
novos panes in turbam illam. Et
dicendum quod prima causa est secundum Theophilum et
Crisostomum ut confunderet Manicheos dicentes
corporalem substantiam esse mala quae a malo deo
sit creata. Ita si creatura ita mala esset
non augmentaretur quod bonum est mala multipli-
catio. Si enim [illegible] quas assignat Crisostomus

prima est quod in [illegible] alienae naturae [illegible]

[illegible] gratias [illegible] dicit quod Christus tamen fecit
[illegible] appositum [illegible]. Item benedixit pa-

omnia posse credat. Et tunc ut dicitur Jo. frange
te dicto panem fecit et multiplicavit primo
Item secundum Crisostomum ipsi panes augebantur
in manibus discipulorum ministrantium. Item
secundum Hylarium in manibus frangentium et
in mensa crescebat panis fractus. Et et
mirabile multum miraculum ut secundum Hylarium
qui in manibus frangentium panis non
minueretur sed dato uno fragmento
aliud succedit ut dicitur. Non est ergo non
et dubium quin hoc sit miraculum, sed tamen
deus non et impossibile est non et impossibile quia
deum omnia. Unde Et adhuc dicitur
quod renuebat partes id est panis quod
succedebant fragmentis distribuentibus
unde Augustinus dicit: ea virtute qua
deus multiplicat de paucis granis
segetes, eadem virtute multiplicavit
quinque panes et duos pisces. Nam
illi quinque panes erant quasi semina
non quidem terre mandata sed ab eo qui terram
fecit multiplicata. Et dicit hic quod
eius virtute fit fructus et Et consequens
de potentie sunt partes id est multiplicatores
Et dicitur quod deus potentia materiam
convertit sicut panis fit humor terre
sive convertitur in substantiam frumenti et panis
convertitur in substantiam carnis, ita deus
de paucis panibus multitudinem populi
vel panibus satiavit sed quomodo
terra facta quomodo minus sine augmento fit
ut dicitur in magistro in historiis libro 2o dicit
quod id est facta panis divina virtute ipse
multiplicata et nullo potiori addi
to quo sit potuit procedit in
instigationem quandam intellectum ut dicitur
Gregorius. Tercio agitur de recollectione
micarum. Ut autem impleti sunt et
dicunt et satiati fuerunt, et de
publicum corpus attulit eos dixit dis
cipulis: colligite que superaverunt fra
gmenta etc. Ideo precepit ut dicitur ne
ne fantasiam crederetur quod fuerit
hic. Recollectione fragmentorum mag
apparet et tam multitudo miraculi. Nec precipit
ideo eum sunt abicienda que superfuerunt
mense sed pauperibus erroganda.
Collegerunt ergo et impleverunt xii
cophinos fragmentorum. Erat enim
cophinus factum dicitur de foliis pal
marum contextum. Quarto agitur de opera
tionibus panibus et duobus piscibus
qui supererant hiis qui manducaverant.
Unde sequitur: Ascendit autem super hoc
nacles in medio illis, quia deus Judeorum
tribuit. Dicitur quarto tangitur laus secundum quanta
divina beneficia. Et sicut quia ut ceteri deo
possumus retribuere pluribus acceptis
primo gratias quia omnia tua sunt sicut primo pa
ralipomenon 29o tua domine sunt omnia, et que de
manu tua accepimus dedimus tibi.
Secundo quia ut dicitur in ps. bonorum meorum non indi
ges. Tercio quia precedunt beneficia competenti
facultate, ps. Retribuo retributiones domino. Et tamen
ut dicit ornata laudatur, in quo non sunt
sed cantat perfecit. Unde tangitur qualiter in eodem
dicit de operibus homines affecti. Illi ergo
homines cum vidissent quod fecerat signum
Jesus tamen admirabantur, admirantes dicebant
laudando et glorificando eum quia hic est
vere propheta. Ut super Augustinus dicit: prophetam
dicit prophetam et sunt enim primo quia
omnis propheta accipiunt a spiritu omnibus ut
preveniunt futura. Ipse non a nisi ipso eum
est cognitionem. Secundo quia illi aliquarum rerum
habuerunt cognitionem, ut nos omnium dominum
nunc ferimus, quia scit omnia. 3o quia cum
cognitio est eterna, et prophetae non cognoscunt
semper. 4o quia omnis prophetia tunc ad se
dicit, Tunc omnes prophete testimonium per
hibent qui venturus est in mundum. Et ceterus
se ad regnum eum quam quibus est ut
nos ad celestia regna perducat etc.
ad pervenire dignetur qui vivit et regnat in secula.

In the right margin: no; ... ; Circa q(ue); Gen 22; divinitatis; oculis; cordis

Ut dicit dominus Christus quia volens se divinitatem suam demonstrare ostendere non dixit antequam Abraham fieret ego fui sed ego sum, quia sum sine esse cum proprio divinitatis et non est preteritum ut futurum sed opus temporum. Ego sum qui sum, et ideo dixit ego sum. Item Augustinus quod Christus loquens de eternitate Abrahe significavit ea per fieri dicens antequam Abraham fieret; et soli creature competit fieri, sed esse tamen deo convenit sua eternitate. Ideo Crisostomus dixit ego sum [illegible] differt quia est verbum fieri, verbum vero sum in significato et consignificato; quapropter competit esse sed non esse factum etc.

[T]ollas eum dicitur. Tulerunt ergo lapides Iudeorum insania malicie excecati, et dictis factis eum [illegible] opus in igne. Tulerunt ergo lapides Iudei ut iacerent in eum. Defecerunt eis verba quibus respondebant Christo, unde currunt ad lapides. Secundum Augustinum tanta erat duricia cordis eorum quod non currunt nisi ad lapides. Ideo vero per humilitatem Ihesus autem abscondit se. Augustinus: Christus non abscondit se in angulo templi quasi timens, aut in domunculam fugiens, vel post murum vel columpnam divertens, sed celesti potestate se invisibilem constituens insidiantibus, quia in medio illorum venit et exivit de templo. Iuxta mores Iudeorum futura intelligitur quod de templo voluit expellere salvatorem. Conspicere ut [struck] salvator vir mansuetudinis et humilitatis est potentia [illegible] mentis. [illegible] operatores possent inpugnare [illegible] tamen per humilitatem [illegible] abscondit se [struck] tantum. Sermo quod non advenerat hora sue mortis nondum advenerat. Item quod ille hora mortis non advenerat, et tacta ut daretur exemplum fidelibus non resistere persecutoribus sed fugere. Christus: Si vos persecuti fuerint in una civitate fugite in aliam [struck] etc.

In die Palmarum sermo de evangelio distinctione prima

Cum appropinquaret dominus Ihesus Ierosolimam et venisset Bethfage ad montem Oliveti etc.

Matthei XXI, legitur Marci XI, Luce XIX et Iohannis XII. [illegible] Christus Ierusalem ascendens voluit ad passionem [illegible] excellentissima et honorabile [illegible] talem suscepit hodierna die turbis acclamantibus laudes, ramos de arboribus precidentibus atque in via sternentibus vestimenta sua. [illegible] Christus sic voluit ut illum [illegible] ungentibus filium dei nomine patris misterium coram regibus et potestatibus sicut [illegible] libera voce predicare, quatenus in nomine Ihesu omne genu flectatur celestium, terrestrium et infernorum, et omnis lingua confiteatur quia dominus noster Ihesus Christus in gloria est dei patris.

Alia die [illegible] Christus mane recessit de Bethania et [illegible] cum appropinquasset Ierosolimis et venisset Bethphage, que erat viculus sacerdotum distans a Bethania [illegible] miliari [illegible] non distabat [illegible] in latere montis Oliveti [illegible] Oliveti [illegible] Bethphage [illegible] circa [illegible] discipulos. Venerunt ad monumentum deferentes ungere corpus
eius quarum desiderium permagnus prestat nos
et amor earum erga eum quem ... primo ab eo
pecunia devocione nam ut dicit Gregorius presencia
Beatus Ion Magdalene? et opus Ista ... mulie-
rum et ... Christum ... in mortuo de-
sperabat ... fructus obsequium eius
Sancta Maria Magdalena Ista ... fuit
quasi ducissa aliarum quia ferventius amabat
diligencius ... et aliis socias ad
eum incitabat Et Maria supple Maria Iacobi
minoris ... fuit cognominata ... domini
Alibi appellatur Maria ... istam Mariam matrem
Ioseph ... fuit ipsa fuit mater Iacobi

Salome ita Maria a patre suo vocata Sa-
lome Ista ex marito Zebedeo duos ge-
nuit filios Iacobum maiorem et Iohannem evangeli-
stam Iste due Marie fuerunt matertere Christi
Sed queritur quare istarum mulierum nominibus fuit
plures dicuntur Et dicendum quod in
veritate plures fuerunt quia tres nam
Lucas dicit quod cum eis erat Iohanna uxor
Chuse procuratoris Herodis que Christo ministrabat
et alie que cum Ihesu de Galilea venerunt mini-
strantes Christo Sed tamen ... aliis tacitis solas
tres nominat quia iste prius convenerunt ...
et solum duas nominat scilicet Magdalenam
et alteram Mariam que est mater Iacobi ... Sed
istas duas solum nominat tamen non negat alias
ibi fuisse Sed Iohannes dicit quod Maria Magdale-
ne venit ad monumentum aliis omnibus tacitis Et ra-
cio est dicit Augustinus licet ipsa sola non venit tamen
propter fervenciorem amorem eam solam Iohannes nominat
Et quia est ... quasi ... quasi ducissa ta-
cuit omnes tamen alia fuerunt ... Sed
queritur de beata virgine quare non convenerunt
cum istis mulieribus ad ungendum corpus filii
Et dicendum quod quia iam constabat ei de vita
filii credendum enim est quod resurgendo
... statim alli ... apparuit licet scriptura
taceat Unde dicit ... testiorum
de filio ... surrexit audivit et ... non no-
cuit se quilibet mortuum qui ... surrexit
... Secundum tamen in scripture
quod beata virgo cum istis mulieribus venit ad
monumentum ... virgo ... alio ...
... cum ... nominat ... votum
... vene... ad tumulum ... namque
... credebat ... plenum virtute ...
Emerunt aromata quas erat moris
mortuorum corpora condire aromatibus ut diu
absque corrupcione conservarentur Sed queritur
Magdalena ... et Lucas
quod in ipso die Parasceve paravit unguenta
et sabbato ... madentum voluerunt
se occupare ... corpus ... tunc facto sabbato
emerunt aromata et ... parata detulerunt ad
monumentum Sed non dicit Lucas quod tunc facto sabbato
emerunt aromata Et dicendum quod ... quod utrum-
que verum est Nam quia aromata parata non perfecte
non sufficiebant ideo tunc facto alia aromata
emerunt et ad dictum ... Sed possit
dici quod Marcus dicit repetendo Sed ut sit
sensus Emerunt aromata et cum ... facto
sabbato cum aromatibus ... venit ut un-
gerent corpus Sed Ut venientes ungerent Ihesum
... dilexerunt autem quia et ... mulieres
adhibebant ... corpus mortuum absque pu-
trefactione conservare ... Sed consideran-
dum est fervens amor et devocio istarum mulierum
... quia sicut in Iohanne ... Ioseph
ab Arimathia et Nycodemus ... ...
... tulerunt ... cum aromatibus ... dicitur
quod Nycodemus attulit maxima mixturam mirre
et aloes quasi libras centum et sepelierunt corpus
... et ... quod iste mulieres
vellent ungere corpus ... Dicendum quod ita est
... amatur ... magis ... ...
obsequium ... amator ... quia ut aliqui
... amoris agebat a ...
istis mulieribus ut vellet tangere et ungere
corpus ... cum aromatibus ... ...
quam ... ab aliis ... ...
cum illis ... Ut ergo attendere ... na-
turali cum horribile est ... mortuum ...

ita quod ... timeat ... mortuum Sed
amor in istis mulieribus vincebat fragilitatem
nature ... non solum non timebant

tempus [illegible] questio [illegible]
[illegible] non [illegible]

Iesus accellaverit resuscitavit

ad viuum quem diu mortuum iacuisse videbatur. Plangunt

vero suam viuentem quod displicet usque ad funus

aut saltem propter causas. Prima quia si fuisset

1 flendus eum mortuum manere tanto tempore cum

a vita privatus eterne fuit tamen tunc. Saltem cum

2 post non dabis fuisse tunc mole corporis. Secunda

causa est quia non fuisset inventus ut dicitur aliquid

dampnum reportare ex beneficio redemptionis

quando gratia collata in morte sua, sed non

resurrectio eius dilata fuisset usque ad finem

mundi longum dampnum fuisse totam inspectionem

3 dicitur sustinuisse peccatorum videlicet carnis et corporis. Tertia

quia non erat expediens dicitur in lege fuit sic

statuta penas in peccato dispensatiue priusquam

assumpsisset et solus illas penas assumpsit quas

sufficienter ad una peccata delenda. Unde peccata

peccata una id est pena parvorum minus tempore stetit

in cruce suo super lignum una non peccata pena

maior est mors. Quia dicitur assumpsit quia erat

nobis expediens ad salutem. Iohannis: Expe-

dit ut unus moriatur homo pro populo et non tota

gens pereat. Quarta quia dicitur assumpsit ipsam

non expediebat ergo non ante induceret

mortuus usque in die mortis ad utilitatem erat

nobis utile. Ideo hanc penam portare non

4 debuit. Quinta causa est quia fides non

fuisset sed tam dicitur ita mortuus fuisset

quod tamen non resurrexisset unde fides nostra non

credidisset eum esse dei filium et natum de

virgine vel quam fides redemptionis

[illegible] cum resurgit ad solam ecclesiam agitur

fides mansit. Unde duo discipuli euntes

in Emaus quibus modo constabat dicere[?]

dicebat [illegible] morte dicitur sperabat cum

esse redemptorem ipse quia ultius quod

non sperabant ex quo mortuus erat. Unde

quod si corpus in terra dicitur non resurrexisset vana

esset fides nostra. Sexta causa est quia

5 omnem effectum et propositum mancipet sua

ait Dionysius in libro de divinis nominibus

virtute tamen dicitur sit vero in novissima die.

Iohannis: Omnis qui videt filium et credit in

eum habet vitam eternam et ego resuscitabo

eum in novissimo die. Unde oportuit [illegible]

existere vivum in Christo adhuc tempore [illegible]

6 suscitaret. Septima causa est quia dicitur indicat

[illegible] est omnes resurgentes. Actus[?] vero ipse

constitutus est a deo iudex vivorum et mortuorum

iudicabit et unus ante[?] eum. Iohannis: Potestatem

dedit ei iudicium facere quia filius

hominis est. Et in tamen iudex resur-

gentium debuit resurgendo [illegible] pre

[illegible]. Secunda questio quare sic

[illegible] sua resurrectio acceleraverit ut die tertia resur-

rexerit. Dicendum quod dicitur quod acceleravit resurrectionem

[illegible] quare primus non expectanda [illegible]

die mortis. Unde cum spiritu quod mortuorum

ita fuit non expediens quod tamen primavie

cum mortuum longo tempore remanere erat nobis

utile aut forte ut sit longevitas temporis perse-

veret filium mortuum eius. Unde quod dicitur resurre-

xisset an tamen diem forte quis credidi-

sset cum non vere fuisset mortuus aut postea

non resurrexisse tertia non dies sufficientes erant

argumentum mortis mansit ut ultima tertia die

mortuum fuisse plenum videlicet. Ideo sic tamen non

[illegible] die tertia resurgens et vivum fratrem

facere debuit. Tertio ad plangendum vivis non

debuit non vitas omnis ut ibi non resurgit

cum mortuus, quia diu quod recens erat

memoria et et mortis eius et mentibus di-

scipulorum tunc apostoli aestimare debuit quod erat

adhuc tertia die quia forte si dilata

fuisset annuntiatio reliquiti corpus non putabant

fuit eum esse Christum eum fuisse [illegible]

a pluribus [illegible] Lucas[?] noluit ma-

lorum [illegible] est. Tertio resurgere

festinavit autem apostoli diffugerunt et inter

vivum positi [illegible] quasi sic coram omnibus

manifestavit ut non potuisset. Quarto

festinavit resurgere ut plangentes et geme-

tes apostoli consolaretur. Psalmus: Secundum multitudinem

dolorum et [illegible] [illegible] consolationes tuae.

Ad consolationem eius que lugentes in spe

et quia incipientium. Circa modicum tempus illius

tertia queritur. Primo quidem queritur quare

sola diebus xl discipulis apparuit. Dicendum quod tot dies

sufficiebant ad probandum quod non resurrexit.

xl. in horis dicitur mortuus fuit sed ab hora

undecima die veneris usque ad primam diei

dominicae quia non erat difficile credere eum resur-

rexisse. Ideo [illegible] horis mortis que de-

bent esse vivi sic vivus ut [illegible]

vivus credere. Actus: [illegible] primo [illegible]

post dies xl apparens eis. Secundo queritur

quare [illegible] dictis eorum [illegible] eis apostolis non

fuit quasi sed etiam tamen horis ille apparuit.

Dicendum quod quia non crediderunt apostoli quod a morte

adhuc vita foret et debitum esse quem sic

[illegible] passione. Tertio queritur quare modico

tempore eis stabat quod ille apparebat. Dicendum

quod si ideo ut magis accenderet in eorum

resurrectionis [illegible] delectatione magis desi-

derarent quod modico gustato statim subtraxit.

Unde duo discipuli euntes in Emaus cum eis

disparuisset dixerunt nonne cor

nostrum ardens erat dum loqueretur nobis in via

et aperiret nobis scripturas. Sic est [illegible] modica

hora invenit [illegible] tamen modicum [illegible]

invicem quid est hoc quod dicit nobis modicum

non videbitis me et iterum modicum et videbitis me
(quia obscure dixit)

quia vado ad patrem. Dicebant ergo quid

est hoc quod dicit nobis modicum nescimus quid

Modicum primum t[em]p[u]s vocat usque ad mortem passionis et clausionem in sepulchro. Et iterum secundum t[em]p[u]s est in tercio [die] quo clausum non videbor. Et iterum ... t[em]p[u]s ... xl dies quibus in resurrectione videbor. Quia vado ad patrem, quasi est t[em]p[u]s est ut deposita mortalitate levandus ad celos ascendam vel spiritualiter illis quibus loquebatur dicit: modicum et iam non videbitis me et non ... referatur quia vado ad patrem. Vel aliud iterum modicum et videbitis. Quod unicuique promittit ecclesie dicit. Hoc modicum non quia mortuum ab eis non erat videndum donec surgeret, sed quia cum vado ad patrem futurus erat non viderent eum ultimus mortalem quod fecit post quam surrexit apud dictum modico levaverunt ... Dicit alterum modicum, i[d est] toto t[em]p[or]e usque ad finem seculi, et videbitis me ... ascensionem.

Modicum dixerat superius modicum ad patrem vado et iam non videbitis ubi mensis est apte loquitur ut ... quieverunt nunc autem ... dominicas ... sit, i[d est] paulo post et quibus i[d est] passiones dicit modicum quod ... implerentur perceptum sunt obscur[um] et ideo quesierunt.

Modicum et non videbitis me etc. Non quod hic Christus an[te] corporalem p[rese]nciam discipulis suis fecit, sed nunc dicitur ... spiritualem subtrahendo aliquam gratiam suam et consolacionem spiritualem. Et hic pluribus dicitur ... ut illius de sua devocione quia ... hic confidat ... si haberet voluntatem forte ... hic esse ... voluntate sua quod et agit. Et hic probat quod ipse ... omnia in humilitate i[d est] in copia devocionis non invenit, sed abstrahat devocionem. Et quod non ab ipso sed a deo sit, dicit mox subtrahens, ... fecisti sicut dicit ... modicum ... tua anime et seris ... q[uasi] d[icat] quod ... in devocione ... voluntate tua ... i[d est] ... plag[a] ... in devocione.

Sed ut cognoscat homo quia ... est si gratia ... sicut est Job ... magna p[er]fecto et est sine ... cognovi. Certe ut homo timeat ne forte offendat deum p[er] aliquam culpam vel negligentiam ... ei subtrahat gratiam suam. Quod timens ... sit et cautior in s[er]vicio dei. Unde cum homo ... paciens ... ut homo se humilis sit in corde suo credens se indignum esse gratia dei, quia humiliter ... Deus superbis resistit, humilibus autem dat gratiam ... dignum ... +

est ut homines citius istius vite pericula et temptamenta
evadant. Tota enim vita presens temptacionibus periculis

laqueos temptacionis in omni creatura. Et quanto magis pro-
vocat dyabolum ad temptandum eo quod scit quod modicum
tempus est ante eum [illegible] magis eius.
Apoc. xii. Ve terre et mari quia descendit dyabolus ad vos
habens iram magnam, sciens quod modicum tempus habet.

esse vitam presentem ut homines ad se cito reducat,
quia eos diligit, ut dicit ipse eis [illegible].
Jo. xvii. Pater quos dedisti michi volo ut ubi ego

modicum esse tempus vite presentis ut homines modi-

laboravi et inveni michi multam requiem. Sex-
to dicitur modicum quia non sunt condigne passiones
huius temporis ad futuram gloriam que revelabitur in nobis

Vado ad eum qui me misit et ne-
mo ex vobis interrogat me quo vadis.
Jo. 16. Duo ut dicunt rethores sunt que
homines maxime afficiunt, ad amicos dilec-
tio et ad inimicos odio. Que ambo salvator in rece-
ssu suo discipulis demonstravit, committens
[illegible] amicos spiritualis intelligencia instruct[illegible]
[illegible] [illegible] [illegible] que mitis [illegible] demonst[illegible]
[illegible] quia apostoli tristes erant de recessu
ideo eis promittit spiritum sanctum consolatorem. Item quia
homines [illegible] non recipiunt ideo [illegible]
[illegible] [illegible]. Et cum venerit ille arguet mundum
[illegible] quia discipuli [illegible] comprehendere non poterant
ideo eis promittit spiritum sanctum instructorem [illegible] adhuc
multa etc. Circa primum [illegible] [illegible] [illegible]
[illegible] salvator denunciat apostolis suum rece-
ssum. Vado dicit vado [illegible] quia iam
[illegible] passione sua cum ita [illegible] [illegible]
iudeis [illegible] et tractabat cum iudeis
ut traderet cum illis et ipse [illegible] post modicum
tempus [illegible] fuit. Ad eum [illegible] [illegible]
[illegible] missio filii fuit [illegible] in
carnacione galat. 4. At ubi venit plenitudo
temporis misit deus unigenitum suum [illegible]
[illegible]. [illegible] triplici via salvator rece-
dit a nobis scilicet via passionis [illegible] et ascen-
sionis. Via quidem passionis fuit tristis et
amara plena doloribus [illegible]
[illegible] [illegible] et tedere [illegible] [illegible]
est anima mea usque ad mortem. Via [illegible]
[illegible] fuit dulcis et iocunda plena delicijs
[illegible] letatum est cor meum et exultavit lingua mea
[illegible] caro mea requiescet in spe [illegible]
derelinques animam meam in inferno [illegible]
[illegible] corruptionem [illegible]
adimplebis me leticia cum vultu tuo. Via vero ascen-
sionis fuit mira gloriosa plena delicijs.
[illegible] admirabilis [illegible]
[illegible] elevata [illegible]
[illegible] potuit [illegible]
[illegible]
non est [illegible] distat [illegible]
[illegible] fuit [illegible]
[illegible]
[illegible] sicut filius fuit mi-
ssus [illegible] Jo. 8. Qui me misit mecum est. Ita
ipse filius [illegible] a nobis [illegible]
[illegible] fuit [illegible] filius non distans
a patre [illegible] ubique [illegible] distaret.

[illegible]

Sed tamen considerandum est quod aliqua in missione
non requiritur distancia missi a mittente ut
cum aliquis fiat a mittente [illegible]
[illegible] [illegible] [illegible] [illegible] [illegible]
[illegible] qua missus mittitur fuit distancia
filij a patre [illegible] [illegible]
Sed recedit filius a nobis non quod [illegible]
[illegible] [illegible] distat a nobis [illegible]
[illegible] [illegible] modo recedit [illegible]
[illegible] passione [illegible] vita [illegible]

stat [illegible] [illegible] [illegible] [illegible]

Circa [illegible] [illegible] [illegible] [illegible]
filioli adhuc modicum vobiscum sum
queretis me et sicut dixi iudeis quo ego
vado vos non potestis venire. Et [illegible]

[illegible] Jo 16 [illegible]

Iohis xvi° c°

Hec aut vob ab initio no dixi quia vobiscum eram. Et nunc vado ad eum qui misit me et nemo ex vob interrogat me quo vadis. Sed quia hec locutus sum vob tristicia implevit cor vestrum. Sed ego veritate dico vobis expedit vob ut ego vadam. Si enim no abiero paraclitus no veniet ad vos. Si aut abiero mittam eum ad vos. Et cu venerit ille arguet mundum de pecco et de iusticia et de iudicio.

[illegible]

arguet quos comparat quod dixit quod arguit et [illegible] quia sicut in veniente [illegible] inveniet [illegible] tota remittuntur.

De peccato quidem quia non crediderunt in me. De iustitia
quia licet non videbitis [illegible] cum Stephanus postea viderunt eum sed iam clarum

vero quia ad Patrem vado et iam non videbitis me
quia futurus [illegible] quia foris [illegible] videtis [illegible] resurrectionis

De iudicio autem quia princeps huius mundi iam iudi-
quia qui [illegible] est [illegible]

catus est. Adhuc multa habeo vobis dicere sed non
quia non [illegible] venit [illegible]

potestis portare modo. Cum autem venerit ille
[illegible]
quia [illegible] docebit omnem veritatem ut [illegible] salutem necessariam

Spiritus veritatis docebit vos omnem veritatem.
quia non est a semetipso [illegible]

Non enim loquetur a semetipso sed quaecumque audiet
quia non potest futura [illegible] sed magis [illegible] quorum amore inflammat

et loquetur et quae ventura sunt annuntiabit vobis
Et [illegible] dicta [illegible] apostolica [illegible] communicatione [illegible]

Aug. Arguitur de peccato qui in Christum non credunt et arguitur de iustitia eorum qui credunt [illegible] fidelium comparatione infidelium et in[illegible] credunt quod bonus [illegible] arguunt de peccato infidelitatis ipsos omnia tenentur [illegible] fidelium [illegible] arguunt de iustitia eorum [illegible] iustificati non imitantur [illegible] futurum iudicium [illegible] iudicantur [illegible] quae iudicata imitantur.

De iudicio quia [illegible] damnatum illum [illegible] ad eos [illegible] imputant et [illegible] credunt paratum [illegible] supplicio illius [illegible]

De iustitia non quia [illegible] arguunt [illegible] damnatur [illegible] non autem videbunt me [illegible] sed non videbitis me [illegible] infideles qui dicunt quod credimus quod non videmus [illegible] vera iustitia credere quod non videtur [illegible] viderunt hominem crediderunt deum et in [illegible] hominis [illegible] tunc [illegible]

Iustus ex fide vivit et iam non videbitis me [illegible] videbitis me [illegible] in mortalem [illegible] glorificatum [illegible] iustitia fidei [illegible] apostolis [illegible] hominem [illegible] sed iam non [illegible] absit non [illegible] arguitur.

[illegible] dixit [illegible] spiritus [illegible] qui loquitur in vobis et [illegible] filii [illegible] non est ita [illegible] patris et filii [illegible] spiritus.

Omnem veritatem [illegible] non [illegible] totum [illegible]

[illegible] de iustitia quia ad Patrem vado et non videbitis me quia [illegible] iustitia [illegible] fide vivit sed non videt quod credit

Adhuc multa habeo vobis dicere [illegible] ceremoniis et observantia non [illegible] et apostolorum [illegible] apostolorum [illegible] Spiritu Sancto [illegible] Spiritu Sancto [illegible] blasphemiis [illegible] [illegible] et observant [illegible] non [illegible] observant [illegible] Spiritus doceat [illegible]

Et quecumque audiet loquetur

De meo accipiet. Et una non est principium quia pater solus de alio non est nam et filius de patre natus est et spiritus de patre procedit et tam filius et spiritus equalis est patri. Et quecumque audiet loquetur audiet ab eo a quo procedit audire illius est scire id est et ex quo procedit et illi essentia ab illo audientia id est scientia que non est aliud quam essentia et cum dicitur sempiterna ipse dicatur est. Sicut nos hic dicimus fuit et erit quod sempiternum est non preteriit quia quod non manet non oritur est. Sicut non erat cum ergo inter locutus est tempora narretur. Deus nec dum illa cum habet temporis qui in nullo tempore defuit nec desit nec deerit et ideo non mirum si audiet dixit deus quod cum dixit et audiet et audit id est semper sciuit et sciet.

Ille me clarificabit spiritualis nos faciendo. Declarabit quomodo pater filius est equalis quem in carne ut hominem cognouerant. Vel timorem tollendo faciet nos gentem mea annunciare toto mundo que minus in hominibus fecit.

Illo ideo dico de meo accipiet quod de me natus intelligatur spiritus sicut ego de patre ego mea doctrina est quia de eo procedens spiritus de quo ego genitus.

Ille me clarificabit quia de meo accipiet et annunciabit vobis. Omnia quecumque habet pater mea sunt.

Propterea dixi vobis quia de meo accipiet et annunciabit vobis.

De meo accipiet. Non quod ipse sit minor filio. Vnde ut sic dicat exponat omnia quecumque habet pater mea sunt. Propterea dixi quia de meo accipiet id est de patre accipit spiritus vnde accipit filius qui in hac trinitate de patre natus est filius de patre procedit spiritus qui autem de nullo est natus de nullo procedit pater solus est.

Principio a quo ego

Principio a quo ego

ut quemque eos vocabit vocabit [illegible] a passione
facie deo [illegible] implebat cor eorum tristitia. magna
tu omnia ista passuri erant sed cum ipse eis con-
solabatur et ab [illegible] putabat se abesse. 3º ponit utili-
tas recessus sui. Sed ego qui sum veritas. Verita-
tem dico vobis non [illegible] vacua q.d. [illegible]
Et similiter [illegible] quod vos audire [illegible]
[illegible] cum meum vobis [illegible] et manere vobiscum
non est vobis utile [illegible]. Si enim non ab-
iero paraclitus non veniet ad vos [illegible]
[illegible] consolator et est spiritus sanctus qui venit per
benignitatem consolari [illegible] portas. [illegible]
[illegible] erant passuri [illegible] magis
[illegible] spiritus sanctus ad vos non

mitti vobis spiritus sanctus [illegible] vos [illegible]
et proximi [illegible] spiritus sanctus amor est quo deum

cum carnali et sensibili amore [illegible] vero

[illegible] amor [illegible] ut

[illegible] et intelligibilis amor est. Si autem
abiero mittam eum ad vos ut consolet vos
in tribulationibus quas passuri estis et dabit
[illegible] vocat [illegible]
[illegible] sicut [illegible] augustinus [illegible]
[illegible] quia non erant capaces [illegible]
[illegible] quia [illegible] in carne videbat apostolos.
Sequitur et cum venerit ille [illegible]
S[illegible] [illegible] spiritus sanctus
a deo [illegible] in [illegible] mundus
arguendus est. Et cum venerit ille spiritus paraclitus
qui benignus est [illegible] austerus
[illegible] arguet [illegible] apostolorum [illegible]
[illegible] et doctorum [illegible] non vos
estis qui loquimini sed spiritus patris vestri qui loquitur in vobis.
[illegible] loquebantur variis linguis prout spiritus
sanctus dabat eloqui illis. Mundum id est homines
mundanos mundi amatores de peccato de
iustitia et de iudicio. [illegible] in [illegible] de quibus
mundus dignus est argui. Arguitur [illegible]
[illegible] et [illegible]
[illegible] iustitia [illegible] et iudicium
iudicium [illegible] tribus modis [illegible]
[illegible] et [illegible]
[illegible] homines non [illegible]
[illegible] non [illegible]
[illegible] non [illegible]
arguitur [illegible] Alios [illegible]

[illegible] tribus [illegible] non
[illegible] non [illegible] arguitur de iustitia
[illegible] mala [illegible] et bona opera [illegible]
[illegible] Si qui [illegible] non
[illegible] mala agunt arguuntur de iudicio
3º explicat singillatim quomodo [illegible] tribus argu-
endus sit mundus. De peccato quidem arguetur
mundus quia iudei homines non crediderunt
in me. Sed ut dicit augustinus [illegible]
ce et [illegible] non credere in [illegible] [illegible] in [illegible]
qui [illegible] et diligit [illegible]
peccatis [illegible] ut dicit augustinus [illegible]
[illegible] detinentur peccata et [illegible]
[illegible] Unde [illegible] multo [illegible]
arguuntur quia in [illegible] non credebant. Arguuntur [illegible]
[illegible] arguuntur [illegible]
[illegible] apostolorum [illegible] in [illegible]
tot et tanta [illegible] miracula [illegible]
[illegible] arguuntur quia [illegible] non crediderunt. Johannes primo
in mundo erat et mundus per ipsum factus est et mundus eum
non cognovit. Ecce magna cecitas quia mundus
non cognovit suum [illegible] non cognovit eum
qui in [illegible] erat [illegible]
[illegible] ut dicit [illegible] spiritus [illegible]
[illegible] [illegible]
Sed [illegible] dei filius ut cognosceretur [illegible]
[illegible] opera [illegible] illuminat cecos
sanat infirmos mundat leprosos suscitat
mortuos et innumerabilia alia opera fecit
que nullus alius facere potuit. [illegible] multo
arguuntur quia non crediderunt in eum. Johannes xv
Si opera non fecissem in eis que nemo alius fecit
peccatum non haberent. Nunc autem [illegible] non habent
de peccato suo. Non potest excusare se gentiles
qui opera [illegible] i. [illegible]
[illegible] apostolorum et [illegible]
Deinde explicat quomodo sit arguendus
de iustitia. De iustitia vero arguetur mundus quia
ad patrem vado et iam non videbitis me.
[illegible] modis potest intelligi. Primo secundum
augustinum quia iustitia [illegible] quia [illegible]
qui non [illegible] fideles [illegible] iusti [illegible]
[illegible] iustificantur [illegible]
[illegible] operibus legis [illegible] iusti [illegible]
[illegible] deo et reputatur [illegible] ad iustitiam
[illegible] iustitia [illegible] fidelium
[illegible] multo arguuntur mundus [illegible] fidelibus
[illegible] in eum qui non viderunt [illegible]
[illegible] infideles [illegible]
Alios exponit Crisostomus [illegible] filius non
[illegible] fuit [illegible]
[illegible] agere [illegible]
[illegible] iustitiam [illegible] tertio [illegible]

docet vos implere omnem iusticiam. Arguendo ergo
erunt quidam homines qui sunt etiam iusticiam
Christo dixerunt hic ipso presente et non est ei
homo nobis. Item alio modo possumus intelligi quod ar-
guetur mundus de iusticia quia non fuerunt dato
suis moribus de cuius ire ... [illegible]
[illegible] et non est impius ultimus. Item ar-
[illegible] de quo mundus in modo sumatur
iusticia [illegible] cum quod alter supplantat
alterum per iusticiam [illegible] et tollit
iusticiam alterius qui patitur iniuriam. Et
[illegible] parte passa iusticia [illegible]
[illegible] non contingit quod [illegible] alterum

[illegible] homines [illegible] aliquid

[illegible] celestia diligunt. Ideo mundus
arguitur de iusticia quia fuerunt [illegible]
[illegible] sursum est querite non que super terram.
Item exemplo sunt ita ut sic intelligi [illegible] cum
mundus de iusticia quod [illegible] de iusticie
[illegible] et iusticia Christi. Item cum [illegible]
[illegible] applicat [illegible] arguendo sit
mundus de iudicio. De iudicio autem arguet
[illegible] mundi princeps huius mundi iam
[illegible] dyabolus qui dicitur princeps est [illegible]
[illegible] in homines et angelos sugge-
stione sua [illegible] cauda eius
trahebat terciam partem stellarum celi et misit
eas in terram. Iam iudicatus est. Tunc
iudicatus est dyabolus [illegible]
[illegible] et nunc [illegible] iudicatus
est dyabolus [illegible] in eo salvatorem quem
[illegible] morte eius [illegible]
erat. Item [illegible] de [illegible]
[illegible] dyabolus
iam iudicatus est ut non sit amplius mundi
princeps. Item [illegible] princeps huius
mundi [illegible] est iudicio [illegible]
[illegible] estimatus [illegible] princeps
huius mundi estimatus et [illegible] et iudicatus
in eo salvatorem [illegible] est [illegible]
quam [illegible] homines qui Christum [illegible]
iudicabitur [illegible]. Item princeps mundi [illegible]
iudicio [illegible] homines argumen-
[illegible] qui ea [illegible]
[illegible] principem. Item si princeps mundi
[illegible] multis annis mun-
[illegible] qui cum [illegible] argui-
[illegible] ita de iudicio terribile non timet [illegible]
[illegible] cum [illegible] angelis peccantibus

[illegible] iudicium [illegible]
[illegible] terribile est ut non [illegible]

maiores hominibus illud portare non poterunt [illegible]
Tercio cum dicit Adhuc multa habeo vobis [illegible]
discipulorum instructio [illegible]
[illegible] Primo cum tangitur discipulorum [illegible]
ad accipienda verba Christi. Adhuc multa habeo vobis
dicere. [illegible] est [illegible] Sed non po-
testis portare modo. [illegible] ut dicit Augustinus
quod omnis veritas [illegible] non cognosci-
tur [illegible] quod [illegible] cognoscimus [illegible]
[illegible] quod [illegible] non possumus
portare [illegible] multa [illegible]
[illegible] facere [illegible]
[illegible] quod multa habebat [illegible] apostolis
dicere [illegible] declarando [illegible]
[illegible] postea cognovit [illegible]
[illegible] doctrina spiritus sancti. Cum autem venerit
ille spiritus veritatis. [illegible] spiritus veritatis quod
[illegible] apostolis [illegible] est. Item quod [illegible]
veritas [illegible] est omnis veritas
[illegible] veritas [illegible] dicatur [illegible]
[illegible] est docebit vos omnem veritatem [illegible]
[illegible] alia [illegible] ducet vos in omnem verita-
tem [illegible] veritate [illegible] spiritus sanctus et
in omnem veritatem deducet [illegible] utilis [illegible]
salutis [illegible] sancta [illegible]
[illegible] deducet
in omnem veritatem in futura vita ubi tota veritas
replebit intellectum [illegible]
spiritus omnem [illegible] veritatem. Non enim loquetur
a semetipso. [illegible] dicit Augustinus [illegible]
non est accipiendum [illegible] nostra [illegible]
[illegible] intellectum [illegible] corporalem [illegible]
[illegible] dicit Augustinus loquitur spiritus sanctus [illegible]
non est spiritus sanctus a semetipso [illegible]
et filio [illegible] a semetipso non loquitur. Sed que-
cumque audiet loquetur. [illegible] Augustinus [illegible]
audire [illegible] origo [illegible] sit
[illegible] significatur [illegible] futuro
quod omni tempore est [illegible] origo [illegible]
istius originis futura erat magnitudine [illegible]
et [illegible] quod [illegible] spiritus sanctus non
loquitur a semetipso quod a semetipso non est [illegible]
quecumque audiet. Quod audivit ab alio est [illegible]
[illegible] homines a semetipsis non loquuntur [illegible]
[illegible] instinctu spiritus sancti [illegible] repleti
sunt omnes spiritu sancto et loquebantur [illegible]
spiritus dabat eloqui illis. [illegible] futurorum
[illegible] ut dicit [illegible]
[illegible] discipulorum quod [illegible] est [illegible]
[illegible] futura. Et que ventura
sunt annunciabit vobis. [illegible] adimpletum
[illegible] novi et veteris testamenti [illegible]
[illegible] futura annunciavit et [illegible] futura [illegible]
[illegible] apostoli et [illegible]

confessione nominis Christi. Tertio narrato per Christum clarificatio
Ille me clarificabit. Ille apostolos clarificat qui

Amen amen dico vobis si quid petieritis

patrem in nomine meo dabit vobis. Usque modo

non petistis quicquam in nomine meo. Petite et

accipietis ut gaudium vestrum sit plenum. Hec in

proverbiis locutus sum vobis. Venit hora cum iam non

in proverbiis loquar vobis sed palam de patre meo annunciabo

vobis. Illo die petetis in nomine meo et

non dico vobis quia ego rogabo patrem de vobis.

[illegible]

Videtis ita exaltabimini. Ipse inde patet

Amat nos quia primo nos amavit et filium cum ipse caritas sit nos acceperimus ut amaremus. Gratia a filio data caritate qua ipsum amamus ab ipso patre et filio priore amore facit in nobis quod amemus. [illegible]

Ipse enim pater amat vos quia vos me amastis et credidistis. scilicet ea quae sunt ipsius ita ut non sit deserendum.

Non est opus tibi ut quis te interroget aliquid. Non est opus ut interrogetur aliquid quia quod vult interrogans scit. Sed aliis opus fuit.

et credidistis quia ego a deo exivi. scilicet a patre et veni in invisibilis corporali expressione non ambulatione per [illegible]

Iterum relinquo mundum. Relinquit mundum corporali presentia vadit ad patrem qua sedet ad dexteram patris. Reliquit autem quia ab aspectu amatorum suorum quod videbant abstulit reddit ad patrem quia datoribus suis se per spiritualem credentiam dedit.

mundum et iterum relinquo mundum et vado ad patrem. palam loqui estimant eum et ipse quod inquirunt aut comprehendere misteria

In hoc credimus quia a deo existi. In hoc creaverunt quod ad malum ut ostendit ut ex dixerit a deo existi dicat quia mecum est. ne sit quod tenent a deo exisse ut putaret esse recessisse.

Dicunt ei discipuli eius: quia quod volebant ab eo interrogare et aliis [illegible]

Ecce nunc palam loqueris docent qui cum sponte dixit sciens quod quesitum volebant aliis opus est interrogari quia alia inquirerent quod querere volet.

Ecce nunc palam loqueris. Respondit quia loqueris Ihesus de quibus eum interrogabat quia illos delectabat audire et que ipsi interrogare volebant sed ipse preveniens ultro respondebat. Videtis ideo quia cogitationes novit omnia scire omnia quia deus et dei filius.

et proverbium nullum dicis. Nunc scimus quia scis omnia et ego scis omnia

non est opus tibi ut quis interroget te. In hoc credimus quia a deo existi. ut primo

Respondit eis Ihesus: modo creditis. ut primo quam quecumque alta dicta loquitur sunt pueri audiunt sed veniet hora passionis et tam ipse in qua ita perturbamini ut quod modo creditis declinabatis non modo corpore sed et mente fide. Unde et vos scandalizabimini in me in hac nocte.

Respondit eis Ihesus: modo creditis. que et tamen.

Ecce venit hora et iam venit ut dispergamini

ut dicitur Jo. xv. Ille dedit testimonium Christo quod esset dei
filius. Ipso in nomine eius baptizato spiritus sanctus. Secundo per
apostolorum testimonium. Et vos testimonium perhibe-
bitis quia ab initio mecum estis. Jo. xv. Erant enim te-
stes videntes omnium que Christus fecerat. Quia ab initio se-
cum erant docente eo fuerunt. Doctrinam eius
audientes et miracula conspicientes. 1 Jo. primo. Quod
fuit ab initio quod audivimus et vidimus et manus
nostre contrectaverunt de verbo vite hoc annunciamus vobis.
Considerandum est quibus testimoniis fides nostra que
de Christo est fuit confirmata. Primo enim perhi-
1 buit testimonium deus pater baptizato Christo et in
transfiguratione dicens Mt. xvii. Hic est filius meus
dilectus in quo mihi bene complacui ipsum audite. Et
Jo. v. Testimonium dei maius est quod testificatus
2 est nobis de filio suo. Item testimonium perhibuit
spiritus sanctus quando sicut columba mansit super eum
Jo. v. Spiritus est qui testificatur quoniam Christus est veritas.
3 Item ipse eciam filius dedit testimonium de seipso verbo et ope-
re. Verbo quidem Jo. viii. Ego sum qui testimonium perhibeo de
meipso et testimonium meum verum est quia scio unde veni.
Opere eciam dedit testimonium de seipso Jo. x. Opera que
ego facio in nomine patris mei hec testimonium perhibent
de me. Isti sunt tres divine persone perhibentes te-
stimonium fidei nostre dicente super Jo. v. Tres sunt qui
testimonium dant in celo pater verbum et spiritus sanctus et
4 hii tres unum sunt. Item omnes angeli spiritus dede-
runt testimonium. Luce ii. cum nato fuit cum multitudine
5 celestis exercitus laudantium deum. Luce 2o. Item celi
luminaria que eo moriente obscurata sunt et terra
que tremuit. Quod testimonium et iudeos adducatur.
Deutro 30. Testes invoco hodie celum et
6 terram. Item mare et aera quia venti et mare ei obe-
7 diunt Mt. viii. Item perhibuit testimonium scriptura
Jo. v. Scrutamini scripturas et ille sunt que testimonium
perhibent de me. Item omnes patriarche et prophe-
8 te [illegible] sunt prenunciantes que in ipso
fuerunt passiones et [illegible]. Item electi
9 dicuntur apostoli et qui post eos fuerunt nostre fidei
perhibent testimonium Luce 24. Vos estis testes horum.
Testimonium fidei apostolos sunt denunciaturi cum
efficacibus [illegible] fide ubique testificati sunt.
Act. primo. Eritis mihi testes in Ierusalem in omni Iudea et
et Samaria et usque ad ultimum terre. [illegible]
[illegible] [illegible] que in [illegible] fidei et
[illegible]. Item eorum testimonium confirmatum fuit signis
et miraculis. Marci 16. Predicaverunt ubique domino
cooperante et sermonem confirmante sequentibus signis.
Hebr. ii. Cum initium accepisset enarrari per dominum
ab eis qui audierunt in nos confirmata est contestan-
te deo signis et prodigiis potentissimis et va-
riis virtutibus. Item eorum testimonium fuit approbatum per
vitam apostolorum. 2 Cor. [illegible] conversationem [illegible]

Sabbato post penthecost

Si quis diligit me sermonem meum servabit etc. Jo[hannis] xiiii. Nullus [illegible] peccator [illegible] spiritus sanctus igne caritatis lingua [illegible] hodierna die [illegible] apostolis [illegible] linguis [illegible] apparuerunt dispertite lingue tamquam ignis [illegible] super singulos eorum et repleti sunt omnes spiritu sancto et ceperunt loqui [illegible] ut spiritus sanctus dabat eloqui illis [illegible] in vanum laborat [illegible] audientium [illegible] magister [illegible] doctoris [illegible] intelligit [illegible] lingua in vanum laborat [illegible] magistro [illegible] creator [illegible] tante solempnitatis et [illegible] auctore [illegible] salutem [illegible] postulamus [illegible]

Si quis diligit me etc. Distinccio prima. [illegible] ut dicit Aug[ustinus] [illegible] duas civitates [illegible] faciunt amores [illegible] amor dei et Babiloniam amor [illegible] amor [illegible] quis amet

et inveniet. Unde sicut amicus Salvator noster in Iohannis
[illegible] fecit amicus suos celestis patris secundum illud Iohannis
[illegible] divinum amorem, qui est sicut ignis incendit
[illegible] ardentem, quod ardentes amore licet
[illegible] sapientie amicus illum amicus efficiunt
[illegible] inspirata eius quod intus patris divina
[illegible] vocatur ille aliquis. Sicut spiritus illius
[illegible] sua presencia. Secundo quia dulcius
[illegible] solatur mestos de Christi absencia
[illegible] Tercio quia sanat eius
[illegible] et complevit patris obedienciam
[illegible] multa loquar nobiscum. Tercio i[n] corpore
[illegible] incordia proximi in pacem
[illegible] Sicut ergo fiat in nobis preci-
[illegible] est Si quis diligit me, dili-
[illegible] deus. Sed queritur a quo dicit Bernardus hic
[illegible] Ille magnus amor audire quare et
[illegible] diligendo est deus et ego dicam nobis
causa diligendi deum deus est modus non
sine modo diligere. Quod duplici nos causa [illegible]
Sic ipsum diligendus est. Primo quia ipse nos
[illegible] amat proveniens nos amando quia
creavit nos dedit corpus nobile, animam non [illegible]
nat et protegit, ita quod amicus est sicut dilectus meus
ut filius sive vinculum dans in morte probat
[illegible] quod amare sit amante ut Augustinus libro
de cathegorizandis rudibus capitulo 2. Nulla maior
est [illegible] in vitam quam prevenire amando
et nimis durus est animus qui dilectionem si nole-
bat impendere nolit rependere. Alia causa di-
ligendi est [illegible] quia nihil amare fructuosius
nihil [illegible]. Secundo Bernardus super Cantica
Amicus est deus in omnibus qui non vocat alium
[illegible] quia inclinatus se dedit in multiplici
[illegible] in [illegible] se opponit in refectione alia
[illegible] modus diligendi deum sine modo [illegible]
[illegible] dilectio que tendit in deum
tendat in [illegible] tendat in infinitum ita in-
finitus est deus, et in [illegible] quia ita quod se dat
[illegible] et modus amandi. Comprehendendum
est ut dicit Bernardus [illegible] de dilectione dei quatuor dili-
gendi deum esse sunt gradus. Primus est quo homo di-
ligit [illegible] homo [illegible] preveniente
amicicia amore quod ille qui nullum nisi se
ipsum diligebat. Sed attendit quod ipse non su-
fficiat in necessitatibus nisi deo et per ipso incipit deum
diligere [illegible] deus ad quem gradum venit
homo considerans in necessitatibus ad deum [illegible]
sit liberat sola ipsius benignitate et nullus [illegible]
[illegible] Tercio et si [illegible] [illegible] conjuncta
tanta ipsius bonitate, sit diligat deum [illegible] com-
[illegible] et [illegible] ipsum deum et [illegible] gradu
[illegible] primo. Secundus gradus est totus [illegible]
[illegible] Tercius gradus amoris est [illegible] nos diligit
deum [illegible] solum. Iste amor verus est [illegible]
castus et [illegible] non querit que sua sunt [illegible]
[illegible] gradum [illegible] quod deum [illegible]

racionem ad deum [illegible] ipsius necessitatibus
gustatur et quam suavis est dominus. Ita potuit magis
alliciat ad illum amorem gustata suavitas
quam urgens necessitas. Unde tunc diligit deum
quia bonus [illegible] non quia bonus diligenti. Quartus
gradus amoris est [illegible] [illegible] diligit
deum sic amor est [illegible] Felix qui meru-
it adhuc pertingere gradum ut animus
[illegible] amore [illegible]
[illegible] totus pergat in deum et ad-
herens deo unus cum eo spiritus fiat [illegible]
cum [illegible] qui non sit [illegible]
[illegible] celestis est [illegible]
[illegible] non [illegible] Sic est amor [illegible] castus
[illegible] et suavis affectus [illegible] et [illegible]
tanto [illegible] non est [illegible] totus
[illegible] est [illegible] sit [illegible] est
Sunt amoris gradus [illegible]
et raptum [illegible] sunt [illegible]
[illegible] Sed [illegible] quibus [illegible] sit iste
amor qui sit [illegible] nos rapiunt ad diligendum
deum. Iste enim amor [illegible]
[illegible] Augustinus [illegible] Deus [illegible]
[illegible] qui procedit [illegible] cum datus fuit [illegible]
[illegible] nos diligendum deum et proximum
et ipse dilectus est [illegible] Ad Romanos 5 caritas
dei diffusa est in cordibus nostris per spiritum sanctum
qui datus est nobis. [illegible] amor [illegible]
[illegible] nec [illegible] diligit [illegible]
[illegible] qui [illegible] fugit amor [illegible]
[illegible] et [illegible] et [illegible] et a quo [illegible]
[illegible] Iste deus non est deus [illegible]
quod [illegible] demonia et [illegible]
[illegible] in eos amores turpissimos qui non sunt
amores sed morte [illegible] Sunt enim in
[illegible] [illegible] malos [illegible]
[illegible] sunt [illegible] ut [illegible] perpetuat [illegible]
[illegible] et nota. Iste deus
amoris [illegible] Sampsonem. decipit
[illegible] Salomonem infatuavit. Et [illegible]
[illegible] Salomonem [illegible] amorem
[illegible] laudare [illegible]
[illegible] faciant sicut [illegible] Salomonem adorant
[illegible] symbolorum [illegible]
[illegible] et [illegible] moabytarum.
Iste deus amoris fecit [illegible] ante
Babylonie [illegible] suos [illegible]
[illegible] est vita istius amoris quod fugitur.
Sed divinus amor qui sanctus [illegible] spi-
ritualis et deus est [illegible] in illum [illegible]
[illegible] Tercio [illegible]
[illegible] effectus [illegible] dilectionis
[illegible] est [illegible] de [illegible]
[illegible] diligens [illegible] Sermonem meum servabit
[illegible] ut dicit Augustinus [illegible]
[illegible] Iohannis 14 [illegible]
ille est qui diligit me. Nam ut dicit [illegible]

[illegible] amore [illegible]
[illegible]
[illegible]

Probacio dilectionis est exhibicio operis unde
Gregorius nunquam est amor dei ociosus. operatur enim magna
si est. Si vero operari renuit amor non est. Cantica
deinde est fortis ut mors dilectio quia ut difficile videtur
amanti nec pericula nec pene nec mortis tor-
menta impediunt. Nichil est quod non tollerat qui
perfecte diligit. Et petrus ravenensis. Nil durum
nil amarum nil grave nil letale computat amor
nam quid ferrum que vulnera que pene que mor-
tes amori prevalent. Perfectum superare amor
inpenetrabilis est lorica repellit iacula gladios
respuit pericula insultat morte. Unde vincit si a-
mor est. Timeat bona. Nos qui Christi sponsio-
ne servant timoris quia nos spes invitas
nos nos diligere mandata cum presumimus
facit firmus timoris contrarius metus sed filius ti-
mere. Secunda quod faciunt precepta de timore
pene inferni et pene inferni ut dicit Augusti-
nus de caritate xii. Isti sunt incipientes qui timore
incipiunt deo servire. Item nos spes mercedis sunt
mercenarii ut facit caritatis quia ut dicit
Augustinus de diligendo deo. Sed primo diligitur
deus sed absque premii intuitu diligendus est. Nec
enim cum amore pro eo contentus est et nequam uxor
hominis non querent sed mercedem. Ille non qui sola
dilectione servat dei mandata. Sunt timore et filii dei
incipientes tamen dilectione perfecti ut dicit Augustinus
de caritate xii. Et sic impleme potest
dei tamen dilectione offendere verentur. Qui et si
non penas non timet deo dei diligens
timet. Sed ambulans in medio umbre mortis
Beatus est filius dilectus est. Si est filius
dei est qui deum diligendo illud diligitur
unde dicit Et pater meus diligit eum. Item
diligit pater quia et filius diligat. Iohannes xiv. Qui
diligit me diligetur a patre meo et ego diligam
eum. Diligit est spiritus sanctus qui amor est diligen-
tes patrem et filium quia amor diligit na-
tura incomparabiliter amantibus. Ideo per
amorem sic amat amatos faciat ideo cum
spiritus sanctus diligimus filium et quo pater et filius
illos diligit. Tercio quia consequitur ex dilectione
est veritas dicitur in libro vi dicit Et ad eum
veniemus et mansionem ut dicit Augustinus Amor trans-
format amantem in amatum. Propterea dei dile-
ctione in ipsam dilectum qui deus est transformantur
velut contrarios non passibilis est quia dilectio est
sed attrahit incipiunt ut dicit Augustinus Et ideo qui nos
diligit deus non quidem transfert in nos sed trans-
formatos nos non recipit unde Augustinus Veniunt
inquit ad nos dum venimus ad eos veniunt
subveniendo venimus obediendo veniunt illu-
minando venimus intuendo veniunt implendo
nos venimus capiendo. Item veniunt pater et filius
sine spiritu sancto. Non veniunt amatos in
[illegible] et quoniam est infinitus amatus et
eo sunt adiectum dicitur ut pariat [illegible]
in sola dei dilectione quia capacitas facit magis [illegible]

Insuper diuitias dentes et spiritum et mansionem
quod consequitur ex dei dilectione est habitacio divini
[illegible] sed permanens in nobis quas ut felix [illegible]
tum esse potest quia est [illegible] [illegible] [illegible]
[illegible] [illegible] [illegible] [illegible] [illegible]
est ymagine [illegible] spiritualis [illegible] [illegible]
et mansionem apud eum faciemus. Qui diligit
et servat mandata faciemus [illegible] filius [illegible]
vel dicitur secundo Iohannes xiv. Aliud [illegible] habet [illegible]
ut maneat vobiscum in eternum [illegible] [illegible] que
mundus non potest accipere. Secundum ut [illegible]
corda velut civitates quas [illegible] [illegible]
reparantur. Sed non manens quia temptaciones [illegible]
quod accipiunt absumpserunt et abs[illegible]
peccata mortalia non quia non diligit [illegible]
ut maneat quia sic diuitias amor [illegible]
animus ut absque amore nullo temptacionis
impetu vincatur. Quarto quia nunquam plus dilec-
cionem servat mandata unde dicit Qui non diligit me ser-
mones meos non servat. Inpossibile est cum ut
caritatis precepta servare et datur quia aliquis
videtur omnia implere mandata sed tamen dilectionem non di-
ligit. Et totius legis transgressor quia diligit deum
ex toto corde et proximum et maius in mandatis quae
vincula eos perficit et perfecte quia non diligit omnia
dei mandata servat ut dicit Augustinus de laude
caritatis. Quarto quia sit sermonem que [illegible] obser-
vare quia est mandatum ipsius dei. Et sermonem
quem audistis non est meus sed eius qui misit
me patris. Item Iohannes xiv. Diligit servatum [illegible]
mecum quia sermo iste patris est Iohannes xii. Dicit
ego non loquor. Et Iohannes vii. Mea doctrina non est
mea sed eius qui misit me. Sed cum utrum ut dicit Augustinus
intelligi voluit quia non sum sed patris est. Unde quis
non sua ymago sed patris. Nam deus et filius sed
patris quia actor verbum quod ipse equale [illegible] equaliter
quia est [illegible] ille equalis indifferencia
Ideo promittit spiritum sanctum in expedicione mea virtutes
cum sanctificatus Iohannes xvii. Pater sanctifica eos in veritate
Sermo tuus veritas est. Unde dicit Hec locutus sum
apud vos manens corporali presencia. Alia ut
dicit Augustinus alia est mansio quam promittit futura
alia quam ad tempus presens [illegible] [illegible] spiritualiter
que cum patre et spiritu sancto [illegible] [illegible] spiritualiter
inhabitat. Secunda non est quod illud locutus fuerat
[illegible] erant. Ideo eis spiritum sanctum promittit tanquam
consolatorem doctorem. Unde Paraclitus autem spiritus sanctus
Paraclitus vero grece latine dicitur advocatus
vel consolator ut dicit Gregorius et utroque nomine quia cum spiritu
sancto advocatus non est quia peccatorum delinquentibus
apud misericordiam patris interpellat pro eos quos replevit
orantes facit. Romanos viii. Ipse spiritus postulat pro nobis
gemitibus inenarrabilibus. Item consolator est quia
de peccatis perpetratis merentibus dum parat spem
venie ab afflictione tristicie mentem levat. Unde
cantat ecclesia consolator optime dulcis hospes
anime dulce refrigerium consolator inquies
in estu temperies in fletu solacium. Item xiiii. spiritus sanctus

Dicitur spiritus sanctus et spiritus vero spiritus quia dicitur [illegible] omne cum vivit vivens spiritus iste non spiritus
[illegible] voluntas et vita Jo. vi. spiritus est qui vivificat vos
[illegible] in morte [illegible] caritas amor [illegible]
[illegible] corporum [illegible] spiritus vita
[illegible] spiritus [illegible] amoris amor cum [illegible]
[illegible] pertingit amor [illegible] spiritus [illegible]
[illegible] spiritus est tante virtutis ut eo
[illegible] data per [illegible] spiritus tam
[illegible] virtute [illegible] constituit [illegible]
[illegible] spiritus est et eos [illegible] dicitur
[illegible] Jo. vii. donum dei est spiritus
[illegible] et fortitudinis spiritus [illegible]
[illegible] timoris domini quia septem dona [illegible]
[illegible] ut dicitur [illegible] timor dei fac
[illegible] studium [illegible] fortitudo [illegible]
[illegible] intellectus [illegible] apud [illegible]
[illegible] sapientie spiritualis
[illegible] intellectus [illegible] consilium [illegible]
[illegible] fortitudo [illegible] possidet [illegible]
[illegible] acquirit pietas [illegible] caritate
[illegible] timor [illegible] omne [illegible]
[illegible]. Dicitur ultimo spiritus iste unitas quia licet communio
unitatis dei filio attribuatur quia [illegible] et unitas [illegible]
[illegible] ipse nomine [illegible] nos est non [illegible]
nos [illegible] et unitatis [illegible]
[illegible] patrem et filium ut [illegible] in vos unitas [illegible]
placeat. Ita ergo spiritus sanctus [illegible] unitas [illegible]
[illegible] quia post [illegible] adventus

Quem mittet pater in nomine meo. [illegible]
[illegible] spiritus sanctus mittitur in [illegible] nomine eius. Et [illegible]
filii dei mittitur propter [illegible] spiritus sanctus [illegible] filio ipse spiritus
mittitur [illegible] filius [illegible] Jo. xvi. [illegible]
[illegible] spiritus [illegible] propter [illegible] est [illegible]
[illegible] invisibilis [illegible] pater et filio [illegible]
[illegible] Jo. 3. [illegible] ubi vult spirat et vocem
eius audis sed nescis unde veniat et quo vadat.
Alia [illegible] spiritus sanctus est invisibilis quia [illegible]

ditque supra singulos eorum et repleti sunt omnes spiritu sancto
et ceperunt loqui [illegible] spiritus sanctus dabat eloqui illis.

Homo quidam erat dives et induebatur purpura et bysso et epulabatur cotidie splendide. Et erat quidam mendicus nomine Lazarus qui iacebat ad ianuam eius ulceribus plenus cupiens saturari de micis que cadebant de mensa divitis et nemo illi dabat sed et canes veniebant et lingebant ulcera eius. Factum est autem ut moreretur mendicus et portaretur ab angelis in sinum Abrahe.

naturalis digeratur, et convertatur in carnem et sanguinem,
sed non proprie ad veram manducationem, sed inducit
eis quia effectus manducationis consequens eam.
Ipse ergo licet non manducavit, tamen effectu man-
ducationis non habuit. Cetera cibus assumptus
non fuit eius digestus, nec transivit in substantiam carnis
et sanguinis, sed virtute divina consumptus est cibus, vel in
aliqua materia, scilicet in vapore resolutus, vel in
rem priorem resolutus est. Thobie xii Videbar quidem
vobiscum manducare. Nunc cum est quod voluit ei instat
5 per istam donec adducat secum per agnum suum relinquens et circa
commemoratio dicens aut ad memoriam
verba sue passionis que locutus fuit illis
antequam moreretur. Et dixit ad illos: Hec sunt verba
que locutus sum, scilicet per prophetas et per me
verba mea que locutus sum ad illos. Cetera
fuit verba hec in Ieremie capitulo reliquam
et confirmabit omnia que scripta sunt de filio hominis.
Prophetas tradetur enim gentibus ad illu-
dendum et flagellandum et crucifigendum, et tercia die
resurget. Cum adhuc essem vobiscum in
carne sed mortali. Quoniam necesse est impleri
omnia que scripta sunt in lege Moysi, lege
tamen conveniunt secundum legem dicunt in
ea prophetis. Iohannis xix Nos legem habemus et secundum le-
gem debet mori. Quia dico ad sum lege intelligitur
etiam testamentum novum legem. Ad Hebreos ix
per assum sanguinem intravit semel in sancta eterna
redemptione inventa et ideo novi testamenti
mediator, morte intercedente. Et prophetis
dicitur. Deus formavit per os omnium prophetarum
pati Christum suum et implevit. Et psalmis de me
etc. Ego sum psalmus vocem et usque ad me
dicit mista opera manum meum parasti.
Tercio cum dicit: Tunc aperuit illis sensum
ut ostenderet quod Christus apparuit sacre scripture et religio dispo-
suit. Luce xix Et ipsi nihil horum intellexerunt,
inventa erat prius ad ea que viderunt ut horum intelligerent
et ideo elevata in memoria admonuit dicens et non
animadversio eorum. Credidit eorum et ablatum est
quod erat nomen sanctum scripturis ut dicit Iohannis xx
et ideo ut dixit Thome ille discipulis vacillaverunt
debere Christus oportebat quod scripturas intelligerent quia
dispositionem ... aut Christus instruxit discipulos
scilicet intus illuminando aperiendo intellectum
eorum unde dicit: Tunc aperuit eis sensum
id est intellectum eorum intus eum ad comprehensionem
scripturarum ut intelligerent scripturas. Pungunt
cum Christus tunc eorum intellectum et fecit eos ydoneos
ut omnes scripturas intelligerent. Iob xxxii Inspiratio
omnipotentis dat intelligentiam. Et prima Iohannis v Filius
Dei venit et dedit nobis sensum ut cognoscamus
verum Deum et simus in vero filio eius. Et dixit

differentiam inter Christum doctorem et ceteros homines
doctores. Nam homo doctor aliud solum potest
proponendo verba, et nec facit intus ... non potest
intellectum illuminare, nec ponere informationem
quale ... nos et doctor intus intellectum
illuminando. Quia ipse est singularis magister
qui dicit Mathei xxiii Magister vester unus est Christus
et ideo volens docere apostolos discipulos
primo aperuit intellectum eorum. Iob xxxii Quis
posuit in visceribus hominis sapientiam vel quis
dedit gallo intelligentiam. Deo dominus Christus
instruxit apostolos verbo prophetica dicta
validis illis scripturas per declarationem sermo-
num et illuminat et intellectum dat parvulis.
Et dixit eis quia sic scriptum est et sic oppor-
tebat pati Christum Iohannis xi Expedit ut unus mo-
riatur homo pro populo et non tota gens pereat. Et sic oppor-
tebat Christum resurgere a mortuis die tertia
nam ut dicit Beda. Preditis suffi... fructus pa-
sionis si non subsecuta esset vita resurrectionis ultimus
eius oportebat praedicari in nomine eius pe-
nitentiam et remissionem peccatorum in omnes
gentes. Et videtur quod penitentia et remissio pec-
catorum est in nomine Christi. Quia ut dicit prima Iohannis
Ipse enim est propiciatio pro peccatis nostris, non tamen
nostris sed pro totius mundi peccatis. Ipse enim fuit
agnus immolatus pro peccatis omnium hominum
et ideo non fit peccatorum remissio nisi in nomine eius.
Quia in Moyse lege sacrificium legis Moysi poterat
fieri peccatorum remissio. Quod fecit et surge
Christi Actuum xiii. Notum sit vobis fratres quia
per Christum remissio peccatorum annunciatur vobis

su ipso admonente, magis et diligimus in quibus amplius laboramus, sicut mulier amat plus filium quem in eo magis laboravit. Et homines plus diligunt pecunias acquisitas quam hereditate vel hereditate possessas. Ipse igitur in ovibus eas et ceteris

3 gaudium. Tercia vero est quia magis gaudium est de maiori victoria, ut dicit Augustinus plus amatur hostis in eo quod plus tenet, et ideo in conversione peccatoris est gaudium de liberacione a malo et adepcione boni. Quarta vero est

Quinta vero est quia eum est peccatoris post conversionem conveniunt amplius in bonis operibus fructificare quam perseverantes in tepido statu

assimilantur. Sunt tria vite quas quilibet
inspiciens facile inveniet. Prima mala est quia per
multa peccata nos custodit inquantum possumus in
cidere. Sicut enim in multis offendimus ita quam
dei omnipotentis pietas protexisset in aliqua pro
tinus incideret. Secunda mala est quia punire
complicare non sit, quia benigna, quia liberalis
quod gratuita sunt. Deus probans ipse dissimulat
cum non convertimur nos expectabit. Ipse abs
tinet a verberibus, prolongando multa ipse im
putare et ipse benigna dilatat penitentiam. Tertia
mala est quia ipse cor nostrum incitat et ita im
tat ut amara fiant que prius male dul
cia erant. Quarta est quia penitentes nos miseri
corditer suscipit sicut pater filium prodigum. Nostre
memoriam deviantis perdidit tanta motus
super eo. Unde Augustinus in confessionibus ipse deus adiu
tor alienis et redemptor meus. Quam scito fieri
est in carnis suavitatibus nugarum mearum. Et quas
amittere metus fuerat, iam dimittere gaudium
erat. Eiciebas enim eas a me tu vera et sum
ma suavitas. Eiciebas et intrabas pro eis om
ni voluptate dulcior, sed non carni et sanguini, om
ni luce clarior, sed omni secreto interior, sed omni honore
sublimior, sed non sublimibus in se. Quinta quia
prestat auxilium convertendi dimicantibus et concerta
tibus vincendi [illegible] paratum. Sexta
est quia donat gratiam perseverandi quia sancte et iuste
vivimus. Septima est quod nos indignos [illegible]
dat spem obtinendi, propter quod ipse ab ecclesia
promittimus. Est et alia mala que omnes pre
dictas consumit et complet, ultima, tunc omnis mi
serie [illegible] ad future glorie [illegible]
[illegible] que sentimus nos, sed [illegible]
salvat nos a morte in vita eterna. Tertium

iudicium [illegible] pauperibus [illegible]

[illegible] iudicium prohibetur. Primum est iudicium

temerarium. Quedam non sunt manifeste

Sin omnem regionem Jordanis. Nobiles leges denunciacionis. Et venit etc. Ponitur primo magnus
ponitur praedicacio Johannis quantum ad locum et mater [illegible]
Et venit in omnem regionem Jordanis. Regio
circa fluvium Jordanis plurimis de salsa
atque lacunis plena. Praedicans baptismum
poenitentiae et praedicare poenitentiam in omnibus hominibus
velle baptismum. Nota quod baptismus Johannis erat
poenitentiae, quia homines ad poenitentiam inducebat
sicut tempus quadragesime dicitur tempus poenitentiae, scilicet
poenitentia agendi statutum, vel quia in
ducit. Dicit quod poenitentiam significat. Vel dicit baptismus
poenitentiae, id est poenitentia indicebatur poenitentiae quia
ad poenitentiam alios inducebat. Quo distinguitur
a baptismo nostro, in quo sacramenti virtute fit
Nota dicit quod baptismus Johannis disponebat homines
ad suscipiendum Christum. Non baptizabantur
eo nisi Judei, quibus fuerat in lege data vel
revelata; et non suscipiebat baptismum Christi
suscipienda, sicut nunc fit. Et infra
latens et nunc omnes carentes baptizabantur,
quia nec intelligebant misterium, sed
cognitum erat. Verum baptismus Christi
omnibus datur gentibus volentibus credere et
pro omni etate, et in remissionem peccatorum.
Nota secundum respondendum ad baptismum Johannis et adjungit
quod baptismus annuntiabatur. Ergo confirmatur praedicacio
Johannis prophetae testimonio. Sicut scriptum est
in libro sermonum Isaie prophete
etc. Ita praedicabat Johannes, sicut scriptum est
in libro sermonum Isaie prophete: Vox clamantis in deserto.
Isaie 58: Clama, ne cesses, quasi tuba
exalta vocem tuam. Nota quod ista vox fuit
clara, dulcis et terribilis. Clara quia fuit et
non vana, quia vox hominis [illegible]
annunciat poenitentiam. Et dulcis fuit an
nuncians Christum omnibus amabilem. Sicut canticum
Sonet vox tua in auribus meis; vox enim tua
dulcis. Terribilis fuit ista vox in terribili
futura denunciacione iudicium quod ducebat
Genimina viperarum, quis ostendit vobis fugere a ventura

dicatores plures temporis sunt canes muti non

praevalere. Vidi unum dominum gloriae super nubem sedentem
inducens dominum propicium et propicia devotis atque
distinctos et nos ad illud accedere. Et non
quod legitur ita vox acta sit deserta [illegible]
paravit. Igitur parate viam domini et zachee
hic parate nos ad poenitentiam propter [illegible]

parate corda vestra domino et facite illi semitas,
id est facite fructus dignos poenitentiae.
Nota quod viciis et peccatis portantibus et nascentibus

faciunt semitas illas in nos ipsos vastare
in illis ut non relinquatur a[l]icuius

et per alios deinde quia eo in vita suavi

et recte ponitur. Sicut hic denunciato
omnis vallis implebitur et omnis mons
et collis humiliabitur. Sicut autem duobus
ponitur primo quod inscriptione. Nota in
valle humilitatis et inferiora mundi potest
intelligi. Nota ad montes mundi per Apostolum
quia nos montes elati contra superbia omni
per quos vice peccatores et praepotentes intelligi.
Nota non colles superius elati intelliguntur
qui sunt in vestigiis vitae virtutis eorum super
super alios. Et sunt ut in vita apostolorum

culis atque eius conversatione quod non poterant
intendere piscatione Nunc non quia xpus non
erat cum eis continue redierunt ad pristinam

cipari z ideo ad opera corporalia se convertebant

aptus est regno dei Luce 9 Respondet quod ut
dicit augustinus Si fecisset hoc aliquis apostolus ex motivo pro

sui officii x ex quibus non redijt ad theoloneum
et nunc ad piscationem sine peccato sicut Iohan
post conversionem ~~tunc~~ negotium impletur illarum
sua debitum superius ut dicit augustinus quare apostoli
non habebant unde viverent quod hanc indigentiam
ideo dominus evenire permisit ut compellerentur ire
piscatum quatenus discipulis miraculum exhiberet
Unde patet quod petrus apostolus mittens manum suam
ad aratrum non retrospexit dicto suo apostolo
et post conversionem culpa penitus respiciens
ut dicit glosa [illegible] Sed quia piscari non erat
culpa ideo non repetiit penitus culpam // 3o
ponitur labor discipulorum sine fructu Et
exierunt z ascenderunt in navim z illa
nocte nihil ceperunt Iuncte ut dicit crisostomus
computabant quia absque fructu dolore erant
nihil prendiderunt Set ea magna dispositione
magna difficultas magna z afflicta
ferens quia tunc eorum labor erat z affixum
Sed tamen in tanto labore sine fructu credendum
quod ipsos finxisse longius z fatigatus ideo
turbatos dominum magis [illegible] inde supplantos
deserentes non sicut faciunt homines perversi qui
ingrati z sequentes etiam deum altissimum male-
dicunt si non eveniat quod cupiunt ideo ad
litterae quod dominus dicit homines mittam
in curam tuam ipse te cognoscat per sacra
cogitationem tuam z deus z ipse te enutriet.

Secundo cum dicitur mane autem facto etc

Sequitur manifestatio salvatoris laboran-
tibus eis z afflictis discipulis atque igno-
rantibus quid ageret assistit ut salvator et
vera tangitur ibi patet per spiritum z in puncta
cognovit stetit ibi stetit in litore Queritur
quomodo autem cum prius astitit in litore
quam cum vero sua tota dixit in fluctibus
maris ambulat ut dicit crisostomus in ewangeliis
quibus assignat veram misticam dicit cum quando
dixit prius peccatum quod se tangere tumultibus
fluctibus inde compatibilis videbit pollicite
ut litteras pertinentes et tunc inde quiete si
quatur causa quia discipuli absque labore in
fluctibus mortis inde ideo laborabant in
mari Et [illegible] eum cum xpus cum vero fuit
in mari tunc eis causa non corporis
iam carnis corporum [illegible] precedebat per
sua in littore stabat post et ultra ad
bona levabis ideo quia xpus nolens manum uti
sine signis ut debuit facere quod erat dicat
discipulos quorum erant cum ubi laborabant
existimarent cum esse spiritum dicit quia ambulasset
super mare statim potuissent supponere quod esset
fantasma z ita exstiterunt impedimentum ad
laudem eius ita ut legitur alibi de eo cum xpus
cum vero ambularet super mare z veniret
ad discipulos qui erant in navicula discipuli
conturbati sunt dicentes quia fantasma esset
z pre timore clamaverunt etc si fuisset suppositum
ideo quod nondum videbat mortuum multo

aut existimassent se videre fantasma sicut
xpc post mortem viderunt post terram super
mare ambulasse. Secundo ostendit quod latuit di-
scipulos cum [illegible] Non tamen cognoverunt
discipuli quia Ihesus erat. Unde sequitur: vere tu es deus
absconditus deus Israel salvator. Sciendum
est ut dicit crisostomus quod xpc nos semper non ostendit
discipulis se voluit primo in allocutione
eis ab initio dicit at sicut [illegible] cum
statim non cognoverunt propter corporis
vel quia sic immortalitate corporis gloriosi quod se osten-
dit vel non ostendat. Ita ex mortalitate ipsius
quod si aliquem morientem ostendat ut ignotus vel
ex aliquo se ostendat ut cognosceretur non so-
lum si videretur tamen xpc aut lig. se ostenderet
militare contra [illegible] in eo non se putat
quod non possit cognoscere. Ideo ipsum non cognoscit
Ideo paulatim allocutus est dicens ergo eis Ihesus
pueri numquid. Appellat non sicut creatorem
quia petrus iam senior erat [illegible]
sed eos pueros ob [illegible]
[illegible] nos qui antiquos pueros appellat
Numquid pulmentarium habetis quasi di-
ceret ita [illegible] pulmentarium [illegible] cibus
[illegible] quod cibus [illegible]

re [illegible] quod [illegible] nocte [illegible]

discipulorum et [illegible] quod [illegible] piscium
[illegible] discipulorum [illegible] cum [illegible]
angelorum qui [illegible]

[illegible] dicit ergo discipulus ille quem
diligebat Ihesus [illegible]

[illegible] quo discipuli cognito [illegible]
[illegible] petrus ceteris [illegible]
[illegible] venit Symon ergo petrus cum au-
divisset quia dominus est tunicam succinxit
se. Erat enim nudus [illegible] vestimenta
[illegible] sicut faciunt qui
[illegible] ut expeditiores fiant. Erat enim
nudus [illegible] petrum [illegible]

et misit se in mare [illegible] quo
multa alia fecit [illegible] non
[illegible] ut [illegible]
[illegible] venire [illegible]
Non tamen ut [illegible] intelligendum est petrum
[illegible] super fluctus [illegible] aut
[illegible] quia [illegible]
[illegible] non [illegible] cognovit quod tamen plus
omnibus diligit [illegible]
[illegible] alii venerunt [illegible]
navigio venerunt [illegible] aut
terre [illegible] in mare [illegible]

enim longe erant a terra sed quasi cubitis ducentis
et attendendum quod cubitus quinque [illegible]

[illegible] cubitus [illegible]
super [illegible] cubitus [illegible]
[illegible] longe a terra sed quasi cubitis
ducentis [illegible] intelligendum [illegible]
[illegible] longe
a terra intelligendum [illegible] cubitis [illegible]
[illegible] cubitis
et cubitus [illegible] pedes [illegible]
[illegible] distabat a terra [illegible]
[illegible] pedes [illegible]
pedes [illegible] passus [illegible]
a terra distabat [illegible]
[illegible] passus quod
[illegible] distabat a terra [illegible]

collocare in navi.

Tertio [illegible] ergo descenderunt
[illegible] quintum
[illegible] quintum [illegible] descenderunt
in terram viderunt prunas positas
[illegible] carbones [illegible]

Et piscem suppositum prunis et viderunt
et panem non quidem prunis suppositum pro-
positum. Nota [illegible] apparuit Cristus post
suam passionem sua opera et miracula [illegible]
[illegible] sicut patet in [illegible] [illegible]. Unum
et [illegible] ipsi [illegible] panibus et duobus
piscibus et alia [illegible]. Nunc non
admirabilia signa [illegible] ut hic est
[illegible] Cristi c. 24 [illegible] illum piscem et panem
atque [illegible] erant [illegible]
[illegible] omnia ista fecit. Voluit et
Cristus ut simul cum pisce quem prunis suppo-
suerat ponerent de piscibus quos ceperunt
apostoli quia [illegible] pisces non sufficerent ad
omnibus et ut et ostenderet non esse fantasma.
Dicit ergo primo dicit eis afferte de piscibus
quos prendidistis nunc. Ascendit autem Si-
mon Petrus [illegible] et traxit rethe in
terram plenum magnis piscibus centum quinqua-
ginta tribus [illegible] [illegible]
[illegible] pisces capti fuerunt et tam
tanti essent [illegible] et magnitudine non
est scissum rethe. c. 24 [illegible]
non sola fuit miraculum in captione piscium
sed et multitudinis conservatione. Secundo tangitur
in [illegible] dicit eis Ihesus venite

[illegible] ad monumentum [illegible]

[illegible]
[illegible]
[illegible]
[illegible]

In ultima parte ita fuit sermo cum ondit[illegible]
quanto amore, quanto studio et quanto dolore
ista mulier dominum quesierit et quanto devo-
cionis ita ut dicit Gregorius recedentibus discipulis
aliquantulum non recedebat [illegible]
monumentum domini et discipulis recedentibus non
recedebat quia ut dicit Maria Magdalena
stabat non quia recedebat quia ut dicit Gregorius
discipulis recedentibus in [illegible] [illegible] in eodem
loco fortior stabat [illegible] Illi recede-
bant timentes mulier amabilis stabat [illegible]
timens stabat ad monumentum inquirebat
cum quo erat aliquando corpus domini et quia
non recedebat a loco ubi posuerant eum
foris id est extra speluncam sicut [illegible] alte-
rius [illegible] mulier corpus domini sed tamen non
erat intra ortum ubi erat monumentum sed stabat
foris plorans Hic innuitur ut dicit Gregorius
[illegible] Maria magdalene amore flebat non
monumentum petivit ut tale passum et compassio-
nem et multis generibus et maxime flebat Ubi
quod duplicem causam plangendi habebat ista
mulier Prima quia [illegible] corpus domini
de ablatum crediderat a Judeis et a dia-
bolo ut sicut [illegible] quesiverat dominum ille
non recepit et reliquerat eam a monumento
unde mulier se sola [illegible] non lacri-
mas se [illegible] Item plorans plorat
in nocte et lacrime eius in maxillis eius
et non est qui consoletur eam ex omnibus caris eius
Secunda causa plangendi erat ut dicit Augustinus
quia oculis [illegible] querebat dominum non inveniebat
lacrimis vacabat nimis dolens [illegible]
bant eum de ablatum domino quia
fuit [illegible] [illegible] tanta magis
[illegible] [illegible] [illegible] nec memoria
remanebat unde mulieribus corpus de ab
latum lacrimis vacabat Item [illegible]
ego plorans et oculus meus deducens
aquas ut lacrimas quia longe factus
a me consolator consolans animam meam
[illegible] [illegible] fletus illi [illegible] lo-
co [illegible] consolabatur [illegible] Augustinus
[illegible] [illegible] [illegible] fletus [illegible] [illegible]
[illegible] dulcis [illegible] [illegible] et tribulatis
[illegible] [illegible] fletus [illegible] amara de-
lectat [illegible] [illegible] [illegible] [illegible]
quibus [illegible] [illegible] In [illegible] [illegible]
alia consolatione [illegible] [illegible] [illegible]
[illegible] lacrime [illegible] [illegible] [illegible]
[illegible] plangendo erat [illegible] [illegible]
faciunt [illegible] [illegible] [illegible] dolor [illegible] non
plorando [illegible] [illegible] dolor [illegible]
[illegible] unde lacrime [illegible] [illegible] [illegible]
[illegible] [illegible] [illegible] faciebat eam stare
ad monumentum sed dolor faciebat eam plorare
Ergo [illegible] quanto studio quesierit dominum
[illegible] in [illegible] [illegible] sepulcrum ubi dominum

[illegible] et [illegible] [illegible] Dum ergo
fleret inclinavit se et prospexit in monumentum
[illegible] quia monumentum [illegible] [illegible] [illegible]
angelos [illegible] et [illegible] ubi po-
suerant dominum [illegible] [illegible] amore
sollicita [illegible] [illegible] monumentum appro-
pinquando [illegible] [illegible] [illegible] ut dicit Gregorius
semel aspexisse non sufficit quia vis amoris
intentionem multiplicat inquisitionis [illegible]
[illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible]
[illegible] stet [illegible] [illegible] Item [illegible] [illegible]
[illegible] [illegible] [illegible] [illegible] [illegible] [illegible]

designabat Item [illegible] [illegible] [illegible]
[illegible] [illegible] quia stabant [illegible] ut
dicit Augustinus intelligendum quia [illegible] [illegible]

[illegible] [illegible] [illegible] [illegible] [illegible]

caput [illegible] [illegible] [illegible] ut dicit

bat et nescio ubi posuerunt eum. Se
cundum Augustinum quia maioris doloris quam
inquirebat ipso [illegible] ad conpolandum

Secundo cum dixisset haec cum vidisset ea

nali et positum erat seorsum non cum
linteaminibus positum sed separatum in valutum
in unum locum. Nota quod non sine causa beatus
Johannes ita particulariter scripsit ordinem istorum lin
theaminum sed omnia notavit sicut visus est
ut nemo posset dicere dominum corpus esse sublatum
non quod credebat diabolus scilicet corpus esse fur
to sublatum hoc modo mendacium apostolis
imposuit crimina ut dicit Matheus Christo
de monumento misso angelo venerunt ad
principes sacerdotum narrantes cuncta que
acciderant illi vero consilio habito copiosam
pecuniam militibus tradiderunt ut dicerent
quod eis dormientibus discipuli eius venientes fura

niaverunt morte et mendatio pecunia ita
mendacium furti declaratum est autem
pecunia comparatur sed hoc furtum mendacium
apparet quod iudeos licitari dicunt probabile
fuit quod usque in hodiernum diem sic cre
dunt coniunxisse sed tamen intuentibus no
mine et impassibile est nullus vero vivus
sepulcrum appetit impassibile enim non est [illegible]
tria primo quia quod dyabolus et homines
pauperes et ydiote non audientes quod
etiam eum invenire et sic fuimus ut
omnes alios fugerent multo amplius ti
muissent accedere monumento propter multitudinem
militarium. Item lapis magnus erat ad ho
stium monumenti quem non potuissent removere
quin pro motu dormientes excitassent.
Item si voluissent furari corpus potuis
sent prima nocte sepulture quando nullus
erat adhuc custos. Item secundo contra
facile posset quia si fuerunt testes si ni
dormiebant custodes quomodo viderunt
qui erant fures. Si autem non viderunt
testes esse non potuerunt. Sed maior est quod
dicunt inventa cleros dicunt corpus non
esse sublatum furto primo quia ipsa
spoliatores sepulcrorum consueverunt
furari vestimenta et linteamina omni
sso cadavere. Novos non mos furandi
est velles vestimenta cadavera apor
tare. Item si aliquis voluisset apportare
corpus non apparet cur vestire linteamina

voluisset. Item magis est si tanta fuit
sunt quando omnis furandi ut possent
deferre corpus cum fortiter inherebat
linteamina conditura unguentorum mir
re et aloe. Item nemo sit et insipiens
ut circa rem superfluam tanta adhi
beat diligentiam quales erat linthe
amina complicare in volumine sudarium
et collocare singulis omnibus apparet
mendacium furti nullus color est a
manifesta ex verbis predictis. Sed queritur quare
reliquit linteamina supposita est
vestimentis. Utitur potius assignantur
corporis quia Christus superflua quia Christus
vestimentis non indiguit. Utitur eis
vestimentis propter causa scilicet contra desperationem
eorum quia primo et ciuis vestimentis et volente
gentium indiget non conbegamus
et utitur et adornatur non autem indiget
corpus et vestimentis. Non primum cum sit in
passibile. Non vero secundum quia conbegamina
quando corpore vero primum primus angelis
pertinent erant ambo nudi non
conbesciebant sicut nunc infantes de
nuditate non conbescunt. Et non pec
caverunt statim erubuerunt et consuerunt
folia ficus ad tegumentum. Christus quia qui
fuit tanquam agnus innocens non
vero conbescit nusquam fuit. Vero apparet hoc
vestimentis non indiguit non vero eis
quia magis ornat corpus claritas glori
osa quam cuiusque textus vestimenta. Quia sed
et omnes electi resurgent sicut immorta
litas agilitas subtilitas et claritas pro
dimittit hinc sicut vestimento carebunt
tamen quod Christus apparuit discipulis adhuc morta
libus in forma et habitu consueto ad insi
nuit ut eum cognoscerent etc.

De ascensione domini sermo de evangelio

Recumbentibus undecim discipulis
apparuit illis Ihesus et cetera Marci 16
Hodie legitur [illegible] ascensurus ad pa-
trem mandavit discipulis suis Euntes

creature. Hec nos dic karissimi [illegible]

Non [illegible] alio loquimur [illegible] de illo

ipse ergo sit auctor nostri sermonis qui est

Recumbentibus xi discipulis. Quando

die celestem regionem ascendens fidelium
familiam relinquens [illegible] dedit precepta
discipulis ut multiplicando fidelium

tres partes dividitur. In prima namque parte
ostendit quibus verbis [illegible] sua ascensione
xpc fuit discipulis allocutus amicabiliter
et graciose [illegible] quia [illegible] fuit mirabi-
[illegible] et glorie [illegible] Et dominus quidem Ihesus
postquam [illegible] discipulos fuit sermo [illegible]
fuit completus [illegible] et studiose ibi
[illegible] Circa primum [illegible]
[illegible] apparicio salvatoris
[illegible] ista apparicione [illegible]
[illegible] loquitur [illegible]
est [illegible] illi apparicioni quia ista fuit [illegible]

die resurrectionis dominice. De qua loquuntur lucas et iohannes. Cum obviare videtur quod iohannes dicit illa apparitione thomam non fuisse absentem nisi quod dicit quod undecim discipulis apparuit christus. Magister autem in historiis scolasticis videtur velle quod ista apparitio sit eadem illi de qua loquitur marcus quod christus dixit se apparuit in galilea accumbentibus ubi constituerat illis. Et in illa cum apparitione introducat magister christum exprobrasse duritiam cordis eorum et dixisse illis Ite in mundum universum predicate evangelium omni creature et qui crediderit et baptizatus fuerit salvus erit. Et iterum introducat eum tunc dixisse signa eos qui crediderint hec sequuntur. Immo iterum tunc etiam ascendisse. Verba refert marcus cum dixisse negat apparitione undecim quod apparitio videtur esse eadem illi sed tamen non videtur convenire quia marcus dicit hanc apparitionem fuisse novissimam i. novissimo die scilicet quo christus fuit in terra sed dixit sic Novissime recumbentibus xi discipulis apparuit illis igitur undecim videtur esse diversa ab apparitione de qua loquitur marcus non sit eadem illi que facta est in sero diei dominice sicut est dominus augustinus super alia apparitionum [illegible] sentire videtur ut iterum sit eadem illi qua apparuit in galilea super montem sicut est in principio actuum apostolorum videtur velle. Sed ista apparitio sit nona super ab omnibus apparitionibus facta scilicet in die ascensionis sicut dicit augustinus et beda et magister in historiis atque in glosa sicut in [illegible] sentire videtur sentire videtur [illegible] post resurrectionem suam per xl dies antequam [illegible] apparuit [illegible] et in multis discipulis apparuit sicut legitur actuum apostolorum [illegible] discipulis prebuit se ipsum vivum post passionem suam in multis argumentis per dies xl apparens eis et loquens de regno dei. Unde [illegible] quod nulla figura est post viviam [illegible] christus in [illegible] discipulorum que non sunt scripta in ewangelio. Cum enim [illegible] omnes ceteras apparitiones [illegible] cum apparuisse dicit quod primo marie magdalene plorati ad monumentum marci 16 et iohannis xx. Secundo mulieribus redeuntibus a monumento que tenuerunt pedes eius et adoraverunt eum matthei xxviii. Tercio petro sed ubi et quomodo ignoratur. luce 24. Quarto duobus discipulis euntibus in castellum marci xvi et luce 24. Quinto congregatis discipulis absente thoma in sero resurrectionis luce 24 et iohannis xx. Sexto post dies viii apostolis apparuit presente thoma iohannis xx. Septimo septem discipulis apparuit in piscatione ad mare tyberiadis iohannis xxi.

Octavo in monte thabor in galilea xi discipulis apparuit matthei 28. Iste omnes apparitiones in die [illegible] facte leguntur. Ipsa [illegible] die apparitionis [illegible] eis apparuit simul sed recumbentibus discipulis in cenaculo [illegible] cum apostoli habitabant in cenaculo in monte syon quod primitus fuerat palacium david in quo manducaverat christus pascha cum discipulis ante passionem suam. Ceteri vero discipuli et sancte mulieres habitabant circumquaque per diversa hospicia. Et recumbentibus in dicto cenaculo undecim discipulis apparuit illis ut dictum est quia magis erant in credendo de resurrectione increduli et duritia cordis quam alii magis eos confirmandos erant de veritate resurrectionis cuius testes erant. Unde dicitur actuum 4. Virtute magna reddebant apostoli testimonium resurrectionis ihesu christi. Aut forte dicitur sic quia licet soli xi apostoli nominentur non defuerunt alii discipuli et mulieres devote atque reliqui sancte mulieres quibus omnibus recumbentibus christus apparuit. ~~Et non~~ quia manducantibus discipulis christus cum eis manducavit ut legitur actuum apostolorum. manducaverat christus cum discipulis
~~Et quia [illegible]~~ Primo igitur [illegible] [illegible] quod cum [illegible] non erant [illegible] in carne ideo [illegible] manducaverat cum eis [illegible] [illegible] [illegible] simul manducaverunt et biberunt. Secundo ideo cum eis manducavit ut veritatem carnis sue demonstraret. Cum enim [illegible] non [illegible] aliquem [illegible] [illegible] signum sue [illegible] erat [illegible] veritatem carnis [illegible] questio [illegible] cum vera carne non [illegible] non potest [illegible] angeli in assumpto corpore nec comedere nec [illegible] et ideo angelum [illegible] [illegible]. Cum dicit nobiscum [illegible] manducare et bibere sed ego invisibili cibo et potu utor [illegible] [illegible] [illegible] non potest [illegible] [illegible] comedit christus [illegible] ut scilicet [illegible] comestionis [illegible] [illegible] tamen [illegible] quod illa comestio vera fuit et non fantastica cibum cum ipse assumpsit [illegible] [illegible] masticavit et [illegible] propter saporem atque cibum [illegible] [illegible] [illegible] sufficiunt et [illegible] [illegible] ad veram comestionem. Sed tamen ideo non fuit comestionis effectus. Effectus enim comestionis est ut per digestionem cibi convertatur in carnem et ossa atque sanguinem [illegible] [illegible] non [illegible] [illegible] istorum fuit in christo

manducaverat christus cum discipulis

Effectus non comestionis

post vinum quia cibus ille quem as-
sumpsit est non per digestionem sed virtute divi-
na in materiam pristinam sed in alterum statum trans-
ivit ¶ Secundo ponitur exprobracio discipulorum
sic cum conversabatur cum eis tamquam fami-
liaris amicus ipse ex corde eorum duriciam
exprobrat palato nec labiis [illegible]
unde dicitur Et exprobravit exprobrare est
cum reprehensione vituperare increpare et
inimicare [illegible] incredulitatem illorum
quia absente intellectu quia audita tam
[illegible] post vinum non credebant
et duriciam cordis quia ad credulitatem
credendi quia est multis signis [illegible]
tunc tarde crediderunt. Et quia hiis
qui viderant eum resurrexisse non
crediderunt de surgente quidam [illegible]
amorantes nemo cum [illegible] resur-
rexisse viderunt angeli. viderit maria
magdalena. viderunt sancte mulieres cum
unguento venientes. Viderunt et
discipuli euntes in emaus. Et quia
apostoli non crediderunt hiis qui eum
viderant ut ipsi viderent non visio
[illegible] incredulitatem et cordis duriciam
reprehendit maxime ut dicit augustinus quia
[illegible] credituri erant cum resurrexi-
sset qui non viderant audita apostolorum
predicatione. qui non crediderunt incredu-
litati et ipsi viderunt unde dicit thome
Quia vidisti me thoma credidisti ¶
Comparandum est que sunt ista verba
exprobracionis que dominus hodie dixit
apostolis. Et forte talia sunt ut dicit
quidam qualia dixit discipulis euntibus in

dendum in omnibus que locuti sunt prophe-

[illegible] dicit [illegible] audientes

[illegible] exprobrat duriciam cordis [illegible]
[illegible] ut procedit [illegible] tamen [illegible]
[illegible] non discipuli sunt
tardi ad credendum [illegible] dicit

[illegible] [illegible] ut dicit leo

discipulos dubitare [illegible] nisi

Illi quia sic dubitaverunt quemadmodum singulis
non dubitare potuissent. Leo quia [illegible] du-

[illegible] argumentis resurrectionis quibus et
omnis nostra dubitacio sit remota. Con-
sidero [illegible] dubitantes et [illegible] nec du-

Repleri quia ad finem temporis ecclesia non sufficit ubi perfectus in fide Christi vigilat ubi predicatio predicatorum cessat libi perfecta dilectio est.

Ut cessavit autem loqui dixit ad Simonem / Duc in altum / et laxate retia vestra in capturam / et respondens Simon dixit illi / Preceptor per totam noctem laborantes nichil cepimus / in verbo autem tuo laxabo rete / Et cum hoc fecissent / concluserunt piscium multitudinem copiosam / rumpebatur autem rete eorum / et annuerunt sociis qui erant in alia navi ut venirent et adiuvarent eos / Et venerunt / et impleverunt ambas naviculas ita ut pene mergerentur / Quod cum videret Simon petrus / procidit ad genua Iesu dicens / Exi a me / quia homo peccator sum domine / Stupor enim circumdederat eum / et omnes qui cum illo erant in captura piscium quam ceperant / Similiter autem Iacobum et Iohannem filios zebedei qui erant socii Simonis.

Rumpebatur autem rete. In ecclesia ... rumpitur rete quia non tot intrant de Iudeis ... ad vitam erant preordinati. Videns autem phariseus qui vocaverat eum ait intra se dicens. Hic si esset propheta sciret utique que et qualis mulier est que tangit eum quia peccatrix est. Attendite a falsis prophetis qui veniunt ad vos in vestimentis ovium, intrinsecus autem sunt lupi rapaces. A fructibus eorum cognoscetis eos. Numquid colligunt de spinis uvas aut de tribulis ficus? Omnis arbor que non facit fructum bonum excidetur et in ignem mittetur. Igitur ex fructibus eorum cognoscetis eos. dilectio dei et proximi

[illegible] dilectio dei est eterna quaedam [illegible] pro [illegible] cum [illegible] deo

Hoc est preceptum meum ut diligatis invicem sicut dilexi vos Io. xv. Scripture nos inducat dominus ad dilectionem proximi sicut quibus ad dilectionem dei [illegible] Io. [illegible] diligit [illegible] non diligit [illegible] quem non videt [illegible] diligere [illegible] dilectio [illegible]

[illegible]

Secundo inducimur [illegible] que fit dilectio proximi [illegible]

[illegible]

1. Ille dicit quod amor et dilectio carnalis saepe [illegible] fidem et [illegible] in loco [illegible]
et amor terminat [illegible] amicitie quam fidei [illegible] abbreviando [illegible] amore filie [illegible]

[illegible] [illegible] [illegible] [illegible] [illegible]

Hoc est preceptum meum et cetera. Istud evangelium legitur Io. xv. non remote a principio et legitur in die sancti Bartholomei

Hoc est preceptum meum ut diligatis invicem sicut dilexi vos. Maiorem hac dilectionem nemo habet quam ut animam suam ponat quis pro amicis suis. Vos amici mei estis si feceritis que precipio vobis. Iam non dicam vos servos, quia servus nescit quid faciat dominus eius. Vos autem dixi amicos, quia omnia quecumque audivi a patre meo nota feci vobis. Non vos me elegistis sed ego vos elegi et posui vos ut eatis et fructum afferatis et fructus vester maneat, ut quodcumque petieritis patrem in nomine meo det vobis.

non aliud quia nichil est quod et; quo non sunt homines in dilectione dei et fidei et cetera; invicem sicut dilexi; ut sicut posui animam meam pro vobis, ita vos pro fratribus vestris ut me invicem; terminum sicut non inveni preceptum; ponere animam pro fratribus non est dilectio sed effectus dilectionis ex caritate; amici quia pro caritate erit amici; et; quia si si plus; quia in illo solo timore serviunt; quia servus nescit quid faciat dominus eius; ego hoc ad opus hominum; non elegit sed non dicit elegit dilexit; misericordie fidem; ut eatis et fructum afferatis; fructum afferatis et fructus vester maneat; ut quodcumque petieritis.

[illegible] diffinit plenitudinem mutue dilectionis quod vos hic precipit. Et sic de dilectione proximi est. Si repetito est continuato sibi [illegible] dicat mandatum novum do vobis quia non ante [illegible] sic autem hoc est quod [illegible] ibi novum non in vetustate maneamus sed in [illegible] non contempnatur.

Vos amici. Commendata dilectione addit quod dignatio eius est ut bonos suos quod sunt faciendo que precipit dicat amicos et eis tollit nomen servi, id est contimore servus mittendo quia nescit quid faciat dominus, quia cum aliquid facit sit co tollitur [illegible] ipse faciat non dominus. Sunt tamen sine timore [illegible] [illegible] [illegible] quod faciat deus eos non solum hominis sed et nostros [illegible] dominum est.

Non vos me elegistis. Quod [illegible] precepta dilectionis sicut nemo non [illegible] qui non diligit sed quod nescio diligit nisi qui [illegible] [illegible] non [illegible] [illegible] [illegible] dilectionis.

Non vos me elegistis. Non quia [illegible] [illegible] [illegible] [illegible] dicere que non potestis [illegible] modo de se fecisse que sunt se [illegible] [illegible] resurrectione ubi plene [illegible] erit [illegible] [illegible] [illegible] non elegistis.

Vos estis sal terre et cetera. Istud evangelium legitur Mathei v. non remote a principio et legitur [illegible] secundum Augustinum et cetera. Hoc enim [illegible] respiciens quod [illegible] est ibi docebat eos dominus quod [illegible] modicum ante [illegible] pauperes spiritu et cetera [illegible] ad hoc vos estis sal terre et lux mundi.

Hic iam ostendit apostolorum officium, quia sunt sal terre et lux mundi; [illegible] [illegible] [illegible] non debeant deserere. Vos estis [illegible] dicatur de aliorum fortitudo [illegible] intellectu et [illegible] [illegible]

Vos estis sal terre, quod si sal evanuerit, in quo salietur? Ad nichilum valet ultra, nisi ut mittatur foras et conculcetur ab hominibus.

[illegible] et ornat apostolos qui per [illegible] virtutibus paupertate [illegible] et aliis [illegible] [illegible] ornant ut sunt sal optimum [illegible] condientes [illegible] doctrina et vite [illegible] exemplo. Quod si sal evanuit, id est doctor [illegible] in tribulatione deferrit; in quo, per quos [illegible] [illegible] condiatur aut reficiatur.

Sal salus [illegible] ut [illegible] propheta posui te in lucem gentium ut sis salus mea usque ad extremum terre. Quod si sal evanuerit, id est si timore vel cupiditate doctor saporem sapientie obmiserit, per quem fatuitas eius emendabitur. Hoc solis apostolis [illegible] [illegible] magis ad nichilum et cetera. Infine decoris concludit hoc est si illos per quos alii condiendi sunt adversis vel prosperis deserit, per quos a nobis error auferetur, cum nos sunt dominus aliis elegerit. Ad nichilum valet quia ut alius evangelista ait nec terre utilis est quam suo in tectum germinare [illegible], nec sterquilinio quod non fecundare [illegible] [illegible] qui retro vadit, nec ipse fructu ferre nec alios valet extollere sed [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] cepit edificare et non potest consumare.

Vos estis sal. [illegible] [illegible] [illegible] quia per eos [illegible] [illegible] sapientia, sal [illegible] [illegible] [illegible] [illegible] victorum [illegible] [illegible] [illegible] sale [illegible] [illegible] [illegible] ita apostoli [illegible] destructo [illegible] [illegible] [illegible] sal [illegible] [illegible] [illegible] predicato [illegible] [illegible] et [illegible] [illegible] [illegible] illesam [illegible] suo creatori [illegible] [illegible] non est [illegible] [illegible] [illegible] sale condito. Ita [illegible] non est utilis sine documento apostolice fidei sapientie [illegible] [illegible] [illegible] sal [illegible] [illegible] [illegible] [illegible] [illegible] [illegible]

Vos estis sal terre et cetera. Sermonum [illegible] [illegible]

[illegible] petrum [illegible] [illegible]

apostolicam sapientiam habent ex aqua et igne sal conficitur. Ita isti ex aqua spiritus sancti et igne tribulationibus, ut paganis, baptismo et igne caritatis in saporem sapientie sunt, ideo dicitur vos et vere illustrati a Christo, et amant invidentur, consolari non possunt, sicut mente fixi in celo manent. Vos estis lux mundi. Hec est eadem que qua mundi corde fiunt, quorum corda mundantur fide et intellectu. Sicut sal notantur pacifici cognoscunt, signa sine sapientia non tenentur convenientia pace. Et summa et propria specialiter apostolis deputantur, ut eos ceteri ... plene cognoscant.

Ad nichilum valet ultra nisi ut mittatur foras et conculcetur ab hominibus. Vos estis lux mundi. Non potest civitas abscondi supra montem posita. Neque accendunt lucernam et ponunt eam sub modio, sed super candelabrum, ut luceat omnibus qui in domo sunt. Dixit ihs ad quosdam qui in se confidebant tamquam iusti et aspernabantur ceteros parabolam istam.

Duo homines ascenderunt in templum ut orarent. Unus phariseus et alter publicanus.

Phariseus autem stans hec apud se orabat.

Deus gratias ago tibi quia non sum sicut ceteri hominum raptores iniusti adulteri velut etiam hic publicanus. Ieiuno bis in sabbato.

Decimas do omnium que possideo. Et publicanus a longe stans nolebat nec oculos ad celum levare sed percutiebat pectus suum dicens

Deus propicius esto michi peccatori.

Dico vobis descendit hic iustificatus in domum suam ab illo. quia omnis qui se exaltat humiliabitur et qui se humiliat exaltabitur.

Matheus cum primum praedicasset evangelium in Iudea volens transire ad gentes primus evangelium scripsit hebraice, quod fratribus a quibus ibat ad memoriam reliquit. Sicut enim necesse fuit ad confirmationem fidei evangelium praedicari, sic etiam contra hereticos scribi. Cum autem plures evangelium scripserint, in istis auctoritatis fuit testimonium, quia per quatuor iudices pro fide mictant trinitatem, et sunt sicut quatuor rote in quadriga domini que vehit eum per praedicatores evangelii, et genus humanum quadrifida morte peremptum eorum autem praedicatione vivificandum. Aliorum evangelia deciderunt, non recepta fuit.

magis plus praedicabant et eo amplius admirabantur dicentes: Bene omnia fecit et surdos fecit audire et mutos loqui, etc.

Matheus ex Iudea sicut in ordine primus ponitur, evangelium in Iudea primus scripsit, cuius vocatio ad deum ex publicanis actibus fuit, duorum in generatione Christi principia praesumens, unius cuius prima circumcisio in carne, alterius cuius secundum cor electio fuit, et ex utrisque in patribus Christus. Sic quaterdenario numero triformiter posito, principium a credendi fide in electionis tempus porrigens et ex electione in transmigrationis diem dirigens atque a transmigratione usque in Christum definiens, decursam adventus domini ostendit generationem, ut et numero satisfaciens et tempori, et se quid esset ostenderet, et dei in se opus monstrans, etiam in his quorum genus posuit Christi operantis a principio testimonium non negaret. Quorum omnium tempus, ordo, numerus, dispositio vel ratio quod fidei necessarium est, deus Christus est.

[Left margin gloss:] Matheus tractando de Christo primo generationem eius describit, distinguens eam per tres quaterdenarios, post de nativitate salvatoris et de adventu magorum in Bethleem et de occisione puerorum, deinde de baptismo Christi et ieiunio xl dierum et de temptatione triplici, postea de doctrina eius scilicet de sermone habito in monte, de eius gestis et miraculis exponit, tandem de passione et resurrectione et ascensione. Attende lector per legendo praemittit in quo dicit alii evangelistae scripserint et de eius statu, ab ipsa digni sit assumpta et de agnomine et quo ordine iste evangelista tractet.

Liber generationis. Textus. Hebrei consuetudinibus suis a primariis nomen imponunt, ut liber Genesis ex suo principio nominatur ubi dicitur: liber generationis ade et hec sunt generationes celi et terre. Cum liber principium est veteris testamenti, cum in principio novi dicitur liber generationis id est quamvis non sit extra pars libri, sic novum testamentum consonat veteri et sicut vetus carnali, ita novum spirituali. Et utriusque unus et idem auctor ostenditur.

complicat .lxxvii. in quo numero tanquam universalis peccati fit plena remissio peccatorum per Christum ascendentibus ad deum ut est numerandum quod lucas plures successiones ponit a david usque ad Christum, matheus pauciores cum ille ponat alias personas i. alias et quasdam forte aliquas minus aliis plus vixerunt. Nota non esse consuetudinem scripturarum ut in generationibus successionis ordo mulieribus tribuatur, ideo in generatione ioseph ordinabiliter ponitur qui eiusdem tribus cum maria fuisse cognoscitur.

Nec erat sicut dam ut ut et ioseph virgo et maria que de david claruerunt. Et Christus non de eius semine, ut deus ergo per genealogiam homo perhibetur quod deum sine semine de spiritu sancto deus ostenditur. Sic inquit erat ut scriptura et mox dicatur. sicut prophecia signis et prodigiis manifestatur ut totus liber dei et hominem natum demonstret, quod et credendum ut possit intelligi. Sic cum spiritus deficit humanitas. Vel non est natura sed virtus. Qui non credit non intelligit quod virgo peperit quod verbum caro factum est etc.

Azor autem genuit sadoch. Azor adiutus. Ille est qui dicit ecce deus adiuvat me. dominus susceptor est anime mee. Eliachim autem genuit eliachim dominus resuscitans. ille qui dicit omnis qui videt filium et credit in eum habet vitam eternam, et ego resuscitabo eum in novissimo die. Achym i. frater meus. iste quis alius quam ille qui hoc fieri voluit ubi possit hic fieri. Dignus dicit narrabo nomen meum fratribus meis. Eleazar i. deus meus adiutor. ille est qui compassionem hominis dixit deus meus ut quid dereliquisti me. Matheus dicit ioseph filium iacob et iacob filium mathan. lucas filium ely et hely filium mathat. Sed mathan et mathath de eadem uxore nomine hesta singulos genuerunt. mathan qui per salomonem descendit eam prius duxit et relicto uno filio iacob obiit. postea mathath qui per nathan descendit de david eandem duxit et genuit ely. Sic iacob et hely fratres sunt uterini. Iacob autem uxorem hely fratris sui sine liberis defuncti ad suscitandum semen eius accipiens genuit ioseph natura suum. sed secundum legem hely filium qui dicitur filius nomine eius vocari cum suscitatur non est necesse quod dicitur filius. nam booz genuit obeth non elimelech cuius suscitatur obeth.

Cum ad ultimum venit ut cum intelligas[1] Iudicant dignus ipsa iuxta te deus. Dicitur quod spiritaliter ille genuit angelo presignat ut qui post david est conceptum de spiritu sancto nomen ei ipsum compassionis officio Emanuel declaravit. Quatuor fuere generationes. Prima est ab abraham usque ad david ita quod david includitur. Secunda a david usque ad salomone incipit et in ipsorum iechonia finitur. Tercia a david usque ad Christum, ab abraham usque ad david est a secunda iechonia in tercio terminatur. ab david usque ad Christum tria in dispensatione notantur tempora ad Christum vivere ante legem in quo abraham naturale fuit mandatum post legem qua iudei prevaricantes captivantur, post graciam per quam omnes decaptivantur solvuntur. et hiis singulis bis septem sunt quia gratia spiritus sancti in homine geminatur ut cor et carne i vinum consultare liberum est. At ter xiiii. nota significat religionem, que cum ex x. nobis in veteri testamentum indicant, quia via ad Christum per x. va legis. et quatuor evangelia predicatur, ita tamen ut qui credunt ascribi trinitati que deus est conservaverunt, quia nulla perfecto implet nisi hoc unus tollendi dei tenetur ut hanc mortem esse per numerandi ad Christum qui est vita via prelissionis suas. totum numerum collige in summam et sunt xlii. quo numero mansionum veneri hebrei de egypto exierunt. et ha hoc numero sacramento venimus ad veritatem. quo Christus apertam cum promissus est per sed ad regnum, et ad iordanem spiritum sanctum gratia suscipientem, et ideo evangelista ab abraham numerat xl. duas generationes, velud celestis vite mansiones, usque Christum supputans qui est consummatio vite et manso ante Fnabracha primus fides ad iusticiam reputatur, quod est inicium vite ut vite ad requiem ideo xlii. quod hoc numero primus esse tempus ostenditur quo deus bene operantibus cooperatur. Perficies cum semi xlii. sicut pro ad opera dei ad requiem pertinent. Unde bene populus ille sub spe intrandi in requiem perfectus vi. mansiones castra metatur, nunquam ultima iordanem passo iordane requie intrat. Sic ihesus xlii. generatione ab abraham ardente. Canaam bapsin et celi ianuas patefecit. Sic eius in sacramento nos cursu virtutum ad vitam tendimus dei cottidie prelibando gustu celesti fruimur et pacienter promissum expectamus etc.

Liber generationis ihesu christi filii david filii abraham etc. Matthei primo. Hic idem alio ordine legitur luce 3o. Nos considerantes nichil tam pium audire [illegible] habent generationem. Videmus enim quod ineffabile est deus [illegible] magna dignatus est et homines progenitores habere. Ineffabile quidem est propter [illegible] ordines ut [illegible] generationem super humanam investigationem ut deus sit et homo genuit generationem et est super naturam virginis concedimus ut sub forma dicitur. quia [illegible] concepti sumus nos ipsi quod dicitur ipsa [illegible] cuius [illegible] adiuvis virginis [illegible] gratiam auxilium cum generationis [illegible] ut ut nobis digne aliquid loqui tribuat de filio et sui filii generatione [illegible] ut [illegible] salutacionem [illegible] angelice [illegible] dicentes Ave maria gratia plena. Margin notes: Liber; generacio; [illegible]

Exultavit spiritus meus in deo salutari meo. Sunt ergo tria
obediencia maxima Luc. [illegible] ecce ancilla domini etc.
Sequitur tercia generacio tercii patris ysaac qui genuit iacob.
Iste subplantator dicitur eo quod natus est tenens planta-
tam esau fratris sui in spe quedam virtute pacie-
ncia bene in adversitatibus. Ex quo intelligimus quod
ex gaudio fidei nascitur prudencia supplantandi
carnem dyabolum et mundum. Et quia tria adversa paciencia
[illegible] abitu inimicos. Oportet prudencie inimicis
paciencia sicut christus qui vicit et supplantavit in dyabolo
applicacio ad christum — [illegible] cicius in consilio [illegible] prudencia de
potestate mundi [illegible] paciens et petrus dum eum in
maledicta non maledicebat cum pateretur non com-
minabatur. Has tres virtutes beata virgo habuit de prima
applicacio ad virginem — dicitur est quod tercia ipsa gaudium [illegible] dicitur non patet
quod in omnibus adversitatibus que passio sustinuit
8 — paciens fuit. Sequitur 4ª generacio quarti patris iacob
4ta applicacio — qui genuit iudam qui interpretatur confessor [illegible] virtus
confidencie et securitatis precedat. Quia confidenti
accessit perlibacione beniamin quia et quia ceteris
timentibus ipse diviso mari rubro primus ingre-
ssus est. Unde intelligimus quod ex prudencia sup-
plantandi inimicos [illegible] confessio laudis ad
dominum et securitas quia deus et nobis manifestatur.
Applicacio ad christum — Iudas autem fuit confessor virtutis Luc. Confiteor
tibi domine pater celi et terre etc. Item iudas fuit confidencia
Io. [illegible] mundum. Est et non revertit
me solum virtus laudis confessionem attendimus
ad virginem — in beata virgine Luc. Et magnificat anima mea
securitatem non quia non timuit quia cum adiuste
et fratres eorum qui fuerunt. Sed et iudas non
fuit primogenitus quia fratres quorum tribus
et inscripcio — sponsalis et [illegible] quia fuerit dux et caput unde
quod tribus eorum fuit nobilior ceteris quia regalis de
inscripcio — tribu quia ex illa tribu natus est christus. Item quia
cum ysaac fratrem habuit ismaelem. Iacob non fratrem
esau quare notat quod fratres unde [illegible] supra
ismaele et esau [illegible] duxit [illegible] gloriam
alena fratres unde manserunt in [illegible] venimus
dei et pertinet ad repromissionem factam abrahe. Sed
ismael et esau non manserunt unde tulta
non pertinet ad promissionem. Alia racio secundum [illegible]
[illegible] causat [illegible] nobilitatis quia plures fratres
iude fuerunt ex ancillis nati. Ceteri omnes patriarche
[illegible] — Sequitur quinta generacio quinti patris iudam
qui genuit phares et zaram licet alios filios habuit
iudas et [illegible] non ei nominatur. Quia ad genera-
cionem non pertinet. Istos non duos filios primo
nominat quia solus phares pertinet ad christum
genealogiam. Quia ambo habuerunt originem in
[illegible] nati sunt de incestu de thamar qui fuit
nurus iude. Unde ut dicit glossa ambo pro quo sanavit christus
tales fuisse progenitores. Primo quidem quia venit
in mundum ut sordes continentes ut maculare [illegible]
quia non intravit in nervo. Ergo ne pudeat
et [illegible] de peccatoribus aggregari certe est ut ordine
assumpsit maioribus fuisse veniam in corporis [illegible]
Ideo ne quis putaret virginis maculam in pedibus
esse virtutis. Tercio ne insolens se iactaret
de genus nobilitate. Nota quod phares interpretatur divisio
zara non oriens. Sicut divisione et [illegible] per se
unde quo [illegible] aperte [illegible] seggreganda nov[illegible]

ubi attenditur claritas diume generacionis. Quo ut [illegible]
dei laus et confessio fuit at [illegible] divisus ab aliis hebr.

lutus segregatus a peccatoribus et excelsior celis factus.

Beata virgo segregata fuit inter omnes mulieres in cor-
pore et bonis suis. Beda ut femina similem nec prima

qua processit sol iusticie. Ut oriens in natura
sua segregata ab omni peccato quia ut dicit Berg. [illegible]

qui autem genuit esrom qui sagitta interpretatur. Virtutum
sagitta in qua accendimur ardentes et
notamus maxime [illegible] intellectus. Non talis
est sagitta ipsa. Posuit me quasi sagittam elec-
tam [illegible] sagitta fuit beata virgo quia corda eorum
penetravit ut ad dei accenduntur amorem
et virtutes [illegible] intravit in virginem. Sequitur

omnibus aliis [illegible] [illegible] nos reliquimus omnia etc.
Sunt et beata virgo electa inter omnes mulieres
sicut non patet. Item in [illegible] fortuna [illegible] electe
8 — electione fecit ut dicitur Ber. Sequitur 8 generacio
octavi patris aram qui genuit aminadab quod sponta-
neus interpretatur. Ex electione [illegible] ut ab sponte
ad operandum se offerat. Sponte christus se
obtulit ad [illegible] quando [illegible] [illegible]
habeo ponendi animam meam et iterum assumendi
eam. Spontanea eciam fuit beata virgo quia libere
obtulit se deo ad virginitatem servandam ad in-
carnacionem dei et obsequium eius. Sequitur
9 — 9 generacio noni patris aminadab qui genuit naason
qui serpentinus interpretatur de quo puer [illegible] unde
filii israel egressi sunt de terra egypti quos ipse
primus per mare rubrum transduxit. De primo
[illegible] dicitur virtus serpentis. Que
est se totum exponere ne capud vite fidei in [illegible]
[illegible] serpentinus at christus quia in cruce suspensus
[illegible] fuit suspensus [illegible] cum [illegible]

passionem et liberavit fideles. A [illegible]
serpentina eciam beata virgo ademento spe-
te tamquam capud ipsa contrivit. Quia ne stella [illegible]

Ambrosius dicens omnes illos tres non nominatos scilicet
Ochoziam. Joas. et Amasiam pertinere ad undecimam
generationem cum Ozia. et ideo non intendit quatuor
decim generationes sed generationis generatio non est computanda
viam inconsuetam inter unum hominis in quo aliquam
plures generare ponit. Aliam non causam assignat
Jeronimus quare Joram quare iora se immiscuit qui ach-
ab ydolatre. et nequissime Iezabel. Ideo
filii eius usque in quartam generationem tolluntur ne ista
generatione ponerentur. Aliam causam Augustinus adducit
quia malicia eorum ita continua fuit ut nec
eorum bonus fuit. In tempore eorum non erat spes
quod stirps eorum ultra regnaret. Alia ratio quia
omnes tres, dei iudicio peccata patrum et propria dam-
pnati fuerunt ad mortem. Ochozias vero occidit
Iehu. Joas servi sui. Amasiam non omnes
israheliti in prelio propter usque in tertiam generationem
8 sunt puniti. Sequitur octava generatio Ozias
autem genuit Joatham qui consumatus interpretatur et Christus
est consumatio legis. De isto dicitur quod edificavit
portam domus domini excelsam. Porta domus
celestis fuit porta quam Christus fecit excelsa ad do-
num claritate apostolis adhuc excellenciorem nobis
viam demonstravit. Sequitur nona generatio
Joatham autem genuit Achaz qui continens interpretatur. conti-
x nente nos domine et convertemur ad te. Sequitur
x decima generatio Achaz autem genuit Ezechiam qui confortatus
domini interpretatur et Christus dixit Jo. confidite quia ego vici
mundum. De isto legitur quod fecit generale phase cuncto
populo israel et iuda. Christus non fecit generale pascha
corporis et sanguinis sui cunctis fidelibus. Sequitur
XI undecima generatio Ezechias autem genuit Manassen quod obliui-
osus interpretatur. De isto dicitur quod orauit restitutum in regnum
suum et exauditus est. Et Christus dixit pater clari-
fica me apud temetipsum claritate quam habui an-
tequam mundus fieret. Et audita vox de celo et
clarificaui et iterum clarificabo. Sequitur duodecima generatio
XII Manasses autem genuit Amon qui fidelis interpretatur.
Christus autem fidelis est in omnibus verbis suis. Mortem istius
vindicauit populus sicut et fidelis mortem Christi iudeos qui
XIII dampnauerunt. Sequitur tertiadecima generatio Amon autem genuit
Josiam qui incensum domini interpretatur. quia sunt orationes
deuotorum. De isto non dicitur quod sanctus est in agonia
et prolixius orabat. De isto et Iosias dicitur quod ad
huc puer cepit querere dominum. Christus non cum duo-
decim annorum receptus est in templo et dixit. In hiis
que patris mei sunt oportet me esse. post mortem eius
Ieremias fecit lamentaciones que maxime de Christo
intelliguntur ut patet in fine. Sequitur quartadecima generatio
Josias autem genuit Iechoniam et fratres eius in transmigratione.
Et Josiam genuisse quatuor filios. scilicet Joatham Joachim
Sedechiam et Sellum. post cuius mortem Joachaz
regnauit quem post tres menses pharao amouit
de regno. et fratrem eius Joachim regem fecit. cuius natus
natus est Iechonias. Non quod Iosias genuit Iechoniam
sed Ioachim cui natus est Iechonias. Adhuc videtur
dubium quod Ioachim translatus est de unico regno
quod post eum non constituit. Aliter soluit Jeronimus an-
gelorum. Ambrosius dicens duos fuisse Iechonias
unum filium Iosie qui et Ioachim dicitur. Alter
Iechonias fuit filius istius et dictus est et ipse
Ioachim. Et dicit utriusque nominis est quod primus

ratio fuit sedis Iechonie ponitur. Prima generatio istius
sedis Iechonie, pertinet ad tertiam quaternarium. Iechonias.
Iechonias est preparatus et sic sine preparatus Iecho-
nias sedis genuit a primo. Et Iechonias
tempore persequantur et Christus dicit vado parare nobis locum
genuit Salathiel qui interpretatur peticio mea deus. et
Christus dicit Jo. Pater sancte serua eos quos dedi-
ti mihi. Sequitur tertia generatio Salathiel autem genuit
7 Zorobabel qui magister confusionis interpretatur et de
Christo dicitur Mag... ... publicanis et peccatoribus
manducat. De isto Zorobabel legitur primus
quod mos ceperit utrumque regale et sacerdotale genus
Christus autem fuit rex et sacerdos. Item ipse protulit in te-
coram Dario cunctis rebus et Christus dixit Pilato
Jo. 19. Ego in hoc veni et in hoc natus sum ut
testimonium perhibeam veritati. Item ipse reduxit
captiuitatem de Babilone. De Christo autem dicitur ipsa fore
dicatur captiuis remissionem. Item ipse cepit
edificare templum domini et Christus reedificauit
ecclesiam. Sed dubium est quod primo paralipomenon 3o. Iste
Zorobabel non dicitur fuisse filius istius Salathiel
sed dicitur quod cum genuit Phadaia filius Iechonie

qui et Salathiel. Aut si non est idem forte fuerunt
filios eiusdem nominis. Sequitur quarta generatio Zoro-
babel autem genuit Abiud. Ab isto Abiud de cetero
nulla inuenitur generationis historia. Sed euangelista
addit, uel reuelante spiritu sancto. uel Joseph spo-
nso virginis tradente hoc suo generationis ordine
licet inpositum ex quartadecima generatione Zorobabel ordine
quod non est id Zorobabel filius Salathiel. sed est
Zorobabel filius Phadaia fratris Salathiel ut
dictum est. Abiud interpretatur pater meus et Christus dixit
ego et pater unum sumus. Sequitur quinta generatio
Abiud autem genuit Eliachim qui deus resusci-
tans interpretatur et Christus dixit ego resuscitabo eum
5 in nouissimo die. Sequitur sexta generatio Eli-
achim autem genuit Azor qui adiutus interpretatur
a. et Christus dicit ... non ... misit me adiuuare. Sequitur
septima generatio Azor autem genuit Sadoch qui iustus interpretatur
Christus autem iustus traditus est pro iniustis. Sequitur
a. octaua generatio Sadoch autem genuit Achim qui frater
meus interpretatur. et de Christo dicitur vado ad fratres
meos. Sequitur nona generatio Achim autem genuit
a. Eliud qui deus meus interpretatur. et de Christo dicit
Thomas deus meus et dominus meus. Sequitur

X decima generatio Selmid cuius genitor Eleazar qui interpretatur
deus meus adiutor. Et dicit David deus meus adiu
tor meus. Sequitur XI generatio Eleazar autem genuit Mathan
XI qui interpretatur donatus vel donans. Christus enim dedit
dona hominibus et ipse datus est nobis. Sequitur XII generatio
XII Mathan autem genuit Jacob qui interpretatur supplantans
et Christus dicit Ego dedi vobis potestatem calcandi super
serpentes. Sequitur XIII generatio Jacob autem genuit Joseph
XIII qui apponens interpretatur quia Christus venit ... ut
vitam habeant et habundancius habeant. Videtur
autem Lucas repugnare ei quod hic dicitur. Dicit enim
Joseph fuisse filium Hely. Hely vero filium Mathat
et tandem hanc genealogiam deducit non in Salomonem
sed in Nathan alterum filium David. Et dicendum quod
... Joseph duos habuit patres unum
naturalem scilicet Jacob alterum legalem de quo dicit Lucas
scilicet Hely. Et primo non genealogiam ... de

Jacob. Mortuo vero Mathan, Nathan qui de
scendit a Nathan, Estam viduam uxorem
Mathan accepit uxorem ex qua filium genuit Hely.
Fuerunt igitur Jacob et Hely fratres uterini. Hely
vero accepit uxorem sine liberis mortuus. Frater eius
Jacob volens suscitare nomen defuncti fratris
uxorem eius accepit ex qua genuit Joseph qui secundum
legem erat filius Hely defuncti. Secundum carnem
erat filius Jacob. Primam genealogiam Lucas
sequitur, alteram vero Matheus. Sed Marie

et in de civitate relicta ipse scilicet bonus conferre
nos totos ad querendum deum et nostra beatitudo / cum
ei beatitudo sit infirmus bonus nulla creatura
beatos nos faciat quia magis est [illegible] beatitudinis

unde ut quicquid delectat intra beata est quia ut dicit
[illegible] quod non decat idipsum infimum

quod non oporteat. Igitur ut dicit Augustinus in libero
arbitrio [illegible] tenemus summum bonum quo beati
est qui eo fruimur. Et talia absque beatitudinis
[illegible] ut dicit Augustinus de civitate dei xx
Si animum [illegible] erunt mortales ut non possunt
[illegible] pertingere ad [illegible] viderdi
deum facie ad faciem laborandum est omnibus
voluptatibus corporis postpositis attingere deum
[illegible] deum per contemplacionem, quia sicut creatura misera
est addendo inopia inopie sed in adherere
deo bonum est. Ideo [illegible] quod dicitur
[illegible] deo cum nos quam multi prophete
et reges voluerunt videre que nos videmus
Prophete quidem desideraverunt eum videre sicut Iob
Moyses et Ionas Ezechias Daniel et alii
omnes qui multi fuerunt. Reges non sicut David
devout Ezechias et Iozias et non viderunt. Quidam
zelo fidei ardentes eum venturum sed zelo [illegible]
cum [illegible] viderunt verum tamen [illegible]
[illegible] sit [illegible] que vidit sic eum
et gavisus est [illegible] est quia non sufficit videre
sine noticia veritatis [illegible] Et multi reges
et prophete voluerunt audire que vos auditis vox
celestis sapiencie. [illegible] Sic Regina Saba desidera
bat videre vultum Salomonis ut audirent
sapienciam quam dedit deus in corde eius
et non audierunt digni quidem erant [illegible]
audire sed non dum venerat plenitudo temporis
in quo deus non per prophetas sed loquetur nobis in filio
quem constituit heredem universorum per quem fecit et se[cula]

Secundo cum dicitur ecce quidam
Sed ecce quidam legis peritus [illegible]
primo tangitur vanitas dilectionis [illegible] Primo
cum per interrogacionem temptativam [illegible]
Ille peritus in lege qui legem spiritualiter intelligit
et ea que legis sunt operatur sed non erat
talis iste temptator. Unde peritus erat sophisti
ce et non [illegible] pertinencia saltem ut
[illegible] videretur temptans cum [illegible]
ut dicit Cirillus ut videtur quidam [illegible] in
lege doctus [illegible] doctrina Moysi [illegible] novis
institucionibus facere inutilem et quia lex
tendit ad vitam eternam, ideo facit questionem
quo initio ad eam pervenitur. Sed non Christus dedisset
aliam responsionem quam ea que legis est [illegible]
putasset Christum et eum patrie legis corruptorem
a [illegible] ut dicit [illegible] vocat
[illegible] magistrum [illegible] benedictus [illegible] crede
faciendo. Sed dicit [illegible] quia non auditores
legis sed factores iustificabuntur. [illegible] vita eterna
esse desiderabile primum / omnes in [illegible] vive
appetit et apprehendenti eternitatis eciam vive est
appetibile quod est sine miseria / possidendo solus
enim bonus est qui eciam vita possidet [illegible]
2 securitate non admittendi tenet. Ideo Christus
hanc interrogacionem reducit ad legis noticiam
Et ille dixit ad eum In lege quid scriptum est
[illegible] quo [illegible] vitam eternam possideat
temptatorem legis ad ipsam legem deducit [illegible]

Primo considerandus est lapsus quia descendebat similiter
Iherusalem status pacis ut dicitur Ierosolima visio pacis non dicitur descen-
dit sed descendebat quia humana natura ad miseriam de-
clinabat et imperfecte sed in toto ab illo quod interpretatur visio
pacis. Secundo conditio instabilis est quo devenit
2 in Iericho que luna interpretatur ad literam vero ut dicitur
[illegible] Iericho civitas est in ... montis Ieri-
cho non continet convallia palestine. Et ad de-
scende quid descendendo homo perdidit et quo de-
venit et scilicet quia Iherusalem que est visio pacis
significat et scilicet paradisum in quo homo videbat deum sibi
pacificum ut ei potat sibi voce Iob quia de
2 fine agri paradisi erant ubi Iericho non est in
deserto id est in mundo isto quod est instabile que
ad modum lune semper quod homo mundanus actus ad
instabilitatis antequam mutatur statu permanens. Item
Iherusalem unde homo cadit immortalitatem significat
quia homo possidens in plena anima et corpus pace
erat. Iericho vero horum duorum sed sunt dissolu-
bilis peccando devenit ad mortalitatem quod per lunam
intelligitur que crescit et defecit donec non comparat
Item cadit homo amissione claritatis dei quod est pax
3 Iericho devenit ad tenebras ignorantie ut
sicut agit luna sed filius est lux tenebris mixta
sicut lux lune. Item cadit homo ab Iherusalem
que est quies et pax ad inquietudinem id est in miserias vallis
lacrimarum et mirabiles quas luna sui mu-
tatione significat. Tertiam homini tangit infeli-
3 citatem Et incidit in latrones demones enim
sunt isti latrones id est angeli nocte et tene-
brarum delicto quia angelorum et bonorum eo
pro. Incidit peccans homo in demones latrones
qui multo latrones dicuntur eo quod latenter
anime rapiant bona celestia. Quartam

ritualibus suorum ornamentis scilicet vestimento im-
mortalitatis. Ut primi duo absolverunt vestim-
enta gratie que acceperant et hec vestimenta
sunt originalis iustitia et innocentia quia
fecit sicut perornata sed deus dedit pella-
ceas tunicas pelliceas. Quintam adiungit mi-
5 seria et plagis impositis plage dicuntur
peccata primi Vedam quia his natura humana in
integritate violatur. Et sic infirmitas cum plagis
intelligitur est bonum possibilitas liberi arbitrii
in quibus vulneribus plagatus natura quibus homo
6 Sextam addit homini miseria Abierunt re-
linquentes eum victum tanquam contemptibilem et
desperatum ita et ut tradat ad inimicum sed ea in
quibus cum stare fecerunt hec fit quia
eum decepit homines cum contempnit sed ... ea sed
tradit et quem dare iudicatur. Septima adiungit
7 infelicitate Semivivo relicto ...
semivivus dicitur homo post peccatum quia dicitur
homo semivivus quia ex parte quod scilicet agnitio dei
cognitionem sue vivit ex parte non quod peccatis
primitur mortuus. Item primi eius lux ho-
2 beat vitalem motum liberi arbitrii quod tum
ex se non sufficiat redire ad vite eterne agenda
semivivus est. Item primi Theophilus quod ... debi-
tas homines post peccatum vivit scilicet anima in
dictas vero mortuus sed corpus quorum utrumque
semper proximus sed non peccasset. Item Iericho ...
lia humana post erat id est Adam tota erat

mortua iustitia sed non eadem viri sicut vita erat in
Christo sit vincebat et semivivus erat homo. Secundo Gre-
gorius [?] in parabola continet deviatio sacerdotis sicut Vulnerato
tabe cuius accidit quod quamvis maxime subvenire de-
buissent. Nec quisque sic carne erat ita plagatus
sacerdotis iudeis quorum unius sacerdotii dignitate alter
levitica ordinis officia amplius inferre de-
buissent. Unde dicitur Accidit autem ut sacerdos quidam
... intelligitur antique legis sacerdotium descen-
debat eadem via quia omnes scilicet qui sunt sacerdotii
dignitate exaltati descenderunt primo peccata
a primis parentibus quia et peccatis non salvare
eos potuerunt et visa eo quod lex dedit
sacerdotibus notitiam culpe primi parentis
preteriit quia gratiam salvatoris dare non potuit
quam ut dicitur Theophilus venit lex et stetit
usque ad tempus prefixum. Deinde non valens
curare hominem abiit. Deinde inducit aliquam
negligentiam. Similiter et levita Iudeos legis mini-
sterio ac tempus prophetarum intelligitur. Et cum esset
secus id est iuxta locum ubi ille in felicitate ia-
cebat. Scilicet quod erat sicut omnis in eadem
valle miserie fuit et viderunt quia ipse
culpam languebat. Pertransiit quia nec legis
sacrificia nec prophetarum predicatione potue-
runt sed transierunt omnia tanquam inutilia.
3 Tertio per Christum qualiter hominem vulneratum
sub sidium prestitit. Samaritanus autem quidam
iste samaritanus Christus est. Nam samaritanus custos
interpretatur. Custodit autem deus omnes diligentes
se. Qui venit in carne ut in semet vulneratum
custodiret. Et inde quomodo per eum liberatione
iste fecerit. Primum et iter faciens Theophilus
quasi ex proposito sicut statuens ut nos cura-
ret. Sanus est ... viator qui erat et
comprehensor. Et attende quod Lucas facit iter
non tamen eadem via descendit qua ceteri quia
solus ipse sine peccato de virgine natus in hunc
mundum descendit. Item venit secus eum vel
ut sicut alia litera secus viam venit
quod scilicet secundum homines vulnerati peccato quia
apparuit in similitudine carnis peccati et tum pec-
catoribus condescendit ut amicus publica-
norum et peccatorum fuit dictus. Item
ad beatitudinem. Et videns eum non horruit
primus medicus aura feda conspicere. Ezechiel
Et transiens per te vidi te conculcari in sanguine
tuo. Lucas nichil est hominibus deo remotius
non loco sed dissimilitudine quia ipsi mortales
et peccatores deus vero immortalis et iustus
volens quia deus ut eo propinquius nobis
assumpsit utrumque malum nostrum scilicet mortem
et penalitatem quia liberatore indiguissent ut quia
non erat quod nos simus sed ipse nos mortali-
tatem nostram assumpsit easdem sustinens
passiones voluntarie quo nos patimur
necessitate peccati. Item aliud bonum alligat
vulnera eius. Hec alligatio est peccatorum
cohibitio ... duobus distinguit vulnera in
sterilitate propter quod dicitur quod alligat. Unum
vulnera inflicta homini per se ligamentis
sacramentorum vel unius fonte baptismi. Unum
vulnus ... conformatione vel unius odii.

In exaltatione Sancte Crucis Sermo

Extra in libro de crucis [illegible]

Cum exaltatus fuero a terra omnia traham ad me ipsum. Ista verba [illegible] traxit deus omnia ad se per sacramenta sub signo crucis sancta virtute passionis. [illegible] omnia sacramenta virtutem recipiunt. Primo traxit per baptismum omnia sub signo crucis, sancta quia puer cum baptizatur benedicitur

Baptismus — et cruce signatur et post baptismum, et tunc virtute passionis et crucis [illegible] in baptismo [illegible] et in [illegible]

Figura — aperitur et qui prius fuit filius ire erit filius dei. Hoc figuratum est in veteri lege [illegible] ubi legitur quod dum iudei irent in terram promissionis egyptios eos [illegible] et cum se [illegible] montes et mare rubrum [illegible] habuerunt. Tunc moyses clamat ad dominum et percussit virga mare et divisum est quod [illegible] transierunt. Inimicos eorum submersit mare. Mare rubrum est baptismum rubricatum sanguine christi et tunc virga percutitur [illegible] cruce signatur, et baptismus dividitur [illegible] vias quia [illegible] [illegible] fidelibus [illegible]

[illegible] peccata omnia submergit [illegible] [illegible]

Penitentia 2° — Secundo deus traxit per sacramentum penitentie omnia sub signo crucis. Anima [illegible] est [illegible] peccator [illegible] [illegible] [illegible] fuit in peccatis [illegible] penitentia deus [illegible] recipit. Quam [illegible] sacerdos [illegible]

Figura — peccatorem absolvit signo crucis [illegible]. Et hoc ita fieri debuit et [illegible] est figuratum in veteri lege. Nam dum filii prophetarum quondam operabantur et unus illorum securis de ligno in aquam decidit iam lignum in aquam [illegible] et statim ferrum [illegible] et cum ligno [illegible] [illegible] [illegible] in profundum [illegible] decidit [illegible] [illegible] gratia [illegible] ita [illegible] [illegible] dominus voluit [illegible] gaudium [illegible] angelis dei super uno [illegible] et penitentiam agente.

Ordo 3° — Tertio traxit deus omnia per sacramentum ordinis sacerdotalis sub signo crucis quia cum sacerdos ordinatur cum benedicitur [illegible] cum ei caracter passionis et crucis [illegible] [illegible] [illegible] [illegible] [illegible] benedicitur [illegible] cruce et consecratur ut [illegible] [illegible] [illegible] dei [illegible]. Huius figura in veteri

Figura — lege. Nam deus dixit ad moysen ut [illegible] omnibus tribubus [illegible] in tabernaculum et [illegible] virgam [illegible] in manu sua. Et cuiuscumque virga [illegible] frondes et fructum [illegible] ille esset quem deus elegit in sacerdotem et pontificem. Et [illegible] virga aaron frondes floruit et fructum fecit [illegible] amigdala. Tunc aaron [illegible] [illegible] qui sola gratia voluit et ordinatione dei elegi. Omnem debet [illegible] [illegible] dei [illegible] folia debet habere, i. sancta [illegible] [illegible] flores [illegible] vitam. Fructum facit [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] vos me elegistis [illegible] vos [illegible] et posui vos ut eatis et fructum afferatis et fructus vester maneat.

Confirmacio 4° — Quarto traxit deus omnia per sacramentum confirmacionis sub signo crucis quia tunc in fronte signatur et crismate ungitur ut [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible]. Cuius figura fuit [illegible]

Figura — ubi deus precepit iudeis sanguine agnelli ungere postes hostiorum et ubicumque invenisset vincti in illa domo mortuus [illegible] [illegible] [illegible] [illegible] sanguine et passione christi signati non sunt morientur. Figura [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] albis indutum et [illegible] [illegible] [illegible] audivimus [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible]. Et post [illegible] [illegible] [illegible] viros [illegible] [illegible] [illegible] [illegible] omnes qui non erant signati [illegible] [illegible] alba [illegible] indutum [illegible] sanguine [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible]

[illegible] — [illegible] impedimentum est timor et verecundia [illegible]

Eukaristia 5° — Quinto traxit deus omnia per sacramentum sub signo crucis [illegible]

[illegible] — [illegible]

[illegible] — [illegible] folia [illegible] pulcherrima, flores pulcherrimi [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] folia [illegible] [illegible] flores gutte sanguinis fructus [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] et volucres [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible]

[illegible]

Nemo potest duobus dominis servire

Math. 6. Prima pars huius clausule luce-
scit. vel licet non eiusdem xix. Servilis
conditionis est natura huiusmodi quod s(er)vus ipsi suo
serviat, prout et philosophus notum facit. In homi-
nibus alicuius se implicant servitutibus, ut
natura uiri concurrant, non est relicto omni
valet sibi suum tamen servire regnare est et
et curam de omnibus vel prius clarius nos ad
monet. Ideo relicta servitute aliena, nos
totos ad dei servitium vertamus. Et tamen facit
primus namque dicere quod homini duplex servitus
impossibilis est. Ergo aliena servitus est instabilis
vel stabilis, deo nobis non palliat, ergo deo. Dei
servitus erit eligibilis vel servitus prima ve-
ri et certa. Secunda pars tamen facit parum ut in
primis impossibilitatem duplicis servitutis. Dicit enim
aliquis se posse deo servire et mundo sub an-
grarum vanitate. Nemo potest duobus do-
minis dominis intelligere sub contrariis quoniam duo
[illegible] in invicem. Et tamen Christus noster
se[illegible] unus deus est. Non potest autem duo-
bus dominis servire. Primus quod non potest
pluribus dominis sed unum tantum, quam et cetera
per corpus. Homines tamen sponte aliquis se
vitiis se submittunt quod non potest dominum
[illegible] possiderunt nos dominum absque te.
2 Item si servus est unus non potest dividi ut
pluribus serviat. Item cum omnia possibilitas
3 uix serviat. Obsequia unius domini
2 Vnum non potest pluribus intendere. Item quia
dominus vult suum servum [illegible] patris ad suum
negotium, vel non potest aliis intendere. Et
dicunt ergo quod homines servi non potest
deo servire, dico quod servus quanto servus facis
voluntate domini sui mansuete et caritate
servit deo. Quod [illegible] servire deo [illegible] non
ad ephes. 6. Item servitus est cum aliis
[illegible] homines facere potest quod servus
non est homini obligatus sed deo per totum. 6.
Servus vocatus est non sit ei cure. Ergo
habet impossibilitate duplicis servitutis. Prima
assumit quadam sufficientis divisionis
cuius quidem parte data scilicet quod vel unum
unum odio habebit et alterum diliget. Utrumque ne
diligere non potest quia duo contraria [illegible] et
[illegible] vel se utrumque [illegible] unum
sustinebit et alterum contempnet. Utrumque
[illegible] sustinere non potest [illegible]
[illegible] utrumque contempnere quod tamen [illegible]
non est. Veritas istius divisionis [illegible]
[illegible] pluribus dominis adiungere ad unum
[illegible] quod unum duorum diligit, alterum odio
habet [illegible] quod non potest servire duobus [illegible]
[illegible] servit ei soli quem diligit, sed [illegible] servitute

reputat quomodo. Et non magis sit quomodo [illegible]
servitute eius quem odit, tamen sustinebit servitutem eius
[illegible] coactus alterum autem contempnet quem diligit
[illegible] si utrumque odit serviet ei quem metuit, [illegible]
tempsta aliquis servitute quem non timet et [illegible]
quem sit [illegible] serviet. Tertio infert conclusionem intentam
3 Non potestis servire deo et mammone quia sunt duo domini
oppositi [illegible] sicut aliquis se dixit servire perhibere
deo et per hanc mammone. Et ceterum non potest quia ad
deo et [illegible] totum posse et virtute qua servimus
[illegible] et totum posse requirit in suum servitium a-
lias non est servitus sed fraus. Non quod ma-
mona est [illegible] dyabolus, [illegible] demonis. Dyabolo   non
servit homo primus tamen [illegible] [illegible] incogitatione
[illegible] Ibi cogitacione concupiscentiis. Item
[illegible] [illegible] Ibi vo et [illegible] alios pec-
care faciens. Ibi peccatum inpositum dicens
Ibi peccare non erubescens. Ibi etiam ma-
lefacta defendens. Iniqua servitute peccatores
ipsi suo serviunt. [illegible] Quia dicati sunt
[illegible] Ibi serviunt inimico [illegible] serviunt dyabolo
alicuius die ac nocte qui requiem
nobis non dabunt. Item serviunt dampna-
tori qui [illegible] servum ducit ad dampnationem
dicens [illegible] servisti [illegible] ergo [illegible]
[illegible] serviunt [illegible] non dyabolo dei servitium
contempnunt, licet eum non [illegible] Iob 21.
[illegible] servus [illegible] et ut servamus [illegible] Et [illegible]
servitus est [illegible] [illegible] mundo serviunt

contingunt. Sexta similitudo est avaricia que similis pecunie [illegible] et avaricia est ydropisi similis. Sicut enim avari contrahunt avaricie congregando divicias usuras / perpetrando rapinam laborando die noctuque. Percurrunt terras alienas, mare navigant, in se ferunt estum et famem et sitim et tot se exponunt periculis quod plures sunt apostoli non sustinuerunt, que si propter se facerent [illegible] eius merito [illegible] supplicio [illegible] [illegible] possent eis comparari. Item sicut avaricie non quod divicias habet sed quod diligit non sit corporis, sed ipsi potius diviciarum custodiendo, congregando et [illegible] excogitando de ipsis. Ista similitudo divinas similiter concludit Iohannes [illegible] quod avarus qui tenetur nocabulo vano non posset sunt [illegible] divicias quas habet [illegible] sicut de [illegible] Luce xvi. ubi dicitur: divites epulones [illegible] in inferno [illegible] guttam aque non potuit habere. Relinquunt enim avari istas divicias et vadunt ad eternitatem [illegible].

Secundo dicitur quia non potest ad similitudinem deo et divicijs [illegible] quod uidetur [illegible] quod inde similitudo sit competenda. [illegible] non ad se [illegible] quod sit [illegible] ut [illegible] victus sit et vestitus, quorum non obstante necessitate [illegible] pluribus [illegible] salvator dicit quod [illegible] avaricia et sua sollicitudine [illegible] non sit [illegible] est a [illegible] victus non [illegible] inducit ad [illegible] corporis. Sed deus dedit quod magis est, scilicet corpus [illegible] dabit quod minus est, victum scilicet et vestitum. Vide [illegible] [illegible] [illegible] [illegible] est [illegible] non [illegible] [illegible] ut [illegible] [illegible] vestitu [illegible] [illegible] ipse [illegible] [illegible] [illegible] [illegible] non [illegible] [illegible] et [illegible] [illegible] attendite quod [illegible] [illegible] [illegible] [illegible] ne sollicitis [illegible] anxij et nimis [illegible] non [illegible] [illegible] nolite [illegible] [illegible] ut sustentatio corporis laudabilis est [illegible] [illegible] sollicitudo quod [illegible] [illegible] [illegible] [illegible] affliccione [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] [illegible] non quod intelligibit [illegible] Item attende quod [illegible] [illegible] non

Ego sum pastor bonus. Bonus pastor animam suam dat pro ovibus suis. Mercenarius et qui non est pastor, cuius non sunt oves proprie, videt lupum venientem et dimittit oves et fugit. Et lupus rapit et dispergit oves. Mercenarius autem fugit quia mercenarius est et non pertinet ad eum de ovibus. Ego sum pastor bonus et cognosco meas et cognoscunt me mee. Sicut novit me pater et ego agnosco patrem. Et animam meam pono pro ovibus meis. mercenarius videt lupum venientem et dimittit
oves luporum morsibus lacerandas et fugit ut
salvet se ipsum. Attendendum quod aliquis merce-
narius resistit corporaliter animo tamen fugit quia
quamvis timeat increpare conqueritur adul-
terum fugit animo licet persistat corporaliter. Item si
contempnit veritatem predicare ut alliciat et
verens aut corrigere non obviat sed timi-
dus silencio ipsius captare benivolenciam
dimittit oves curam eius non impendendo
fugit corde ab eis. Considerandum est distan-
cia veri pastoris a mercenario. Verus enim
pastor sicut salvator ait qui videns in pas-
sione sua non lupum unum sed multitudine
luporum venientem premisit se ipsum dicens
dicens: quem queritis? Cum illi dixerunt Ihesum
nazarenum ipse non fugit discipulos relin-
quens sed ait: ego sum. Si ergo me queritis
sinite hos abire. Mercenarius vero lupi veni-
ente [illegible] et lupus rapit ut in passione [illegible] in cru-
ce [illegible] in morte et sinite et dispergit oves
[illegible] dispergit oves sicut nunc est gregis

non sunt sed mercenarii. [illegible] dispersi
sunt oves mee eo quod non esset pastor

• Omnes sunt administratorii spiritus Heb. i. Hodie agimus festum omnium angelorum quibus dicamus
primo, quamvis singulariter omnes honorare non possimus propter eorum multitudinem. Unde Apocalypsis "milia
millium ministrabant ei et decies centena milia assistebant ei." Ideo isto die omnes simul honoramus.
Secundo ut eos saltem hodie per unam quisque letificemus, quia gaudium est angelis dei super uno peccatore
Tertio ut actus adeo compendiantur, quamvis peccatorum animus vim tam [illegible] deputatum addidimus multis
Custodes et ministri sunt hodie omnes. Quarto ut ipsos patronos sinamus quod contra nos cottidie faciunt communiter. Primo
ministri sancti angeli ministrant et sunt nobis multiplices. Primo custodiunt nos in tempore
ne custodiant homines tercio in pace sibi in parte sibi in [illegible] ad mortem — acceptu ne peccemus amodo et in locis medie et regiones in quo tunc non custodiunt homines ut
demones. Et custodia angelorum necessaria impulsu malignorum spirituum quibus sic possunt. Sic figuratur
est Anagni [illegible] tamen cecidit aqua et mi ei. Secundo libenter multa scientie suggeruntur dyabolo
in temptationibus suis non credunt angelis. Ideo illos accusabunt coram deo graviter in iudicio.
Et non mirum, quia eos gaudio contraxerunt, et fructu laboris sui frustraverunt, et quia eos peccando
in irreverentia fecerunt magna in peccata corporis peccando. Caveat ergo tibi abacuc angeli. Si
cum veneris. Sicut de ut Zacharias et Daniel. Viso angelo timuerunt et ceciderunt
quod secuti sunt, qui venerunt ad consolandum eos. Quid faciet peccatores dum audierint omnes
in iudicio accusantes eos. Timeamus ergo deum quibus amoveri aures sic [illegible] et horum.
Unde narrat Petrus Alfonsus de quodam heremita qui sic scripta sunt in oculis habebat et ruminabat
dampna magna sua et recognoscens quid fecit dum peccabat in nomine tua et angelis [illegible]
de loco. Sed veniet dies iustitie, velut legatus omnia que fecisti in loco grande tue, vel angeli
adiutores et comites denuntiabunt opus tuum. Timeto ergo dominum patrem et honora [illegible]

Secundo angeli quod animalia impediunt nos perficiendo ne peccemus. Unde figura in Balaam
num. xxii. Qui cum vellet maledicere populo dei, angelus in via evaginato gladio occurrit
reducit cum nos multa beneficia dei impensa. Unde figura, quod angelus ipsum [illegible] ostendit eos
peccantes ne ipse [illegible] quod fecit et cetera. Stante videlicet [illegible] stulte [illegible]
Tertio amant nos angeli de peccatorum excitando nos a culpa. Unde figura actuum xii et petro
existenti in carcere apud Herodem et dormienti, venit angelus et excitavit eum et eduxit
per duas custodias, et cum duxisset ad portam ferream que ducit ad civitatem, ultro aperta
est eis. Carcer Herodis, id est dyaboli, est peccatum mortale, de quo nos excitat angelus dei sanctis
inspirationibus et educit per duas custodias demonum. Itaque est quod dominus dum vult hoc magis
dedit eum dyabolus, etiam ponunt in opere anime. Quod pluribus libenter nos angeli dei
in Damasco, perdit permissione. In omni modo quia voluerunt et magnus demones
se transformaverunt et diversas temptationes mittentes homines plures deceperunt et
fraudaverunt, et cum contentatur unus nocendo, quomodo cuncto magis nocuerunt toto
mundo plures dolentur ut dicitur Apocalypsis xii. [illegible]

Quarto amant angeli homines confirmando eos in pena. Sic figuratur in angelo qui excitavit
Heliam et fecit eum comedere panem subcinericium, et ambulavit in fortitudine cibi illius per dies xl
Sic cum excitant homines ad penitentiam et alia bona opera ut perveniat ad regnum
celorum. Primum cum venimus revelatur deo sacrificium opere, letificat angelos, omnia
bona opera mortalia annichilat et regnum celorum aperit. Et veniet dies ut prima [illegible]
quod perdidit et facta et mala, de quibus nullum fructum et non penitentes qui adhuc agunt ad
penitentiam. Tanquam coacta dum per quid sunt in corpore mea, tanquam peccata ergo non
[illegible], tanquam desperata ut inde. Sed pena nec tamen amara volumus [illegible]. Cito

Quinto commendant homines in tribulationibus. Unde figura in angelo Danielis et puerorum qui descendit
in fornacem ignem et excussit flammam ignis. Sed in oratione plurimorum, agrarum
ut [illegible] non statim tribulatorum complentur, cum deo eos diligens orant subveniet. Sed pro semper
in deserto veniunt, dicentes: que tempore pluvie non statim guttas stillant, sed prius quum
humorem sibi imbibunt, et tunc stillas validas copiose fundunt. Sic intribulare, unde scilicet
non statim deus ut angeli orantibus obtinent, sed prius multa devotione homines bibunt et tunc
stillas amplius validas copiose semper fundunt. Unde [illegible] rumoribus [illegible] qui dicitur
plorare angeli, multa vero et in tribulatione devote, ut reclinando admirant peccatum

S[ed] adiuuat hominem in extremis / ubi tunc maxime insidiabuntur demones [illegible] / Et tunc adueniunt [illegible]

Dominica xvi post festum sancte trinitatis

Istud evangelium scribitur Luce 7o capitulo circa principium et legitur in dominica xvi post festum sancte trinitatis. In quo ostenduntur duo, videlicet vera humanitas Christi et divinitas. Humanitas quia ibat; divinitas quia suscitabat mortuum. ... ad allegoriam, 2o quantum ad tropologiam.

Ecce defunctus qui coram multis ad portam effertur ... [illegible]

Ibat Iesus in civitatem que vocatur Naim, et ibant cum illo discipuli eius et turba copiosa. Cum autem appropinquaret porte civitatis, ecce defunctus efferebatur filius unicus matris sue, et hec vidua erat, et turba civitatis multa cum illa. Quam cum vidisset dominus, misericordia motus super illa dixit ei: Noli flere. Et accessit et tetigit loculum. Hii autem qui portabant steterunt. Et ait: Adolescens, tibi dico, surge. Et resedit qui erat mortuus et cepit loqui, et dedit illum matri sue. Accepit autem omnes timor, et magnificabant deum dicentes: quia propheta magnus surrexit in nobis, et quia deus visitavit plebem suam.

Sedo ponit preceptum de dilectione proximi ibi Secundum autem
simile ei est. Ponit enim ordinem et similitudinem ad primum. Similitudo est
quia sicut preceptum de dilectione proximi quod ponitur
po secundo loco non est in charitate et est simile primo
tra quoniam quod utrumque est de dilectione. Sicut
dicit Augustinus diffiniens charitatem diligere deum
2 et proximum. Item simile quoad aliquam adaequationem quia omnis
qui diligit deum diligit et proximum. Et similiter
item simile quoad quoniam imago est homo in quo
deus diligitur sicut rex in sua imagine honoratur.
Item simile per quod eadem oppositione
deliquimus. Unde ponit ibi manda-
tum diliges proximum tuum sicut te ipsum. Levitici xix
Augustinus de doctrina christiana. Nomine proximi
intelligitur ut cui prebendum est vel a quo nobis
prebendum est. Unde officium ei sunt et angeli
et Christus. Et proximum intelligi sicut sunt et
homines. Deinde istius precepti tangit modum
et formam. Sicut te ipsum. Augustinus primo de doctrina
christiana capitulo xxij. Amplius dicitur sciens diligere
ut sic operetur quomodo deum diligat toto corde
tota anima tota mente etc. et proximum diligendum.
Sed hec duo precepta caritatis commendat in his
duobus mandatis universa lex nostra et anti-
qua et omnes sunt prophete. Pendet enim sicut tota
lex in his duobus fundatur mandatis. Quia
lex que habet precepta vetera et penas fundatur
in his duobus mandatis. Et prophete in eis [illegible]
tationes comminationes et promissiones suas
fundat. Sed et aliud duo precepta [illegible]
[illegible] majora et minora [illegible]

T
Ostenditur quod Christus sit dei filius et ideo fatetur
quando eum interrogat congregatis [illegible]
[illegible] interrogat autem eos dicens Quid vobis vi-

[illegible] quod non credunt Christum [illegible]

voce eos interrogat Cuius filius est. Item non
forte quereret quod ex quo tota lege [illegible]
bat ad duo mandata dilectionis tamquam
artificiosus legislator [illegible] unde [illegible]
hec duo mandata reducit ubi diligere

L**oquebatur ihesus cum discipulis in parabolis dicens Simile factum est regnum celorum homini regi qui fecit nupcias filio suo et misit servos suos vocare invitatos ad nupcias et nolebant venire. Iterum misit alios servos dicens Dicite invitatis Ecce prandium meum paravi tauri mei et altilia occisa et omnia parata venite ad nupcias. Illi autem neglexerunt et abierunt alius in villam suam alius vero ad negociacionem**

et contumeliis affectos occiderunt. Rex

autem cum audisset iratus est, et missis exercitibus

suis perdidit homicidas illos, et

servis suis: Nuptie quidem parate sunt, sed qui

invitati erant non fuerunt digni. Ite ergo

ad exitus viarum, et quoscumque inveneritis vo-

cate ad nuptias. Et egressi servi eius

Missus est gabriel angelus

et regni eius non erit finis. Dixit autem
maria ad angelum / quomodo fiet
istud quoniam virum non cognosco. Et
respondens angelus dixit ei / Spiritus sanctus
superveniet in te / et virtus altissimi
obumbrabit tibi. Ideoque et quod na-
scetur ex te sanctum vocabitur filius
dei. Et ecce elizabeth cognata

quam secula seculorum laudabunt te.

ut gaspardum et patriam eius designet maria desponsari

Ambrosius: Supponit antequam de modo quaerat; et quod filium esset ...

quia omnia mea tua sunt

post partum incorrupta permanens

quod dabit eius umbra qui omni tribulacione

Idem: spiritus sanctus advenit ...

Non cognosco. Zacharias erat negat se scire; negat se credere et alium auctorem suae fidei quaerit; ideo accepit signum tacendi quia signa non fidelibus sed infidelibus dantur.

Spiritus novum in omnibus egit, quae ab eo ut operari virtus vel ab et ostendit de incognito fugiendo.

Et virtus altissimi obumbrabit tibi. Potest utraque salvatoris natura intelligi, quia umbra a lumine et corpore absconditur; solet formari, et in virgine plenitudo divinitatis corporaliter incubabat, sed virtus altissimi obumbrabat cum in corpora humanae divinitatis in ea suscepit humanitatis ut posset deum pati.

Nec virgo de partu dubitaret, exemplum sterilis et anus gravide, ut discat omnia deo possibilia quae ordinavit contra naturam.

Et cognata tua quia de tribu levi et de tribu david.

Ambrosius: Sequitur quod facerem credit quia quo fiat credit.

Ambrosius: Cum Sara risit de promissione dei et maria dixit quo fiat istud cum virum non cognosco ... non fuerit muta, sicut Zacharias. Sed Sara et maria non dubitant facienda quae promittuntur, sed modum requirunt.

Ambrosius: Et legerat: Ecce virgo concipiet et pariet filium; credebat esse quod impleri oportebat, quod ab angelo audierat; quo ordine impleri deberet inquirit, quod neque in illis oraculis ab scondito apparuit, nec ab scondito per angelo est nuntiatum.

Beda: Superveniens spiritus in virginem et mentem illius ab ardore ac fomite viciorum castificavit, ut celesti esset digna partu, et in utero eius redemptoris corpus sua operatione creavit. Medium ... carne legimus. ... dictus et spiritus nominatur et virtus.

Beda: Sicut nasciturus sanctus quod ... corruptibilis ... et conceptus ... non est nos ... corruptibilis naturae constricti, per gratiam possumus sanctificari; et congruit ut qui contra morem virgo gravida ... dei filium generaret.

cnrg. Et ipsa concepit. Legimus quod aaron qui de levi erat accepit uxorem de tribu iuda elizabet sororem naason et in postremo legimus quod ioiada pontifex uxorem sumpsit de tribu regali iosabeth filiam ioram. Unde utraque tribus regalis et sacerdotalis erant coniuncte sicut maria et elizabeth cognate et congruit ut de utraque tribu mediator nasceretur qui regnat ut rex et sacerdos [illegible] et convenit ut [illegible] concepit alta spiritu sancto repleta prophetavit [illegible] cognate [illegible] que [illegible] concepto non [illegible]

tua et ipsa concepit filium in senec-

i. verbo dei

impossibile apud deum omne verbum
¶ i. impleta obedientia ut dicatur filius ancille

Dixit autem maria ad angelum

Ecce ancilla domini fiat mihi
¶ sine virili semine concepturam [illegible] regnum

secundum verbum tuum. Et

Quia non quaciunque credi[illegible] exemplis hortatur ad fidem sed credenti que audierat angelica verba replicat audita ut que deum virgo erat paritura per[illegible] quia anum sterilem [illegible] partum agnosceret.

Deinde tangit angelus [illegible]
[illegible] dominus tecum [illegible] [illegible] est dominus

et tamen virgine excellentissime erat cum qua [illegible] ut gratiam quibus unius erat beata [illegible] esset beata [illegible] quito [illegible] te et in [illegible] suis. Deinde tangit angelus benedictionem virginis dicens singulariter Benedicta tu in mulieribus. Vere benedicta super omnes mulieres quia ipsa male-dictio Eve mutata in benedictionem. Benedicta et pro-[illegible] quod dominum genuit et dominum. Benedicta etiam super omnes angelicas creaturas [illegible] angelorum [illegible] esset regina. Et notandum quod angelus salutans virginem non illius tacuit nomen quod [illegible] eius tacuit [illegible] in primo [illegible] virginis excellentia excellentes. Unde [illegible] cum salutamus nominamus [illegible] tacuit [illegible] ut [illegible] ne pro [illegible] ideo tacuit nomen [illegible] quia advenit [illegible] specialis dignitate [illegible] nominata erat [illegible] sicut [illegible] filius et pro-[illegible] obmissio [illegible] nature [illegible] cum [illegible] nominando. Tertio ideo nomen eius tacuit quia non [illegible] ad eam salutanda [illegible] erat [illegible] gratia plena. Ideo ponit [illegible] virginis modestia [illegible] cum audisset nova salutacionis forma turbata et aliqualiter [illegible] in modestia tetigit [illegible] quia timuit [illegible] quia [illegible] angelicam [illegible] et non [illegible] videre angelum cum [illegible] modo [illegible] in lumine et splendore [illegible] perturbata. Unde cantat [illegible] Secundo ideo timuit [illegible] angelus [illegible] ut [illegible] virginis [illegible] salutata virgo [illegible] angelo [illegible] [illegible] dignitatis [illegible] virginis [illegible] Tertio ideo turbata est quia [illegible] quito [illegible] cantabat et [illegible] et tanto magis [illegible] dibus et gracijs [illegible] eius. De quia turbata et [illegible] eius. Deinde tangit virginis prudenciam et cogitabat qualis esset ista salutacio [illegible] si cogitabat quod [illegible] fuit audita salutacio [illegible] virginis [illegible] quia non fuit [illegible] virginis [illegible] angelo [illegible] tacuit [illegible] prudencia quia [illegible] angelus [illegible] prudencia quia ut dicit [illegible] [illegible] virgo est [illegible] salutat saluta-[illegible] et [illegible] ut [illegible] ante angelum [illegible] virginis [illegible] quia ut dicit [illegible] angeli [illegible] angelus [illegible] angelica allocucione [illegible] [illegible] et cogitatur [illegible] et [illegible] satisfac[illegible] [illegible] ne timeas Maria [illegible] [illegible] timuit [illegible] quia [illegible] angelus timoris [illegible] ut [illegible] angelus [illegible] volebat

Unde et [illegible] non [illegible] tacuit [illegible] ut [illegible] non [illegible] ut audito nomen [illegible] [illegible] est ut [illegible] quia ut dicit Petrus Ravennas [illegible] [illegible] virginis ne timeat [illegible] [illegible] audiret [illegible] dicit et ipse angelus timet et [illegible] stupet et [illegible] [illegible] angustias [illegible] angustia et [illegible] angelus virginis cogitatur salutacionis [illegible] salutacionis [illegible] [illegible] est quo [illegible] gratia plena [illegible] gratiam apud deum. Gratiam plena [illegible] [illegible] sicut gratiam [illegible] peccare potuit [illegible] gratiam [illegible] [illegible] et [illegible] virginis est [illegible] gratiam [illegible] Unde Petrus Ravennas [illegible] [illegible] [illegible] gratia [illegible] [illegible] noluit [illegible] [illegible] conceptu in [illegible] partu [illegible] [illegible] castitas integritas [illegible] dignitas. Deinde [illegible] tangit [illegible] [illegible] dicit [illegible] [illegible] [illegible] sit ei virginis Ecce concipies in utero et paries filium. Tangit autem conceptus virginis [illegible] [illegible] [illegible] ut [illegible] [illegible] est [illegible] [illegible] [illegible] [illegible] et [illegible] [illegible] [illegible] virginis [illegible] Deinde tangit [illegible] [illegible] eius magnitudinem Hic erit magnus et [illegible] [illegible] ante [illegible] virginis fuit magnus [illegible] filius [illegible] [illegible] acceptus [illegible] tangit angelus [illegible] sit [illegible] magnitudo [illegible] Et filius altissimi vocabitur [illegible] filius altissimi [illegible] ut nos filij [illegible] [illegible] et filius dei. Deinde ostendit ubi et quantum sit regnaturus Et regnabit
in domo iacob in eternum. Iudei qui non crediderunt christum
nisi temporalis regni expectabant, et ideo spiritualiter regnabit
in domo iacob licet secundum carnem sed multi sunt [illegible] quia
domus iacob magis in fide fundata est et religione quam
in carne et sanguine. Ideo omnes fideles de domo iacob
sunt et multi non credentes de domo non sunt. Et regni eius
non erit finis. Unde daniel: potestas eius potestas eterna
que non auferetur et regnum eius quod non corrumpetur.
Quomodo [illegible] interrogatio cum in tanta [illegible]

[illegible] nos [illegible] filii
Ipse enim salvum faciet populum suum
a peccatis eorum. Remigius. Hic ostendit
Christum totius mundi salvatorem et
nostre salutis auctorem. Salvat quidem
non incredulos sed populum suum id est in se
credentes et opera fidei facientes.
Hos salvat non tamen visibilibus
hostibus, sed magis invisibilibus
hec a peccatis. Salvat non armis
pugnando, sed peccata dimittendo seu
relaxando. Et per hoc ostendit filium
parturis esse deum, quia peccata dimittit.
nemo enim potest peccata dimittere nisi solus deus.
Crysostomus super Matheum [illegible]. Horrenda est ista
sententia. Non sunt salvi qui non sunt
de populo dei. Appellant autem deus
populum suum, populum christianum, [illegible]
[illegible] christianis sicut quondam de populo
dei erat [illegible]. Sed quibus et populus
dei [illegible] quando flagellatus est in egypto
flagellis [illegible]
dicitur esse in populo dei. Populus dei est quando
dimisit obstinationem et egyptiacam regionem

raonis, quando cessavit ab opere laterum
qui terra igne avaricie consolidat. [illegible]
sequitur Moysen et Aaron, legem

Rubrum seculi sicco vestigio, ne fluctus

sos, quando per deserta sequitur Christum,

liaris [illegible]. Et alibi [illegible]. Et
custodias omnia precepta eius ut faciet
te excelsiorem cunctis gentibus

Ecce apostolus dei dictus et electus [illegible] custodia mandatorum eius. Et haec omnia insignia dicta et facta sunt pro eo cum omnes christianos salvi fiunt sed qui passi sunt pro eo ut [illegible]. Et qui mandata impleverint eius et ideo credentes salvari [illegible] [illegible] apostolo dei [illegible] [illegible] est [illegible]. Sed dubitatur de [illegible] angeli [illegible] apostolus dei quo petere [illegible] apertis primo salvus fiendi. Sed petere quo apostolus dei [illegible] Symon apostolus [illegible] petere [illegible] [illegible] dignatus est nasci et mori. Et dicitur apertis [illegible] ab hostibus corporalibus ut [illegible] apertis [illegible] solus dei [illegible] qui [illegible]

Ambrosius | Maria autem conservabat omnia. Sicut dictum est ad illos, hoc est, et magis glorificant quia non aliter invenerunt quam dictum erat ab angelis. Ad illos referunt laudes ad gloriam dei, nam angeli imperaverunt laudare, sed ipsi laudando impleverunt. Similiter in [illegible] dicitur gloria in [illegible] alias dicitur via pax hominibus bone voluntatis etc.

generaliter praefuit in vivente verbo vita non est
intelligendum secundum manichaeorum deliramenta de
factis in se vitam autem sed potius omnia ita sunt in
vivente verbo sicut omnia continentur ut dicit Augustinus
super Iohannem tractatu 1o quod clamantem nos vitam in[illegible]
vitam contendit quia omnia continentur in ipso
quae intellectualiter creata cum in se ipsis non sunt viventia
in illo tamen vivunt. Et quia omnia sunt in verbo
primo et primo in verbo deinde in se emanant, ita quod
actus emanationis non est vivificatio sed nec
praeclarior apud verbum alioquin vitam talem actu
non emanans. Et quia deus per se ipsum ab ae-
terno intelligit divinam naturam et omnia creata sub
in verbo continentur, ideo dicitur quod omnia creata et
est vita, ita sunt primo in ipso prima deo vita in ipso
vita in natura intelligente et talis natura magis
intelligitur vivens quam in actu intelligens. Et
quia divina natura intellectualis sed non separata ab
actu vivendi et intelligendi, ideo ipse actus est
natura ideo deus maxime vivens. Unde ipse est
flos vitae et fons et non de ipso dicitur psalmo apud
te est fons vitae. Omnia enim in ipso primo
vivunt. Apostolus et enim in ipso sunt omnia quae vivunt enim
sed tamen vivit verbum in fontana vitae primo Unde
ipsum factum est et est vita in ipso intellectualiter. Secundo ponitur
humanae mentis illustratio. Et vita erat
lux hominum. Ubi duo attende. Primo quid
sit vita [illegible] philosophi nomine [illegible] appellaverunt
deum vita est et dixit nunc eadem vita lucem
appellat. Convenit enim deo ut esse lucem
lux dicitur a manifestatione secundum illud ad Eph. 5 omne
quod manifestatur lumen est. Deus autem ad mani-
festandum potissime competit ut sicut in eo
sunt in divina essentia ita ut in eo sunt non
intellectu est declarata et actualiter manife-
stata sed prout sunt in verbo cum dicitur ac-
tualem notitiam declaratam ipsius verbi et divinae
essentiae et omnis creaturae dicitur manifestationem
propriam. Unde bene secundum competit esse lucem et
adverte quod licet convertantur ita deus lux et
vita ut videatur tamen esse vita quia prius sit
lux prius intelligitur. Secundo videndum est quomodo
sicut lux sit vita hominum. Ubi attende quod sunt
viventia vivum et vivente et non viventia sunt
continentes in verbo. Ita et viventes vivum tantum lucet
eius qui non lucerent in verbo lucentes ponit
et licet omnia vivant in verbo non tamen omnia in se
ipsis vivunt. Ita omnia in eo lucent non tamen omnia
in se ipsis sunt lucentia sed solum ea quae intelligentia
sunt unde cum quod homines sunt naturae intellectuales
vita et lux hominum sed tamen ita vita sunt et lux
angelorum cum solum homines nominantur. Sic tamen
non dicitur vita hominum sed dicitur lux eorum unde
Augustinus dicit quod per homines intelligitur creatura intellectualis

dicitur accipi. Vel potest aliter dici quod angelica
natura est pura lux intellectualis creata. Natura autem
humana non est pura lux sed est obumbrata.
Unde dicit Ysaac quod in homine oritur in umbra
intellectus et sic quaerit homo per umbram ad
[illegible] quia natura angelica sit pura lux ac
creata et deo sunt lucentes non dicitur lux an-
gelorum quia est incarnatio quia non intellectualitas
hominis obumbratur umbra fantasmatum
ideo non lucet in pura luce. Vel ut magis nectere
illustret propter singularem vel dicitur lux hominum
quia per [illegible] est super nos lumen vultus
tui domine. Vel [illegible] dicitur lux hominum
et non vita quia homines dicuntur viventes
et non lucentes. Sic enim vita hominum causa
vel aliter quia homines non solum sunt animae
intellectuales sed ingeniosi et [illegible] nec
[illegible] vitam [illegible] tamen non dixit
esse eius hominum autem. Tertio ponitur istius lucis
actus. Et lux in tenebris lucet. Hic pertinet
[illegible] natura intelligens [illegible] ipsa enim
non est lux sed lucis participativa possit. Secundo quia
[illegible] non lux sed tenebrae [illegible]
[illegible] natura [illegible] tene-
brosa [illegible] capax et particeps
lucis et sapientiae. Aliter secundum Augustinum nomine tene-
brarum stulta corda intelliguntur. [illegible]
[illegible] sapientiam stultitia [illegible] ista
lux in tenebris. Stulta autem corda [illegible] sunt
[illegible] sapientia volunte [illegible]
[illegible] lux vel lux ipsius [illegible]
[illegible] ut ita [illegible] potest intelligi [illegible]
[illegible] bonos et malos.
Secundo ponitur istius lucis incomprehensibilitas. Et
tenebrae eam non comprehenderunt.
Tenebrae sunt mentes intellectuales creatae
quibus lux [illegible] infinita et profundissime
clarior incomprehensibilis sed aliqualiter [illegible]
possunt. Divinus enim intellectus ita comprehendit
solem bene autem mentes ita [illegible]
[illegible] solem [illegible] solem
[illegible] totaliter [illegible] non possumus
claritate solis [illegible] lucem con-
templari in umbra [illegible] noctis ob-
umbrata sed lucem [illegible] Aliter
secundum Augustinum tenebrae sunt corda [illegible] in quibus
[illegible] ita lux [illegible] aliter
[illegible] lucis intelligentiae
[illegible] intelligimus [illegible] lucis
[illegible] cognoscunt quod non [illegible]
ut [illegible] lucis fulgore [illegible] sunt
in tenebris [illegible] lucis [illegible]
ita [illegible] colores [illegible] luce non pri-
[illegible] ad esse in tenebris.

Secundo ad dictum "Fuit homo missus
a Deo" etc. Evangelista ostendit missi
ca testificatoris ubi tangitur
primo persone missio cum dicit "Fuit homo",
eius gracie [illegible] auctoritas quia est ut generaliter
dicitur cum de angelis fuit a angelis
officio non natura missus a Deo. Nonnulli vero
non a malo ut dicit in ... et alius
solus deus et ideo est ipsa confessio
ipse et non misit nisi deus et spiritus
attende quia non est intelligendum
fuisse missum per missionem preter hunc in
corde predicandi sed eciam erat cum tali
omnibus animas sicut cum angelis fuisse
utilitas. Sed ut dicit Crisostomus missus fuit ad
predicandum officium et baptizandum. Deinde
ponitur persone nomen "cui nomen erat Iohannes"
et quod nomen est quod Iohannes dicitur in quo gracia
et modo dicit fuit in Iohanne totum capitulum
Si consideres annunciacionem eius et tabule
fidelium natam eiusdem vitam eius
tabule et mortem. Ideo ponitur persone
officium dicit "Venit" tamquam iuste(?) semper et ne
convictum in confessione spiritus et virtutis tanquam

speciale magis applicat. Unde sequitur "testimonium

quidam locus ubi post regnum habebat
adorare. Glosa. Aut ideo postquam salvare
poterat templum ingrediens, scilicet ut
adoraret vel alios aliquid [illegible] ac
eis qui monuit eum [illegible]. Zachar[ias]
defendit et ipsum arguit de igne [illegible]
ipso ibidem inter templum et altare occisus
est ut dicit Ieronimus. Contra hoc [illegible]

ut habetur 2 Paralipomenon 24 post eius mor-
tem ut dicit Crisostomus non occisus [illegible]
[illegible] manifeste [illegible] in templo.
Sed attende quod iste Zacharias fuit filius
Ioiade sacerdotis. Quare non dicitur filius Bara-
chie? Forte quia sic cognominatus est. Ioia-
da autem [illegible] quia Barachias interpretatur bene-
dictus domini. Et Ioiada fuit benedictus [illegible]
[illegible] rege iudeorum [illegible]
ut habetur 2o [illegible]. At Zacharias iste fuit
[illegible] dicitur [illegible] regibus [illegible]
[illegible] nazareorum qui filius Barachie [illegible]
[illegible] est et filium Ioiade. Item quare
[illegible] duos inter alios iustos nominat
nisi quia Zacharias [illegible] fuit interfecti.
Primus Abel [illegible] quia Abel fuit
pastor ovium et occisus in campo. Zacha-
rias fuit sacerdos in atrio templi [illegible]
[illegible] duos omnes [illegible]
[illegible] et [illegible] ordinis. Ideo videtur
[illegible] quia in [illegible] et [illegible]
iudeam [illegible]. Item de Abel [illegible]
que [illegible] in [illegible] occidit Zacha-
riam fuit [illegible] quia duo [illegible] fuit
in [illegible] quia [illegible] a loco [illegible]
occiderunt. [illegible] ut videtur [illegible]
[illegible] sanguis
et [illegible] Abel [illegible] occi-
dit eum Cayn. Zachariam [illegible] iussit lapidari
Ioas. Et ut dicitur 2 Paralipomenon 24 non est re-
cordatus [illegible] quam fecerat [illegible]
sed interfecit filium eius. [illegible] potest
[illegible] quia solum [illegible] duorum
[illegible] vindicta postulat [illegible]
[illegible] Abel dicitur [illegible]
[illegible] Abel clamat [illegible]
[illegible] vindicta fuit [illegible] Cayn
[illegible] et tandem interfectus est ut dicit [illegible]
De Zacharia dicitur 2 Paralipomenon 24 [illegible] cum
moreretur dixit: Videat dominus et requirat.
[illegible] vindicta quia ut [illegible] dicat
post anni circulum [illegible] dominus [illegible]

[illegible] multitudine in manu paucorum [illegible]
[illegible] regis Syrie, et occisi sunt omnes princi-
pes populi, et [illegible] fuit regnum et [illegible]
[illegible] regis Ioas [illegible]
in [illegible] languoribus. Tunc tandem
occiderunt [illegible] servi [illegible] in lecto
ut dicitur [illegible] in ultionem sanguinis [illegible]
[illegible] super vos sanguis Abel venit
super iudeos cum [illegible] non occiderunt [illegible]
sed ut [illegible] Cayn [illegible] fuit. Et dicendum
[illegible] occiderunt Christum qui fuit Abel [illegible]
in innocentia et mansuetudine, quia non
[illegible] occidi. [illegible] sanguis Abel
venit super vos [illegible] occi-
[illegible] [illegible]
sanguinem Abel et Zacharie [illegible]
[illegible] in Abel fuit [illegible]
[illegible] et in innocentia [illegible] aut [illegible]
[illegible] [illegible] [illegible]
[illegible] filiorum [illegible]
[illegible] quia [illegible] non [illegible] cum [illegible]

illis hoc peccatum quia nesciunt quid faciunt.
[illegible] maior fuit eius [illegible] non
[illegible] quam [illegible]
sanguinem Abel [illegible] indulgentiam.
Item [illegible] fuit Zacharias [illegible] constitutus
[illegible] constitutus ultimus [illegible]
[illegible] in Zacharia ut [illegible] in
[illegible] ita ut [illegible] lapidatus
[illegible] Zacharias [illegible] ponit
[illegible] illos amen dico vobis venient
[illegible] [illegible] omnibus [illegible]
generationem istam. [illegible]
[illegible] que [illegible] se [illegible] dicitur
[illegible] [illegible] atque [illegible]
[illegible] stulte atque insipienter [illegible]
[illegible] [illegible] possessor [illegible]
[illegible] [illegible]
[illegible] omnis [illegible] sa-
nguinis veniat super generationem iudaycam.
[illegible] omnia bona que in singulis ge-
nerationibus [illegible] omnes
[illegible] novissimis data sunt
[illegible] ita omnia mala que
[illegible] impii in singulis generationibus
[illegible] novissimis data
[illegible] et [illegible] eos [illegible]
[illegible] illa opera [illegible]
[illegible] tanta [illegible] potuit
[illegible] data [illegible] Ita

nulla opera mala tanta meruerit per
mortem sequacium commorte et quos peccati sunt
inde quia toti mundo facti sunt ludibrium
et errorem et derisionem manentes et dispersi in regionibus
sicut nunc sunt et in regno Anglie et Francie
Tertio quia persecutores inde non sunt correpti
flagelli paenitentiae. Sic addiderunt peccata
super omnes ulterius paenitentiam veniunt super
eos. Quarto dicere possumus quod omnes ulterius venient super
eos quia ipsi occiderunt omnem ho-
minem et nunc culpe inequales sunt in ipso qui
in perierunt infinitas iniustas inter scelera peccare
dicitur et sequemur etc.

Secundum enim de Jerusalem et Jerusalem circa
obstinatem ut ad inquietas et duri-
ties obstinatam ut inde occiderunt prophetas mittens
et noluerunt congregare sicut ego te docuit
quintum. Primum est in prophetas necnon fratres suos
Jerusalem Jerusalem ista iteratio ut de Christo
cum misericordia et inde diligentes in forte
dolentes ex contraria inimicitia non autem loquitur
dicit ad populum sed ad homines civitatis
virgale. Et ideo occidis prophetas doloris
dolus eos prophetas voce dolet de
morte amicorum et culpa occidentium
et lapidas eos qui ad te missi sunt
capud ad te missi sunt et peccasti cum
secunda lapidasti. Ezechielis tractatus
lapides etc. et et nunc qui ergo sancta
lapides qui ad te medium tempore
rediret qui ita prophetas quoque in lege
primitus. Sed certe homines per prophetas Stephanum
et de morte precipue per eos suos Stephanum
quem ad eum missi lapidaverunt inde in
ipsis ad eam missi sunt apostoli qui tradiderunt
et quomodo ad eos deinde e Ezechielis et
filiis homines missi te ad filios suos
filii homines apostatas qui recesserunt a me
gentes apostatas qui recesserunt a me
et Judei et Stephanus Actuum septimo etc.
animo in me lapidaverunt hic et celeste
interim in me sit mors pena et in ista
quia Christus propter inde noluerunt ideo primo in
gentes qui istud non sunt nunquam occiderunt de
isto quia inter sunt nunquam qui noluerunt lapidare
filium quo ipse volunt lapidare
Tertio ponitur voluntas multorum qui non ob
stantibus temporalibus fratrum volunt et non
se eos congregare et noluerunt sicut dicat
quotiens volui quod non permisit vel
congregare filios tuos in congregatione
fidelium quemadmodum gallina congre-
gat pullos suos sub alas et noluisti
quem assimilat se Christus gallina congreganti
pullos sub alas. Videtur quod assimulare
aquile que expandit alas suas et
assumpsit ipsum in libros. Et quia congruabiliter
aquila id est obtinet principatum in volatilibus
ita quia tunc tempus Christus assumpsit
ipsum in libros ut eos in dicat et educat
fructu lactis et mellis. Et ut frugalitatem
generatio obtinuit et possidebit. Sed
et tunc assimulare aquile. Nunc ubi non
Christus tunc assimilare congregare quando
tunc ipsum in libros congregare quando
infinitas nam assumpsit. Gallina sicut quia
pertinet ut audit sui amoris magis
nam gallina amore filiorum in firmitate
et languet. Sic Christus amore multorum
infirmitatem nam assumpsit. Unde Cant. se in
firmitate et consolatione mea. Fulcite
me floribus stipate me malis
quia amore langueo. Secundo tamen quia gallina
tamen congregat pullos sub alas ut eos
foveat et protegat et ut nutriat et custodiant
sic et Christus volunt sub duplici ala divinitatis
et humanitatis congregare multos et ut
usque testaretur et hic facit laborant
clamans rauce sicut sunt fauces eius
ut fovet multos protegere et ut ipsum
agnoscant. Sic Christus ipse voluit facere
et congregare eos nocentes plangens
noluit clamans quod et purgans et minatus.
Deinde ponit multorum rebellio et noluisti
sic quia noluit congregare scilicet ideo eos
et ut omnes inde regiones dispersi
sunt. Ideo pulli istius galline noluerunt
congregare sicut Judei audierunt et clamat et
mutans filium pulli sunt gentiles
et congregati sunt sub alas. Unde Rom. figu-
ratum et multitudo inveniebatur eorum quia dica-
tur ut pluimus in ea dicit recipientes ad nos
cum pluimus incidentibus adque venisti sub cuius alas
eos ipsum
fugisti.

Tertio ponitur subsequitur pene redi-
ritas et misera. Nec ipsum deus secundum
indignatione de toto desertum ista
adventu illa non fecit se ipsum deus ponitur
primo templi ruina. Ecce quod ad populos
relinquetur domus vestra in templo. Sed
quod dicatur ubi domus mea domus oratio-
nis vocabitur. Glosa sicut vos dicere et
Josephus. Et interpolis audita
nox quod ubi omnes angeli dicentes
transeamus ab istis sedibus. Nunc de
ista templi desolatione sic timuerunt

iudei. Sicut ut xpm occiderent dicebant Si
eum dimittimus sic omnes credent in eum et
venient romani et tollent locum nostrum et gentem
Sed iusto dei iudicio timor quem timebant
evenit eis et quod vitare volebant accidit. Nam post
xpi ascensionem quadragesimo anno civitas ierusa-
lem et templum desolata sunt iudei in terra
aliena et ita desolatione usque in finem seculi
ut dicitur danielis ix. Non quod dicitur relinquetur domus
vestra deserta. Id est ut nomine domus et civita-
tem intelligamus [illegible] quando deserta non est
[illegible] plena. Iudeis tamen deserta et nunc
usque ad finem seculi [illegible] ut psal-
mista [illegible]. Sic ponitur [illegible] absen-
cia quia quando ponitur [illegible] desolationis [illegible]
[illegible] gubernatoris [illegible] absencia [illegible]
naufragii. Unde dicitur Dico enim vobis [illegible]
sum est. Non me videbitis amodo donec
dicatis. Amodo refertur [illegible]
[illegible] ita [illegible]
[illegible] passionis [illegible]
sue passurus abscondit faciem suam [illegible]
ut [illegible]
[illegible] Donec ponitur [illegible]
[illegible] Donec dicatis omnes et credatis corde [illegible]
corde creditur ad iusticiam ore autem confessio fit
ad salutem. Benedictus qui venit
in nomine domini [illegible]
[illegible] omnes [illegible]
omnes [illegible]
[illegible] Nota [illegible]
[illegible] Jacob [illegible]
[illegible] iudeis [illegible]
eum adventu in carne non cognoverunt
iudei. Sed [illegible] cognoscent [illegible]
messiam [illegible] Sed tunc
eum cognoscent et convertentur [illegible]
[illegible] et laudes quas [illegible]
[illegible] venienti [illegible] clamabunt
[illegible] Benedictus
qui venit in nomine domini etc. Rogemus etc.

De Sancto Iohanne Evangelista Iohannis ulto

Dixit ei petrus / Sequere me. Conversus petrus vidit illum discipulum quem diligebat ihesus sequentem / qui et recubuit in cena super pectus eius et dixit Domine quis est qui tradet te / Hunc ergo cum vidisset petrus / dixit ihesu / Domine hic autem quid / Dicit ei ihesus / Sic eum volo manere donec veniam / quid ad te / tu me sequere / Exivit ergo sermo iste inter fratres / quia discipulus ille non moritur

Et non dixit. [illegible]

Et non dixit ei ihesus quia non moritur sed sic eum

Amen dico vobis quia dives diffi-
cile intrabit in regnum celorum. Matth.
XIX°. Beatus Adalbertus sciens certa
esse verba que dicit Veritas et
angusta porta ista quia facilius est came-
lum per foramen acus quam
divitem intrare in regnum celorum, pro-
iectis divitiis huius mundi et sponte portata
sarcina onere pastoralis [illegible] tamquam
camelus [illegible] quia omnes humiles per-
venient in regnum celorum, non tantum centuplum ac-
cepit et vitam eternam possidet ut dicitur in
ewangelio. Amen dico vobis quia dives
difficile intrabit in regnum celorum. Iterum
dico vobis facilius est camelum transire per
foramen acus quam divitem intrare in regnum
celorum. Auditis autem hiis discipuli mirabantur
valde dicentes: quis poterit salvus esse?
Aspiciens autem Ihesus dixit eis: apud homines
hoc impossibile est, apud Deum autem omnia possibilia sunt.
Tunc respondens Petrus dixit: Ecce nos
reliquimus omnia etc. ut in ewangelio prosequitur.
Prima ratio autem Augustinus divitie [illegible]
[illegible] ne pro mala opera quera[n]tur
in mundo [illegible] autem [illegible], plena opera [illegible]
[illegible] in celo, [illegible] villam et [illegible]
[illegible] si accidat [illegible] tollere [illegible]
[illegible] si [illegible] difficile et [illegible]
[illegible] superbi qui dives et tollere superbia
divitie non [illegible] quia difficile est di[vi]ti
tollere superbiam. Ideo dicit autem Amen dico
vobis quia diffi[cile] et [illegible] in regnum celorum.
Propter nondum quia triplices sunt divites
scilicet temporales, spirituales et celestes. Primis
[illegible] divitie si affluant nolite cor apponere.
Et [illegible] non [illegible] sunt [illegible] temporales
divitiis quos difficile est intrare in regnum
celorum. Primi sunt qui divitias
male acquirunt, sicut sunt usurarii qui
salvari non possunt nisi restituant. Unde
Augustinus: [illegible] non dimittitur nisi ablatum.
Ideo [illegible] [illegible] [illegible] quod omnibus sic
dicitur usurarii [illegible] agnomine sunt [illegible]

[illegible] qui [illegible] fecerunt [illegible]
[illegible] satisfecerunt [illegible] sunt suspensi.
Et [illegible] [illegible] [illegible] usurarium

[illegible] paradisum intrat qui non [illegible]

Secundi divites sunt qui divitias male
retinent, de quibus [illegible] Est alia
infirmitas pessima quam vidi sub sole di-
vitie [illegible] in malum domini sui. Pereunt
enim in afflictione pessima [illegible] non di-
vitias [illegible] pecunias in malum domini sui
qui possidens ultra necesse non [illegible]
que superflua sunt pauperibus. Quia [illegible]
[illegible] [illegible] non [illegible] utilitate
nec Dei honore. Ideo dicit Lucas XII: dicit
hominis cuiusdam divitis uberes fructus ager
attulit et cogitabat intra se quid faciam
non habeo quo fructus congregem. Faciam [illegible]
maiora horrea et [illegible] [illegible] anime
mee habes multa bona [illegible] [illegible]
[illegible] noctem venit ad eum Deus: Stulte
hac nocte morieris [illegible] [illegible]

divites quia [illegible] [illegible] ad fructus in
horrea [illegible] [illegible] fiducia [illegible]
posuit ut pauperibus erogavit ut alicuius
reciperet in eterna tabernacula. Iacobi V.
Plangite nunc divites et ululate in
miseriis vestris que advenient vobis. Divitie
vestre putrefacte sunt, vestimenta vestra a tineis
comesta sunt, aurum et argentum vestrum
eruginavit et erugo eorum erit vobis in testimonium
et manducabit carnes vestras sicut ignis.
Tercii divites qui ad regnum celorum intrare
non possunt sunt qui divitias male di-
spensant, scilicet in vana leticia luxuria
et epulis de quibus Lucas VI: Ve vobis divitibus
qui habetis hic consolationem vestram. Talis
fuit ille epulo de quo Lucas XVI qui induebatur
purpura et bysso, epulabatur [illegible] [illegible] sepultus
est in inferno, et petit guttam aque cum
[illegible] quia divitias suas male dispensavit.
Ideo [illegible] [illegible] [illegible] divitis [illegible] non [illegible]
[illegible] [illegible] Ideo Iohannes [illegible] [illegible]
[illegible] divitias custodiunt ut [illegible] [illegible]

Raro post festum ipse refectus sumebat

Ipse autem super nudam iacebat terram

In Conversione Pauli / Matt xix in fine

1 Nota quod conversionem beati Pauli celebrat ecclesia et non aliorum sanctorum propter tria. Primo propter gaudium. Sicut enim ecclesia magnam habuit tristiciam in eius persecucione, sic habet magnum gaudium in ipsius conversione [illegible] gaudere et epulari oportebat quia frater tuus mortuus erat et revixit [illegible]

2 Secundo propter miraculum, quia tam subito de lupo [illegible] crudelissimus persecutor [illegible] audacter accessit [illegible] epistolas spirans et frendens [illegible] [illegible] ut [illegible] [illegible] dixit [illegible] [illegible]

3 Tertio propter exemplum [illegible] quia Paulus [illegible] [illegible] [illegible] vas electionis [illegible]

[illegible] [illegible] [illegible]

Dixit Simon Petrus ad Ihesum: Ecce

te, quid ergo erit nobis. Ihesus autem dixit

eis: Amen dico vobis quod vos qui secuti estis

Et tamen [illegible] planete [illegible] alius fulgebit [illegible], i ad Corinthios xv: Stella differt a stella in claritate, sic et resurrectio mortuorum. Et propter hanc felicitatis diversitatem multe sunt mansiones in celo, quia cuilibet [illegible] secundum mensuram meriti dabitur sublimitas premii. Et ideo In domo patris mansiones multe, [illegible] in eternam claritatem. Et sic multe [illegible] differentia [illegible] unam essentiam.

[illegible]

Non turbetur cor vestrum neque formidet. Creditis in Deum et in me credite. In domo patris mei mansiones multe sunt. Si quominus dixissem vobis: quia vado parare vobis locum. Et si abiero et preparavero vobis locum, iterum venio et accipiam vos ad me ipsum, ut ubi ego sum et vos sitis. Et quo ego vado scitis et viam scitis.

[illegible]

[illegible]

In domo patris mei mansiones multe sunt. Sicut aliquis ad [illegible] amicos suos hospitat [illegible] in domo sua multa sunt [illegible] personarum solatio competant [illegible] generis mansionibus [illegible] ut dum in domo [illegible] veniat [illegible] statu colloc[illegible]. Sic deus [illegible] in domo sua celesti [illegible] nos vocavit, multas nobis preparavit mansiones [illegible]

In domo patris mei mansiones multe sunt quas [illegible] preparavit [illegible] quibus sunt parate [illegible] mansio [illegible]

Item nota [illegible] sic deus multas habet mansiones in domo sua [illegible] multas habet mansiones in domo [illegible] hospitandi [illegible] pius hospes [illegible] domo sua eterna [illegible] Et sicut dicit Aug. [illegible] vite eterne [illegible] ut [illegible] homo [illegible] penas sustinere in tota vita sua [illegible] ad [illegible] Philippus dixit domine ostende nobis patrem et sufficit nobis [illegible] ego [illegible] penas [illegible] mansionis [illegible] omnes penas [illegible]

Dicit ei Thomas domine nescimus quo vadis et quomodo

Si cognovissetis me [illegible] ad patrem [illegible] querere [illegible] cognoverunt [illegible]

Et [illegible] vidistis. Dicit ei Philippus domine ostende [illegible]

[illegible] quia [illegible] sufficit nobis [illegible]

Et [illegible] vidistis [illegible] eum [illegible] filium [illegible] ut [illegible]

nobis patrem et sufficit nobis. Dicit ei Ihesus

[illegible] penas sustinere deberet [illegible] tot [illegible] gaudia [illegible] sed [illegible] Aug. [illegible] gaudebunt [illegible] gaudiorum [illegible] Ubi sicut dicit Aug. [illegible] ubi vita sine morte, ubi [illegible] sine [illegible], ubi lux sine tenebris, ubi gaudia sine [illegible], ubi pax sine discordia, ubi voluntas [illegible] et sunt tot et tanta [illegible] gaudia [illegible]

Augustinus [illegible] fides [illegible] credit [illegible] est fides [illegible] cultus [illegible] ut [illegible] caritate [illegible] mansionis

Augustinus dicit [illegible] Thomas [illegible] Thomas [illegible] Christus [illegible] et vita [illegible] et vita [illegible] veritas [illegible] ad patrem [illegible] est [illegible] nos [illegible] veritas [illegible] ad patrem [illegible] homines [illegible] una veritas et vita [illegible] in glorificatione [illegible] est una potestas [illegible]

Sic significat [illegible] in [illegible] alius [illegible] est [illegible] alius

Sic est equalis [illegible] ut [illegible] alter [illegible] alteri

[illegible] aliud [illegible] alius homo [illegible] est [illegible] alia [illegible] alia homo est [illegible] Christus [illegible] una [illegible]
